to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in this Section 5.4(d), the completion, execution and submission of such documentation (other than such documentation set forth in Sections 5.4(e), 5.4(h) and 5.4(i) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender hereby authorizes the Administrative Agent to deliver to the Credit Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to Sections 5.4(d), 5.4(e), 5.4(h) and 5.4(i).

(e) Each Non-U.S. Lender with respect to any Loan made to the Borrower shall, to the extent it is legally eligible to do so *:*

(i) deliver to the Borrower and the Administrative Agent, prior to the date on which the first payment to the Non-U.S. Lender is due hereunder, two copies of (x) in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding Tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", United States Internal Revenue Service Form W-8BEN or W-8BEN-E (together with a certificate substantially in the form of Exhibit Q certifying that (1) such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Code, (2) such Non-U.S. Lender is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower, (3) any interest payment received by such Non-U.S. Lender under this Agreement or any other Credit Document is not effectively connected with the non-U.S. Lender's conduct of a trade or business in the United States and (4) such Non-U.S. Lender is not a controlled foreign corporation related to the Borrower (within the meaning of Section 881(c)(3)(C) of the Code)), (y)(1) Internal Revenue Service Form W-8BEN or Form W-8BEN-E, in each case properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding Tax on payments by the Borrower or any Guarantor under an applicable income tax treaty to which the United States is a party or (2) properly completed and duly executed Internal Revenue Service Form W-8ECI, or (z) if a Non-U.S. Lender does not act or ceases to act for its own account with respect to any portion of any sums paid or payable to such Lender under any of the Credit Documents (for example, in the case of a typical participation or where Non-U.S. Lender is a pass through entity) Internal Revenue Service Form W-8IMY and all necessary attachments (including the forms described in clauses (x) and (y) above, as required), provided that if the Non-U.S. Lender is a partnership (and not a participating Lender), and one or more of the partners is claiming portfolio interest treatment, the certificate substantially in the form of Exhibit Q may be provided by such Non-U.S. Lender on behalf of such partner(s)), in each case properly completed and duly executed; and

(ii) deliver to the Borrower and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) in each case properly completed and duly executed on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

If in any such case any Change in Law has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Non-U.S. Lender from duly completing and delivering any such form with respect to it, such Non-U.S. Lender shall promptly so advise the Borrower and the Administrative Agent.

(f) If any Lender, the Administrative Agent or the Collateral Agent, as applicable, determines, in its sole discretion exercised in good faith, that it had received and retained a refund of an Indemnified Tax (including an Other Tax) for which a payment of additional amounts or indemnification payments has been made by the Borrower pursuant to Section 5.4, which refund in the good faith judgment of such Lender, the Administrative Agent or the Collateral Agent, as the case may be, is attributable to such payment made by the Borrower, then the Lender, the Administrative Agent or the Collateral Agent, as the case may be, shall reimburse the Borrower for such amount (net of all out-of-pocket expenses of such Lender, the Administrative Agent or the Collateral Agent, as the case may be, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender, the Administrative Agent or the Collateral Agent, as the case may be, determines in its sole discretion exercised in good faith to be the proportion of the refund as will leave such Person, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid; provided that the Borrower, upon the request of the Lender, the Administrative Agent or the Collateral Agent, agrees to repay the amount paid over to the Borrower pursuant to this Section 5.4(f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender, the Administrative Agent or the Collateral Agent, as the case may be, in the event the Lender, the Administrative Agent or the Collateral Agent is required to repay such refund to such Governmental Authority. Upon reasonable request by the Borrower, a Lender, the Administrative Agent or the Collateral Agent shall claim any refund in respect of any Indemnified Tax or Other Tax for which a payment of additional amounts or indemnification payments has been made by the Borrower pursuant to this Section 5.4 that such Lender or Agent determines is available to it, unless it concludes in its sole discretion that it would be adversely affected by making such a claim. None of any Lender, the Administrative Agent or the Collateral Agent shall be obliged to disclose any information regarding its tax affairs or computations to any Credit Party in connection with this clause (f) or any other provision of this Section 5.4.

(g) If the Borrower determines that a reasonable basis exists for contesting a Tax, each Lender or Agent, as the case may be, shall use reasonable efforts to cooperate with the Borrower as the Borrower may reasonably request in challenging such Tax. Subject to the provisions of Section 2.12, each Lender and Agent agrees to use reasonable efforts to cooperate with the Borrower as the Borrower may reasonably request to minimize any amount payable by the Borrower or any Guarantor pursuant to this Section 5.4. The Borrower shall indemnify and hold each Lender and Agent harmless against any reasonable out-of-pocket expenses incurred by such Person in connection with any request made by the Borrower pursuant to this Section 5.4(g). Nothing in this Section 5.4(g) shall obligate any Lender or Agent to take any action that such Person, in its reasonable judgment, determines would result in a material detriment to such Person.

(h) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent two copies of United States Internal Revenue Service Forms W-9 (or substitute or successor form), properly completed and duly executed, certifying that such Lender is exempt from United States backup withholding (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before the date that such form expires or becomes obsolete, (iii) promptly after the occurrence of a change in such U.S. Lender's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(i) If a payment made to any Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed under FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by Applicable Law and at such time or times reasonably requested by the Borrower or the Agent, such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such other documentation reasonably requested by the Administrative Agent and the Borrower as may be necessary for the Administrative Agent and the Borrower to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 5.4(i), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(j) The agreements in this Section 5.4 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(k) For purposes of this Section 5.4, the term "Lender" shall include any L/C Issuer.

5.5. Computations of Interest and Fees.

(a) Except as provided in the next succeeding sentence, interest on Term SOFR Loans and ABR Loans (other than as set forth in the succeeding sentence) shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans in respect of which the rate of interest is calculated on the basis of the rate of interest in effect for such day as publicly announced from time to time by the Wall Street Journal as the "U.S. prime rate" and interest on overdue interest shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees shall be calculated on the basis of a 360-day year for the actual days elapsed.

5.6. Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obligated to pay any interest or other amounts under or in connection with this Agreement or otherwise in respect of the Obligations in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment that it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate that would be prohibited by any Applicable Law, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Applicable Law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8.

(d) Spreading. In determining whether the interest hereunder is in excess of the amount or rate permitted under or consistent with any Applicable Law, the total amount of interest shall be spread throughout the entire term of this Agreement until its payment in full.

(e) Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any Applicable Law, then the Borrower shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

SECTION 6. Conditions Precedent to Effectiveness.

The effectiveness of this Agreement and the obligation of each Lender to make Loans on the Closing Date is subject to the satisfaction (or waiver) of the conditions precedent set forth in this Section 6.

6.7. Representations and Warranties. All representations and warranties contained in Section 8 of this Agreement shall be true and correct in all material respects on the Closing Date (except to the extent any such representation or warranty is stated to relate solely to an earlier date, it shall be true and correct in all material respects as of such earlier date).

6.8. Notice of Borrowing. The Administrative Agent shall have received a Notice of Borrowing, substantially in the form of Exhibit A with appropriate insertions, executed by any Authorized Officer of the Borrower.

SECTION 7. Conditions Precedent to All Credit Events After the Closing Date.

The agreement of each Lender to make any Loan requested to be made by it on any date (excluding Revolving Loans required to be made by the Revolving Lenders in respect of Unpaid Drawings pursuant to Section 3.4), and the obligation of any L/C Issuer to issue Letters of Credit on any date, is subject to the satisfaction or waiver of the conditions precedent set forth in the following Sections 7.1 and 7.2, provided that the conditions precedent set forth in Section 7.1 shall not be required to be satisfied with respect to the Borrowings on the Closing Date:

(c) Prior to the issuance of each Term Letter of Credit, the Administrative Agent and the applicable Term L/C Issuer shall have received a Letter of Credit Request meeting the requirements of Section 3.2(b).

The acceptance of the benefits of each Credit Event shall constitute a representation and warranty by each Credit Party to each of the Lenders that all the applicable conditions specified in this Section 7 have been satisfied or waived as of that time to the extent required by this Section 7.

SECTION 8. Representations, Warranties and Agreements.

In order to induce the Lenders and the L/C Issuers to enter into this Agreement, to make the Loans and issue or participate in Letters of Credit as provided for herein, the Borrower makes the following representations and warranties to the Lenders and the L/C Issuers, all of which shall survive the execution and delivery of this Agreement, the making of the Loans and the issuance of the Letters of Credit:

8.1. Corporate Status; Compliance with Laws. Except as would not reasonably be expected to result in a Material Adverse Effect, each of the Borrower and each Material Subsidiary of the Borrower that is a Restricted Subsidiary (a) is a duly organized and validly existing corporation or other entity in good standing (as applicable) under the laws of the jurisdiction of its organization and has the corporate or other organizational power and authority to own its property and assets and to transact the business in which it is engaged, (b) has duly qualified and is authorized to do business and is in good standing (if applicable) in all jurisdictions where it is legally required to be so qualified and (c) is in compliance with all Applicable Laws.

8.2. Corporate Power and Authority. Each Credit Party has the corporate or other organizational power and authority to execute, deliver and carry out the terms and provisions of the Credit Documents to which it is a party and has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Credit Documents to which it is a party. Each Credit Party has duly executed and delivered each Credit Document to which it is a party and each such Credit Document, assuming due authorization, execution and delivery by the other parties thereto constitutes the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms, subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity (whether considered in a proceeding in equity or law) and (ii) the need for filings and registrations necessary to create or perfect the Liens on the Collateral granted by the Credit Parties in favor

of the Collateral Trustee (provided that, with respect to the creation and perfection of security interests with respect to Indebtedness, Stock and Stock Equivalents of Foreign Subsidiaries, only to the extent the creation and perfection of such obligation is governed by the Uniform Commercial Code).

8.3. No Violation. Neither the execution, delivery or performance by any Credit Party of the Credit Documents to which it is a party, nor the compliance with the terms and provisions thereof, nor the consummation of the financing transactions contemplated hereby and thereby, will (a) contravene any applicable provision of any Applicable Law other than any contravention which would not reasonably be expected to result in a Material Adverse Effect and assuming the receipt of any FERC and Nuclear Regulatory Commission approvals required in connection with an exercise of remedies, (b) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any Lien upon any of the property or assets of the Borrower or any Restricted Subsidiary (other than Liens created under the Credit Documents, Permitted Liens or Liens subject to an intercreditor agreement permitted hereby or the Collateral Trust Agreement) pursuant to the terms of any material indenture, loan agreement, lease agreement, mortgage, deed of trust or other material debt agreement or instrument to which the Borrower or any Restricted Subsidiary is a party or by which it or any of its property or assets is bound (any such term, covenant, condition or provision, a "**Contractual Requirement**") other than any such breach, default or Lien that would not reasonably be expected to result in a Material Adverse Effect, or (c) violate any provision of the Organizational Documents of any Credit Party.

8.4. Litigation. Except as set forth on Schedule 8.4, there are no actions, suits or proceedings pending or, to the knowledge of the Borrower, threatened in writing with respect to the Borrower or any of the Restricted Subsidiaries that have a reasonable likelihood of adverse determination and such determination would reasonably be expected to result in a Material Adverse Effect.

8.5. Margin Regulations. Neither the making of any Loan hereunder nor the use of the proceeds thereof will violate the provisions of Regulation T, U or X of the Board.

8.6. Governmental Approvals. The execution, delivery and performance of the Credit Documents by the Credit Parties does not require, on behalf of any Credit Party, any consent or approval of, registration or filing with, or other action by, any Governmental Authority, except for (i) such as have been obtained or made and are in full force and effect, (ii) filings and recordings in respect of the Liens created pursuant to the Security Documents, (iii) such FERC and Nuclear Regulatory Commission approvals and filings as may be required in connection with an exercise of remedies and (iv) such licenses, authorizations, consents, approvals, registrations, filings or other actions the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

8.7. Investment Company Act. None of the Credit Parties is required to register as an "investment company" within the meaning of, and subject to registration under, the Investment Company Act of 1940, as amended.

8.8. True and Complete Disclosure.

(a) None of the written factual information and written data (taken as a whole) heretofore or contemporaneously furnished by or on behalf of the Borrower, any of the Subsidiaries of the Borrower or any of their respective authorized representatives to the Administrative Agent, any Joint Lead Arranger and/or any Lender on or before the Closing Date (including all such information and data contained in the Credit Documents) regarding the Borrower and its Restricted Subsidiaries in connection with the Transactions for purposes of or in connection with this Agreement or any transaction contemplated herein contained any untrue statement of any material

fact or omitted to state any material fact necessary to make such information and data (taken as a whole) not materially misleading at such time in light of the circumstances under which such information or data was furnished and such information was, when furnished on or prior to the Closing Date, when taken as a whole after giving effect to all supplements and updates provided thereto, accurate in all material respects (it being understood, for the avoidance of doubt, that none of the Borrower or any of its Subsidiaries shall be required to update any such information following the Closing Date), it being understood and agreed that for purposes of this Section 8.8(a), such factual information and data shall not include projections or estimates (including financial estimates, forecasts, pro forma financial information, budgets, and other forward-looking information), other forward-looking information or statements regarding future condition or operations, or information of a general economic or general industry nature.

(b) As of the Closing Date, the projections contained in the Lender Presentation are based upon good faith estimates and assumptions believed by the Borrower to be reasonable at the time made, it being recognized by the Agents, Joint Lead Arrangers and the Lenders that such projections, forward-looking statements, estimates and pro forma financial information are not to be viewed as facts or a guarantee of performance, and are subject to material contingencies and assumptions, many of which are beyond the control of the Credit Parties, and that actual results during the period or periods covered by any such projections, forward-looking statements, estimates and pro forma financial information may differ materially from the projected results.

8.9. Financial Condition; Financial Statements. The financial statements described in Section 6.11 present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and its consolidated Subsidiaries, in each case, as of the dates thereof and for such period covered thereby in accordance with GAAP, consistently applied throughout the periods covered thereby, except as otherwise noted therein, and subject, in the case of any unaudited financial statements, to changes resulting from normal year-end adjustments and the absence of footnotes. There has been no Material Adverse Effect since December 31, 2022.

8.10. Tax Matters. Except where the failure of which would not be reasonably expected to have a Material Adverse Effect, (a) each of the Borrower and each of the Restricted Subsidiaries has filed all federal income Tax returns and all other Tax returns, domestic and foreign, required to be filed by it (after giving effect to all applicable extensions) and has paid all material Taxes payable by it that have become due (whether or not shown on such Tax return), other than those (i) not yet delinquent or (ii) contested in good faith as to which adequate reserves have been provided to the extent required by law and in accordance with GAAP, (b) each of the Borrower and each of the Restricted Subsidiaries has provided adequate reserves in accordance with GAAP for the payment of, all federal, state, provincial and foreign Taxes not yet due and payable, and (c) each of the Borrower and each of the Restricted Subsidiaries has satisfied all of its Tax withholding obligations.

8.11. Compliance with ERISA.

(a) Each Employee Benefit Plan is in compliance with ERISA, the Code and any Applicable Law; no Reportable Event has occurred (or is reasonably likely to occur) with respect to any Benefit Plan; no Multiemployer Plan is Insolvent (or is reasonably likely to be Insolvent), and no written notice of any such insolvency has been given to the Borrower or any ERISA Affiliate; no Benefit Plan has an accumulated or waived funding deficiency (or is reasonably likely to have such a deficiency); each Benefit Plan has satisfied the minimum funding standards (within the meaning of Section 412 of the Code or Section 302 of ERISA) applicable to such Benefit Plan, and there has been no determination that any such Benefit Plan is, or is expected to be, in “at risk”

status (within the meaning of Section 303(i)(4) of ERISA); none of the Borrower or any ERISA Affiliate has incurred (or is reasonably likely to incur) any liability to or on account of a Benefit Plan or Multiemployer Plan pursuant to Section 409, 502(i), 502(l), 515, 4062, 4063, 4064, 4069, 4201 or 4204 of ERISA or Section 4971 or 4975 of the Code; no proceedings have been instituted (or are reasonably likely to be instituted) to terminate any Benefit Plan or to appoint a trustee to administer any Benefit Plan, and no written notice of any such proceedings has been given to the Borrower or any ERISA Affiliate; and no Lien imposed under the Code or ERISA on the assets of the Borrower or any ERISA Affiliate exists (or is reasonably likely to exist) nor has the Borrower or any ERISA Affiliate been notified in writing that such a Lien will be imposed on the assets of the Borrower or any ERISA Affiliate on account of any Benefit Plan, except to the extent that a breach of any of the representations, warranties or agreements in this Section 8.11(a) would not result, individually or in the aggregate, in an amount of liability that would be reasonably likely to have a Material Adverse Effect. No Benefit Plan has an Unfunded Current Liability that would, individually or when taken together with any other liabilities referenced in this Section 8.11(a), be reasonably likely to have a Material Adverse Effect. With respect to Multiemployer Plans, the representations and warranties in this Section 8.11(a)), other than any made with respect to (i) liability under Section 4201 or 4204 of ERISA or (ii) liability for termination of such Multiemployer Plans under ERISA, are made to the knowledge of the Borrower.

(b) All Foreign Plans are in compliance with, and have been established, administered and operated in accordance with, the terms of such Foreign Plans and Applicable Law, except for any failure to so comply, establish, administer or operate the Foreign Plans as would not reasonably be expected to have a Material Adverse Effect. All contributions or other payments which are due with respect to each Foreign Plan have been made in full and there are no funding deficiencies thereunder, except to the extent any such events would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

8.12. Subsidiaries. Schedule 8.12 lists each Subsidiary of the Borrower (and the direct and indirect ownership interest of the Borrower therein), in each case, existing on the Closing Date (after giving effect to the Transactions).

8.13. Intellectual Property. Each of the Borrower and the Restricted Subsidiaries has good and marketable title to, or a valid license or right to use, all patents, trademarks, servicemarks, trade names, copyrights and all applications therefor and licenses thereof, and all other intellectual property rights, free and clear of all Liens (other than Liens permitted by Section 10.2), that are necessary for the operation of their respective businesses as currently conducted, except where the failure to have any such title, license or rights would not reasonably be expected to have a Material Adverse Effect.

8.14. Environmental Laws. (e) Other Information. Promptly upon filing thereof, copies of any filings (including on Form 10-K, 10-Q or 8-K) or registration statements with, and reports to, the SEC or any

(f) Requested Information. With reasonable promptness, following the reasonable request of the Administrative Agent, such other information (financial or otherwise) as the Administrative Agent on its own behalf or on behalf of any Lender (acting through the Administrative Agent) may reasonably request in writing from time to time; provided that, notwithstanding anything to the contrary in this Section 9.1(f), none of the Borrower or any of its Restricted Subsidiaries will be required to provide any such other information pursuant to this Section 9.1(f) to the extent that (i) the provision thereof would violate any attorney client privilege (as reasonably determined by counsel (internal or external) to the Credit Parties), law, rule or regulation, or any contractual obligation of confidentiality binding on the Credit Parties or their respective affiliates (so long as not entered into in contemplation hereof) or (ii) such information constitutes attorney work product (as reasonably determined by counsel (internal or external) to the Credit Parties).

(g) Projections. (h) Reconciliations. Simultaneously with the delivery of each set of consolidated financial statements referred to in Sections 9.1(a) and (b) above, reconciliations for such consolidated financial statements or other consolidating information reflecting the adjustments necessary to eliminate the accounts of Unrestricted Subsidiaries and Excluded Project Subsidiaries (if any) from such consolidated financial statements; provided that the Borrower shall be under no obligation to deliver the reconciliations or other information described in this clause (h) if the Consolidated Total Assets and the Consolidated Adjusted EBITDA of the Borrower and its consolidated Subsidiaries (which Consolidated Total Assets and Consolidated Adjusted EBITDA shall be calculated in accordance with the definitions of such terms, but determined based on the

financial information of the Borrower and its consolidated Subsidiaries, and not the financial information of the Borrower and its Restricted Subsidiaries) do not differ from the Consolidated Total Assets and the Consolidated Adjusted EBITDA, respectively, of the Borrower and its Restricted Subsidiaries by more than 2.5%.

Notwithstanding the foregoing, the obligations in clauses (a), (b) and (e) of this Section 9.1 may be satisfied with respect to financial information of the Borrower and the Restricted Subsidiaries by furnishing (A) the applicable financial statements of any direct or indirect parent of the Borrower (B) the Borrower's (or any direct or indirect parent thereof), as applicable, Form 8-K, 10-K or 10-Q, as applicable, filed with the SEC; provided that, with respect to each of subclauses (A) and (B) of this paragraph, to the extent such information relates to a direct or indirect parent of the Borrower, such information is accompanied by consolidating or other information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Borrower and its consolidated Restricted Subsidiaries on a standalone basis, on the other hand (provided, however, that the Borrower shall be under no obligation to deliver such consolidating or other explanatory information if the Consolidated Total Assets and the Consolidated Adjusted EBITDA of the Borrower and its consolidated Restricted Subsidiaries do not differ from the Consolidated Total Assets and the Consolidated Adjusted EBITDA, respectively, of any direct or indirect parent of Borrower and its consolidated Subsidiaries by more than 2.5%). Documents required to be delivered pursuant to clauses (a), (b) and (e) of this Section 9.1 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website as notified to the Administrative Agent; or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, or filed with the SEC, and available in EDGAR (or any successor) to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent).

9.2. Books, Records and Inspections.

(a) The Borrower will, and will cause each Restricted Subsidiary to, permit officers and designated representatives of the Administrative Agent or the Required Lenders (as accompanied by the Administrative Agent) to visit and inspect any of the properties or assets of the Borrower or such Restricted Subsidiary in whomsoever's possession to the extent that it is within such party's control to permit such inspection (and shall use commercially reasonable efforts to cause such inspection to be permitted to the extent that it is not within such party's control to permit such inspection), and to examine the books and records of the Borrower and any such Restricted Subsidiary and discuss the affairs, finances and accounts of the Borrower and of any such Restricted Subsidiary with, and be advised as to the same by, its and their officers and independent accountants, all at such reasonable times and intervals and to such reasonable extent as the Administrative Agent or Required Lenders may desire (and subject, in the case of any such meetings or advice from such independent accountants, to such accountants' customary policies and procedures); provided that, excluding any such visits and inspections during the continuation of an Event of Default (a) only the Administrative Agent, whether on its own or in conjunction with the Required Lenders, may exercise rights of the Administrative Agent and the Lenders under this Section 9.2, (b) the Administrative Agent shall not exercise such rights more than one time in any calendar year and (c) only one such visit shall be at the Borrower's expense; provided further that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) or any representative of any Lender may do any of the foregoing at the expense of the Borrower at any time during normal business hours and upon reasonable advance notice. The Administrative Agent and the Required Lenders shall give the Borrower the

opportunity to participate in any discussions with the Borrower's independent public accountants. Notwithstanding anything to the contrary in this Section 9.2, neither the Borrower nor any Restricted Subsidiary will be required under this Section 9.2 to disclose or permit the inspection or discussion of any document, information or other matter to the extent that such action would violate any attorney-client privilege (as reasonably determined by counsel (internal or external) to the Credit Parties), law, rule or regulation, or any contractual obligation of confidentiality (not created in contemplation thereof) binding on the Credit Parties or their respective affiliates or constituting attorney work product (as reasonably determined by counsel (internal or external) to the Credit Parties).

(b) The Borrower will, and will cause each Restricted Subsidiary to, maintain proper books of record and account, in which entries that are full, true and correct in all material respects and are in conformity, in all material respects, with GAAP shall be made of all material financial transactions and matters involving the assets of the business of the Borrower or such Restricted Subsidiary, as the case may be (it being understood and agreed that any Restricted Subsidiary may maintain its individual books and records in conformity with local standards or customs and that such maintenance shall not constitute a breach of the representations, warranties or covenants hereunder).

9.3. Maintenance of Insurance. The Borrower will, and will cause each Material Subsidiary that is a Restricted Subsidiary to (a) at all times maintain in full force and effect, pursuant to self-insurance arrangements or with insurance companies that the Borrower believes (in the good faith judgment of the management of the Borrower, as applicable) are financially sound and responsible at the time the relevant coverage is placed or renewed, insurance in at least such amounts (after giving effect to any self-insurance which the Borrower believes (in the good faith judgment of management of the Borrower, as applicable) is reasonable and prudent in light of the size and nature of its business) and against at least such risks (and with such risk retentions) as the Borrower believes (in the good faith judgment of management of the Borrower, as applicable) is reasonable and prudent in light of the size and nature of its business and the availability of insurance on a cost-effective basis and the Borrower shall use commercially reasonable efforts for all such applicable insurance to name the Collateral Trustee as mortgagee (in the case of property insurance) or additional insured on behalf of the Secured Parties (in the case of liability insurance) or loss payee (in the case of property insurance), as applicable, and (b) will furnish to the Administrative Agent, upon written reasonable request from the Administrative Agent, information presented in reasonable detail as to the insurance so carried, provided, however, that for so long as no Event of Default has occurred and is continuing, the Administrative Agent shall be entitled to make such request only once in any calendar year. With respect to each Mortgaged Property, obtain flood insurance in such total amount as is required under the Flood Laws, if at any time the area in which any improvements located on any Mortgaged Property is designated a "flood hazard area" in any Flood Insurance Rate Map published by the Federal Emergency Management Agency (or any successor agency), and otherwise comply with the Flood Laws.

9.4. Payment of Taxes. The Borrower will pay and discharge, and will cause each of the Restricted Subsidiaries to pay and discharge, all Taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits, or upon any properties belonging to it, prior to the date on which penalties attach thereto, and all lawful claims in respect of any Taxes imposed, assessed or levied that, if unpaid, could reasonably be expected to become a material Lien upon any properties of the Borrower or any Restricted Subsidiary of the Borrower; provided that neither the Borrower nor any such Restricted Subsidiary shall be required to pay any such tax, assessment, charge, levy or claim (i) that is being contested in good faith and by proper proceedings if it has maintained adequate reserves (in the good faith judgment of management of the Borrower) with respect thereto in accordance with GAAP or (ii)

with respect to which the failure to pay would not reasonably be expected to result in a Material Adverse Effect.

9.5. Consolidated Corporate Franchises. The Borrower will do, and will cause each Material Subsidiary that is a Restricted Subsidiary to do, or cause to be done, all things necessary to preserve and keep in full force and effect its existence, corporate rights and authority, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect; provided, however, that the Borrower and the Restricted Subsidiaries may consummate any transaction otherwise permitted hereby, including under Section 10.2, 10.3, 10.4 or 10.5.

9.6. Compliance with Statutes, Regulations, Etc. The Borrower will, and will cause each Restricted Subsidiary to, comply with all Applicable Laws applicable to it or its property, including all governmental approvals or authorizations required to conduct its business, and to maintain all such governmental approvals or authorizations in full force and effect, in each case except where the failure to do so would not reasonably be expected to have a Material Adverse Effect.

9.7. Lender Calls. The Borrower shall conduct a conference call that Lenders may attend to discuss the financial condition and results of operations of the Borrower and its Restricted Subsidiaries for the most recently ended measurement period for which financial statements have been delivered pursuant to Section 9.1(a) or (b) (beginning with the fiscal quarter of the Borrower ending June 30, 2023), at a date and time to be determined by the Borrower with reasonable advance notice to the Administrative Agent, limited to one conference call per fiscal quarter.

9.8. Maintenance of Properties. The Borrower will, and will cause the Restricted Subsidiaries to, keep and maintain all property material to the conduct of its business in good working order and condition (ordinary wear and tear, casualty and condemnation excepted), except to the extent that the failure to do so would reasonably be expected to have a Material Adverse Effect.

9.9. Transactions with Affiliates . The Borrower will conduct, and cause the Restricted Subsidiaries to conduct, all transactions with any of its or their respective Affiliates (other than (x) any transaction or series of related transactions with an aggregate value that is equal to or less than the greater of (i) $65,000,000 and (ii) solely on or after the Q2 2024 Financials Date, 15% of Consolidated Adjusted EBITDA for the most recently ended Test Period (calculated on a Pro Forma Basis) or (y) transactions between or among (i) the Borrower and the Restricted Subsidiaries or any Person that becomes a Restricted Subsidiary as a result of such transactions and (ii) the Borrower, the Restricted Subsidiaries, any direct or indirect parent of the Borrower, and any of its other Subsidiaries) on terms that are, taken as a whole, not materially less favorable to the Borrower or such Restricted Subsidiary as it would obtain in a comparable arm's-length transaction with a Person that is not an Affiliate (as determined in good faith by the Borrower); provided that the foregoing restrictions shall not apply to:

(a) the payment of customary fees for management, monitoring, consulting, advisory, underwriting, placement and financial services rendered to the Borrower and its Restricted Subsidiaries and customary investment banking fees paid for services rendered to the Borrower and its Restricted Subsidiaries in connection with divestitures, acquisitions, financings and other transactions, whether or not consummated,

(e) loans, advances and other transactions between or among the Borrower, any Subsidiary of the Borrower or any joint venture (regardless of the form of legal entity) in which the Borrower or any Subsidiary of the Borrower has invested (and which Subsidiary or joint venture would not be an Affiliate of the Borrower but for the Borrower's or such Subsidiary's Subsidiary ownership of Stock or Stock Equivalents in such joint venture or Subsidiary) to the extent permitted under Section 10,

(f) (i) employment, consulting and severance arrangements between the Borrower and the Restricted Subsidiaries (or any direct or indirect parent of the Borrower) and their respective officers, employees, directors or consultants in the ordinary course of business (including payments, loans and advances in connection therewith) and (ii) issuances of securities, or other payments, awards or grants in cash, securities or otherwise and other transactions pursuant to any equityholder, employee or director equity plan or stock or other equity option plan or any other management or employee benefit plan or agreement, other compensatory arrangement or any stock or other equity subscription, co-invest or equityholder agreement,

(g) payments (i) by the Borrower and the Subsidiaries of the Borrower to any direct or indirect parent of the Borrower in an amount sufficient so as to allow any direct or indirect parent of the Borrower to make when due (but without regard to any permitted deferral on account of financing agreements) any payment pursuant to any Shared Services and Tax Agreements and (ii) by the Borrower (and any direct or indirect parent thereof) and the Subsidiaries of the Borrower pursuant to the Shared Services and Tax Agreements among the Borrower (and any such parent) and the Subsidiaries of the Borrower, to the extent attributable to the ownership or operation of the Borrower and its Subsidiaries; provided that solely in the case of the payment of Taxes of the type described in Section 10.6(d)(i) under a Shared Services and Tax Agreement (and in lieu of making a dividend thereunder as contemplated by Section 10.6(d)(i)), the amount of such payments shall not exceed the amount permitted to be paid as dividends or distributions under Section 10.6(d)(i),

(a) Notwithstanding anything to the contrary contained in Section 11.3(a), in the event that the Borrower fails to comply with the requirement of the covenant set forth in Section 10.9, after the beginning of the applicable fiscal quarter until the expiration of the fifteenth Business Day after the date on which the compliance certificate relating to Section 9.1 Financials with respect to the Test Period in which the covenant set forth in such Section is being measured are required to be delivered pursuant to Section 9.1 (the "**Cure Period**"), a direct or indirect parent entity of the Borrower or any other Person shall have the right to make a direct or indirect equity investment (in the form of cash common equity or otherwise in a form reasonably acceptable to the Administrative Agent) in the Borrower (the "**Cure Right**"), and upon receipt by the Borrower of the net cash proceeds pursuant to the exercise of the Cure Right (including through the capital contribution of any such net cash proceeds to the Borrower, the "**Cure Amount**"), the covenant set forth in such Section shall be recalculated, giving effect to the pro forma increase to Consolidated Adjusted EBITDA for such Test Period in an amount equal to such Cure Amount; provided that (i) such pro forma adjustment to Consolidated Adjusted EBITDA shall be given solely for the purpose of calculating the covenant set forth in such Section with respect to any Test Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Credit Document, (ii) unless actually applied to Indebtedness, there shall be no pro forma reduction in Indebtedness with the proceeds of any Cure Right for determining compliance with Section 10.9 for the fiscal quarter in respect of which such Cure Right is exercised (either directly through prepayment or indirectly as a result of the netting of Unrestricted Cash for purposes of the definitions of Consolidated Total Debt) and (iii) subject to clause (ii), no other adjustment under any other financial definition shall be made as a result of the exercise of any Cure Right.

(b) If, after the exercise of the Cure Right and the recalculations pursuant to clause (a) above, the Borrower shall then be in compliance with the requirements of the covenant set forth in Section 10.9 during such Test Period (including for the purposes of Section 7), the Borrower shall be deemed to have satisfied the requirements of such covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default or Event of Default under Section 11.3 that had occurred shall be deemed cured for purposes of this Agreement; provided that (i) in each Test Period there shall be at least two fiscal quarters for which no Cure Right is exercised, (ii) no more than five Cure Rights may be exercised during the term of the Revolving Credit Facility and (iii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrower to be in compliance with the covenant set forth in Section 10.9.

(c) Neither the Administrative Agent nor any Lender shall exercise the right to accelerate the Loans or terminate the Commitments and none of the Administrative Agent, any Lender or any other Secured Bank Party shall exercise any right to foreclose on or take possession of the Collateral or exercise any other remedy prior to the expiration of the Cure Period solely on the basis of an Event of Default having occurred and being continuing with respect to a failure to comply with the requirement of the covenant set forth in Section 10.9 (it being understood that no Revolving Lender or Revolving L/C Issuer shall be required to fund Revolving Loans or extend

new credit in respect of Revolving Letters of Credit during any such Cure Period prior to any Cure Right being exercised).

SECTION 12. The Agents.

12.1. Appointment.

(a) Each Secured Bank Party (other than the Administrative Agent) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Secured Bank Party under this Agreement and the other Credit Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 12 (other than this Section 12.1 and Sections 12.9, 12.12 and 12.13 with respect to the Borrower) are solely for the benefit of the Agents, the Joint Lead Arrangers and the other Secured Bank Parties, and the Borrower shall not have any rights as a third party beneficiary of such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Agent shall have any duties or responsibilities, except those expressly set forth herein or in any other Credit Document, any fiduciary relationship with any other Secured Bank Party or any agency or trust obligations with respect to any Credit Party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against such Agent.

(b) The Secured Bank Parties hereby irrevocably designate and appoint the Collateral Representative as the agent with respect to the Collateral, and each of the Secured Bank Parties hereby irrevocably authorizes the Collateral Representative, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Representative by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. In addition, the Secured Bank Parties hereby irrevocably designate and appoint the Collateral Agent as an additional agent with respect to the Collateral, and each Secured Bank Party hereby irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall have no duties or responsibilities except those expressly set forth herein or in any other Credit Document, any fiduciary relationship with any of the other Secured Bank Parties or any agency or trust obligations with respect to any Credit Party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.

(c) Each of the Joint Lead Arrangers and Bookrunners, each in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this Section 12.

12.2. Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Credit Documents

by or through agents, sub-agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents, sub-agents or attorneys-in-fact selected by it in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

12.3. Exculpatory Provisions.

(a) No Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the Lenders or any participant for any recitals, statements, representations or warranties made by the Borrower, any Guarantor, any other Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of the Borrower, any Guarantor or any other Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any other Secured Bank Party to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party or any Affiliate thereof.

(b) Each Lender confirms to the Administrative Agent, the Collateral Agent, each other Lender and each of their respective Related Parties that it (i) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on the Administrative Agent, the Collateral Agent, any other Lender or any of their respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement, (y) making Loans and other extensions of credit hereunder and under the other Credit Documents and (z) in taking or not taking actions hereunder and thereunder, (ii) is financially able to bear such risks and (iii) has determined that entering into this Agreement and making Loans and other extensions of credit hereunder and under the other Credit Documents is suitable and appropriate for it.

(c) Each Lender acknowledges that (i) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Credit Documents, (ii) that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent, any other Lender or any of their respective Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement based on such documents and information, as it has deemed appropriate and (iii) it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any other Lender or any of their respective Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the other Credit Documents based on such documents and information as it shall from time to time deem appropriate, which may include, in each case:

(i) the financial condition, status and capitalization of the Borrower and each other Credit Party;

(ii) the legality, validity, effectiveness, adequacy or enforceability of this Agreement and each other Credit Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Credit Document;

(iii) determining compliance or non-compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition; and

(iv) the adequacy, accuracy and/or completeness of any information delivered by the Administrative Agent, the Collateral Agent, any other Lender or by any of their respective Related Parties under or in connection with this Agreement or any other Credit Document, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Credit Document.

(d) The Collateral Agent shall not be responsible for and makes no representation as to the existence, genuineness, value or protection of any Collateral, for the legality, effectiveness or sufficiency of any Security Document, or for the creation, perfection, priority, sufficiency or protection of any liens securing the Loans.

(e) For the avoidance of doubt, nothing herein shall require the Collateral Agent to file financing statements or continuation statements, or be responsible for maintaining the security interests purported to be created as described herein (except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder or under any other Loan Document) and such responsibility shall be solely that of the Credit Parties.

(f) Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction, reasonable satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Agreement if it shall not have received such written instruction, advice or concurrence of the Administrative Agent, as it deems appropriate. This provision is intended solely for the benefit of the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

(g) In no event shall the Collateral Agent be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

12.4. Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex, electronic mail, or teletype message, statement, order or other document or instruction believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel

(including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent and shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans; provided that none of the Administrative Agent or the Collateral Agent shall be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or Applicable Law. For purposes of determining compliance with the conditions specified in Sections 6 and 7 on the Closing Date, each Lender that has signed or authorized the signing of this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

12.5. Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless an officer of the Administrative Agent or the Collateral Agent having direct responsibility for the administration of this Agreement, as applicable, has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent or the Collateral Agent receives such a notice, it shall give notice thereof to the Lenders, the Collateral Representative and either the Administrative Agent or the Collateral Agent, as applicable. The Administrative Agent, the Collateral Agent and the Collateral Trustee shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until the Administrative Agent, the Collateral Agent or the Collateral Trustee, as applicable, shall have received such directions, the Administrative Agent, the Collateral Agent or the Collateral Trustee, as applicable, may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as is within its authority to take under this Agreement and otherwise as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.

12.6. Non-Reliance on Administrative Agent, Collateral Agent and Other Lenders. Each Lender expressly acknowledges that none of the Administrative Agent, the Collateral Agent or any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of the Borrower, any Guarantor or any other Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Collateral Agent to any Lender or the L/C Issuer. Each Lender and the L/C Issuer represents to Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, each Guarantor and each other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each

Lender also represents that it will, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, each Guarantor and each other Credit Party. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, none of the Administrative Agent or the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower, any Guarantor or any other Credit Party that may come into the possession of the Administrative Agent, the Collateral Agent or any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.7. Indemnification. The Lenders agree to indemnify each Agent, each in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against such Agent, including all fees, disbursements and other charges of counsel to the extent required to be reimbursed by the Credit Parties pursuant to Section 13.5, in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing **(SUBJECT TO THE PROVISO BELOW, WHETHER OR NOT CAUSED BY OR ARISING IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE ORDINARY NEGLIGENCE OF THE INDEMNIFIED PERSON)** ; provided that no Lender shall be liable to any Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction; provided, further, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur, be imposed upon, incurred by or asserted against the Administrative Agent or the Collateral Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing (including at any time following the payment of the Loans), this Section 12.7 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse such Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of the Borrower; provided that such reimbursement by the Lenders shall not

affect the Borrower's continuing reimbursement obligations with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's *pro rata* portion thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct (as determined by a final judgment of court of competent jurisdiction). The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder and the resignation or removal of any Agent.

12.8. Agents in their Individual Capacities. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower, any Guarantor, and any other Credit Party as though such Agent were not an Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, each Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

12.9. Successor Agents. (a) Each of the Administrative Agent and Collateral Agent may resign at any time by notifying the other Agent, the Lenders, the L/C Issuers and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may (i) on behalf of the Lenders and the L/C Issuers, appoint a successor Agent meeting the qualifications set forth above (including receipt of the Borrower's consent) or (ii) petition a court of competent jurisdiction for the appointment of a successor; provided that if such Agent shall notify the Borrower and the Lenders that no qualifying Person (including as a result of the absence of consent of the Borrower) has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (x) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of any of the Secured Parties under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (y) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders with (except after the occurrence and during the continuation of an Event of Default under Section 11.1 or 11.5) the consent of the Borrower (not to be unreasonably withheld) appoint successor Agents as provided for above in this paragraph. Upon the acceptance of a successor's appointment as the Administrative Agent or Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its

predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

(b) Without limitation to Section 3.6(a) or 13.9, any resignation by Citibank, N.A. as Administrative Agent pursuant to this Section 12.9 shall also constitute its resignation as a L/C Issuer. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, (b) the retiring L/C Issuer shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

12.10. Withholding Tax. To the extent required by any Applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or any other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate documentation was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower (solely to the extent required by this Agreement) and without limiting the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement, any other Credit Document or otherwise against any amount due to the Administrative Agent under this Section 12.10. For purposes of this Section 12.10, the term "Lender" includes any L/C Issuer. The agreements in this Section 8.13 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

12.11. Trust Indenture Act. In the event that Citibank, N.A. or any of its Affiliates shall be or become an indenture trustee under the Trust Indenture Act of 1939 (as amended, the "**Trust Indenture Act**") in respect of any securities issued or guaranteed by any Credit Party, each Credit Party and each Lender agrees that any payment or property received in satisfaction of or in respect of any Obligation of such Credit Party hereunder or under any other Credit Document by or on behalf of Citibank, N.A., in its capacity as the Administrative Agent or the Collateral Agent for the benefit of any Lender or Secured Party under any Credit Document (other than Citibank, N.A. or an Affiliate of Citibank, N.A.) and which is applied in accordance with the Credit Documents shall be deemed to be exempt from the requirements of Section 311 of the Trust Indenture Act pursuant to Section 311(b)(3) of the Trust Indenture Act.

12.12. Collateral Trust Agreement; Intercreditor Agreements. Each of the Collateral Agent, the Collateral Trustee and the Administrative Agent is hereby authorized to enter into the Collateral Trust Agreement and any other intercreditor agreement contemplated hereby, and the parties hereto acknowledge that the Collateral Trust Agreement and any other intercreditor agreement to which the

Collateral Agent, the Collateral Trustee and/or the Administrative Agent is a party are each binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Collateral Trust Agreement and any such other intercreditor agreement and (b) hereby authorizes and instructs the Collateral Agent, the Collateral Trustee and the Administrative Agent to enter into any First Lien Intercreditor Agreement and any Junior Lien Intercreditor Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. In addition, each Lender hereby authorizes the Collateral Agent, the Collateral Trustee and the Administrative Agent to enter into (i) any amendments to the Collateral Trust Agreement and (ii) any other intercreditor arrangements, in the case of clauses (i) and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required by Section 10.2 of this Agreement.

12.13. Security Documents and Guarantee; Agents under Security Documents and Guarantee . (a) Each Secured Bank Party hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Bank Parties, to be the agent for and representative of the Secured Bank Parties with respect to the Guarantee, the Collateral and the Security Documents, as applicable. Subject to Section 13.1, without further written consent or authorization from any Secured Bank Party, the Administrative Agent or the Collateral Agent, as applicable, may (or may otherwise instruct the Collateral Representative to) execute any documents or instruments necessary to (a) release any Lien on any property granted to or held by the Administrative Agent, the Collateral Agent (acting at the direction of the Administrative Agent) or the Collateral Trustee (or any sub-agent thereof) under any Credit Document (i) upon the payment in full (or Cash Collateralization) of all Obligations (except for Hedging Obligations in respect of any Secured CA Hedging Agreement, Cash Management Obligations in respect of Secured CA Cash Management Agreements and contingent obligations in respect of which a claim has not yet been made and Cash Collateralized Letters of Credit), (ii) if the property subject to such Lien is sold or to be sold or transferred as part of or in connection with any sale or other transfer permitted hereunder and the other Credit Documents to a Person that is not a Credit Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary or an Excluded Project Subsidiary in compliance with this Agreement, (iii) if the property subject to such Lien is owned by a Credit Party, upon the release of such Credit Party from its Guarantee otherwise in accordance with the Credit Documents, (iv) as and to the extent provided in the Security Documents, (v) if the property subject to such Lien constitutes Excluded Collateral or Excluded Stock and Stock Equivalents, or (vi) if approved, authorized or ratified in writing in accordance with Section 13.1; (b) release any Guarantor that is a Subsidiary from its obligations under the Guarantee if such Person ceases to be a Restricted Subsidiary (or otherwise becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder; provided, that the release of any Guarantor from its obligations under this Agreement, if such Guarantor becomes an Excluded Subsidiary of the type described in clause (b) of the definition thereof, shall only be permitted if such Guarantor becomes an Excluded Subsidiary of such type solely as a result of a permitted transaction with a Person that is not an Affiliate of Borrower (other than to the extent such Person becomes a non-Affiliate of Borrower as a result of such transaction) that is not solely for the purpose of releasing such Guarantor from its Guarantee; (c) subordinate any Lien on any property granted to or held by the Administrative Agent, the Collateral Agent or the Collateral Trustee under any Credit Document to the holder of any Lien permitted under clauses (d), (f) (to the extent representing a refinancing Lien in respect of Section 10.2(g)), (g), (s), (u), and (ff) of Section 10.2 and clause (o) of the definition of "Permitted Liens"; or (d) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent, the Collateral Agent or the Collateral Trustee is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including the Collateral Trust Agreement.

(b) Right to Realize on Collateral and Enforce Guarantee . Anything contained in any of the Credit Documents to the contrary notwithstanding, the Borrower, the Agents, the Joint Lead

Arrangers and each Secured Bank Party hereby agree that (i) no Secured Bank Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder and under the Guaranty may be exercised solely by the Administrative Agent or Collateral Agent, on behalf of the Secured Bank Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Trustee and the Collateral Agent, in each case, on behalf of the Secured Bank Parties, and (ii) in the event of a foreclosure by the Collateral Representative on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Representative or any Secured Bank Party may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and each of the Collateral Trustee and the Collateral Agent, as agent for and representative of the Secured Bank Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Representative at such sale or other disposition. No holder of Hedging Obligations under Secured CA Hedging Agreements or Cash Management Obligations under Secured CA Cash Management Agreements shall have any rights in connection with the management or release of any Collateral or of the obligations of any Credit Party under this Agreement. No holder of Hedging Obligations under Secured CA Hedging Agreements or Cash Management Obligations under Secured CA Cash Management Agreements that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any other Credit Document shall have any right to notice of any action or to consent to or vote on, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender, L/C Issuer or Agent and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Agreement to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured CA Hedging Agreements and Secured CA Cash Management Agreements, unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

12.14. Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, L/C Issuer or Secured Bank Party, or any Person who has received funds on behalf of a Lender, L/C Issuer or Secured Bank Party (any such Lender, L/C Issuer, Secured Bank Party or other recipient (other than a Credit Party), a "**Payment Recipient**") that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, L/C Issuer, Secured Bank Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, L/C Issuer or Secured Bank Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same

day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error. If a Payment Recipient receives any payment, prepayment or repayment of principal, interest, fees, distribution or otherwise and does not receive a corresponding payment notice or payment advice, such payment, prepayment or repayment shall be presumed to be in error absent written confirmation from the Administrative Agent to the contrary.

(b) Each Lender, L/C Issuer or Secured Bank Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, L/C Issuer or Secured Bank Party under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such Lender, L/C Issuer or Secured Bank Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(c) For so long as an Erroneous Payment (or portion thereof) has not been returned by any Payment Recipient who received such Erroneous Payment (or portion thereof) (such unrecovered amount, an "**Erroneous Payment Return Deficiency**") to the Administrative Agent after demand therefor in accordance with immediately preceding clause (a), (i) the Administrative Agent may elect, in its sole discretion on written notice to such Lender, L/C Issuer or Secured Bank Party, that all rights and claims of such Lender, L/C Issuer or Secured Bank Party with respect to the Loans or other Obligations owed to such Person up to the amount of the corresponding Erroneous Payment Return Deficiency in respect of such Erroneous Payment (the "**Corresponding Loan Amount**") shall immediately vest in the Administrative Agent upon such election; after such election, the Administrative Agent (x) may reflect its ownership interest in Loans in a principal amount equal to the Corresponding Loan Amount in the Register, and (y) upon five business days' written notice to such Lender, L/C Issuer or Secured Bank Party, may sell such Loan (or portion thereof) in respect of the Corresponding Loan Amount, and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by such Lender, L/C Issuer or Secured Bank Party shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender, L/C Issuer or Secured Bank Party (and/or against any Payment Recipient that receives funds on its behalf), and (ii) each party hereto agrees that, except to the extent that the Administrative Agent has sold such Loan, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of such Lender, L/C Issuer or Secured Bank Party with respect to the Erroneous Payment Return Deficiency. For the avoidance of doubt, no vesting or sale pursuant to the foregoing clause (i) will reduce the Commitments of any Lender or L/C Issuer and such Commitments shall remain available in accordance with the terms of this Agreement.

(d) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Credit Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Credit Party for the purpose of making such Erroneous Payment.

(e) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(f) Each party's obligations, agreements and waivers under this Section 12.14 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Credit Document.

12.15. Certain ERISA Matters.

(a) Each Lender and Term L/C Issuer (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a party hereto to the date such Person ceases being a party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender or Term L/C Issuer, as applicable, is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plan Investors with respect to such Person's entrance into, participation in, administration of and performance of the Loans, the Term Letters of Credit, the Incremental Commitments, the Incremental Loans, the Refinancing Commitments, the Refinancing Loans or this Agreement,

and performance of the Loans, the Term Letters of Credit, the Incremental Commitments, the Incremental Loans, the Refinancing Commitments, the Refinancing Loans or this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender or Term L/C Issuer.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Initial Term B Loans, the Initial Term C Loans, the Initial Revolving Loans, the Incremental Commitments, the Incremental Loans, the Refinancing Commitments, the Refinancing Loans or this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Documents or any documents related hereto or thereto).

SECTION 13. Miscellaneous.

13.1. Amendments, Waivers and Releases. Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof, may be amended, supplemented or modified except in accordance with the provisions of this Section 13.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent may, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of the Credit Parties hereunder or thereunder or (b) waive in writing, on such terms and conditions as the Required Lenders or the Administrative Agent and/or Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that each such waiver and each such amendment, supplement or modification shall be effective only in the specific instance and for the specific purpose for which given; and provided, further, that no such waiver and no such amendment, supplement or modification shall:

(i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate, or forgive any portion, or extend the date for the payment, of any interest or Fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or extend the final expiration date of any Lender's Commitment or extend the final expiration date of any Revolving Letter of Credit beyond the applicable Revolving L/C Maturity Date or extend the final expiration date of any Term Letter of Credit beyond the Term L/C Termination Date, or increase the aggregate amount of the Commitments of any Lender, in each case without the written consent of each Lender directly and adversely affected thereby; provided that, in each case for purposes of this clause (i), a waiver of any condition precedent in Section 6 or Section 7 of this Agreement, the waiver of any Default,

Event of Default, default interest, mandatory prepayment or reductions, any modification, waiver or amendment to the financial definitions or financial ratios or any component thereof or the waiver of any other covenant shall not constitute an increase of any Commitment of a Lender, a reduction or forgiveness of any portion of any Loan or in the interest rates or the fees or premiums or a postponement of any date scheduled for the payment of principal or interest or an extension of the final maturity of any Loan, or the scheduled termination date of any Commitment; or

(ii) amend, modify or waive any provision of this Section 13.1 or reduce the percentages specified in the definition of "Required Lenders", "Required Revolving Lenders", "Required Term B Lenders" or "Required Term C Lenders", consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3) or alter the order of application set forth in Section 5.2(c) or Section 11.13 or Section 3.4 of the Collateral Trust Agreement, in each case without the written consent of each Lender directly and adversely affected thereby, or

(iii) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and Collateral Agent or any other former or current Agent to whom Section 12 then applies in a manner that directly and adversely affects such Person, or

(iv) amend, modify or waive any provision of Section 3 with respect to any Letter of Credit in a manner that directly and adversely affects a L/C Issuer without the written consent of the such L/C Issuer,

(v) release all or substantially all of the value of the Guarantors under the Guarantee (except as expressly permitted by the Guarantee or this Agreement) or, subject to the Collateral Trust Agreement, release all or substantially all of the Collateral under the Security Documents (except as expressly permitted by the Security Documents or this Agreement), in either case without the prior written consent of each Lender;

(vi) amend, modify or waive any provision of any Credit Document that would have the effect of subordinating (x) the Liens securing any of the Loans on all or substantially all of the Collateral to the Liens securing any other Indebtedness or other obligations or (y) any Loans in contractual right of payment to any other Indebtedness; *provided*, that any subordination expressly permitted by the Collateral Trust Agreement or other intercreditor agreement as permitted to be entered into under this Agreement or any other Credit Document shall not be restricted by subclauses (x) and (y) above; or

(vii) amend, modify or waive any provision relating to a Susquehanna Event of Default or the last paragraph of Section 10.3, in each case, without the written consent of the Required Lenders and the Required Revolving Lenders.

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon the Borrower, the applicable Credit Parties, such Lenders, the Administrative Agent and all future holders of the affected Loans.

In the case of any waiver, the Borrower, the applicable Credit Parties, the Lenders, the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In connection with the foregoing provisions, the

Administrative Agent may, but shall have no obligations to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, modification, supplement, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders, except as expressly provided for by this Agreement).

Notwithstanding the foregoing, (i) only the Required Revolving Lenders under the Revolving Credit Facility shall have the ability to waive, amend, supplement or modify the covenant set forth in Section 10.9 (or the defined terms to the extent used therein but not as used in any other provision of this Agreement or any other Credit Document), Section 11 (solely as it directly relates to Section 10.9), or Section 9.1 (solely as it directly relates to a qualification resulting from an actual Event of Default under Section 10.9), (ii) the written consent of the Required Revolving Lenders, each Revolving L/C Issuer and the Administrative Agent shall be required to amend the sublimit for Revolving Letters of Credit and the definition of "Revolving L/C Commitment" and (iii) Section 4.2 may not be waived or amended in a manner that affects the making of any Revolving Loan without the consent of the Required Revolving Lenders.

Notwithstanding the foregoing, in addition to any credit extensions and related Incremental Amendment(s) effectuated without the consent of Lenders in accordance with Section 2.14, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Loans and Commitments and the accrued interest and Fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new Loans and Commitments.

In addition, notwithstanding the foregoing, the Administrative Agent, the Collateral Agent, the relevant L/C Issuer(s) and the relevant Credit Parties may amend, supplement or modify any provision of Section 3 (or any defined term as used in such Section 3, or any underlying definition thereto as used in Section 3, or any underlying definition thereto as used in Section 3) to make technical, ministerial or operational changes (or any other amendments, supplements or modifications which impact such consenting L/C Issuer) without the consent of any Lender so long as such amendments do not adversely affect the Lenders.

In addition, any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders stating that would be required to consent thereto under this Section 13.1 if such Class of Lenders were the only Class of Lenders hereunder at the time.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term B Loans to permit the refinancing of all outstanding Term B Loans of a given Class ("**Refinanced Term B Loans**") with a replacement term loan tranche (" **Replacement Term B Loans**") hereunder; provided that (a) except as otherwise permitted hereby, the aggregate principal amount of such

Replacement Term B Loans shall not exceed the aggregate principal amount of such Refinanced Term B Loans plus (i) an amount equal to all accrued but unpaid interest, fees, premium, and expenses incurred in connection therewith (including original issue discount, upfront fees and similar items) and (ii) unused commitment amounts, (b) the Weighted Average Life to Maturity of such Replacement Term B Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term B Loans at the time of such refinancing ((without giving effect to any previous amortization payments or prepayments of the Term B Loans), and (c) the covenants, defaults, guaranties, security and mandatory repayment provisions applicable to such Replacement Term B Loans shall be substantially identical to, or less favorable (taken as a whole) to the Lenders providing such Replacement Term B Loans than those applicable to such Refinanced Term B Loans, except to the extent necessary to provide for covenants and other provisions applicable only to periods after the Latest Maturity Date in effect immediately prior to such refinancing.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term C Loans (as defined below) to permit the refinancing of all outstanding Term C Loans of a given Class ("**Refinanced Term C Loans**") with a replacement term loan tranche ("**Replacement Term C Loans**") hereunder; provided that (a) except as otherwise permitted hereby, the aggregate principal amount of such Replacement Term C Loans shall not exceed the aggregate principal amount of such Refinanced Term C Loans plus (i) an amount equal to all accrued but unpaid interest, fees, premium, and expenses incurred in connection therewith (including original issue discount, upfront fees and similar items) and (ii) unused commitment amounts, (b) the Weighted Average Life to Maturity of such Replacement Term C Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term C Loans at the time of such refinancing (without giving effect to any previous amortization payments or prepayments of the Term C Loans) and (c) the covenants, defaults, guaranties, security and mandatory repayment provisions applicable to such Replacement Term C Loans shall be substantially identical to, or less favorable (taken as a whole) to the Lenders providing such Replacement Term C Loans than those applicable to such Refinanced Term C Loans, except to the extent necessary to provide for covenants and other provisions applicable only to periods after the Latest Maturity Date in effect immediately prior to such refinancing.

In addition, notwithstanding the foregoing, this Agreement and the other Credit Documents may be amended with the written consent of the Administrative Agent, the Borrower, the Term L/C Issuers and the Lenders providing the relevant Replacement Facility to permit the replacement of all outstanding Term C Loans of a given Class ("**Replaced Term C Loans**") or all outstanding Revolving Loans of a given Class ("**Replaced Revolving Loans**") with a replacement revolving credit loan facility (solely, with respect to the Replaced Term C loans, for the purpose of supporting the issuance of letters of credit), or a facility designed to provide the Borrower with access to letters of credit ("**Replacement Facility**") hereunder; provided that (a) except as otherwise permitted hereby, the aggregate amount of such Replacement Facility shall not exceed the aggregate principal amount of such Replaced Term C Loans plus (i) an amount equal to all accrued but unpaid interest, fees, premium, and expenses incurred in connection therewith (including original issue discount, upfront fees and similar items) and (ii) unused commitment amounts, (b) such Replacement Facility does not mature (or require any mandatory commitment reductions) prior to the maturity date of such Replaced Term C Loans or Replaced Revolving Loans, as applicable, and (d) the covenants, defaults, guaranties, security and mandatory repayment provisions applicable to such Replacement Facility shall be substantially identical to, or less (taken as a whole) favorable to the Lenders providing such Replacement Facility than those applicable to such Replaced Term C Loans or Replaced Revolving Loans, except to the extent necessary to provide for covenants and other provisions applicable only to periods after the Latest Maturity Date in effect immediately prior to such refinancing.

The Lenders hereby irrevocably agree that the Liens granted to the Collateral Representative by the Credit Parties on any Collateral shall be automatically released (and the Collateral Agent shall (at the direction of the Administrative Agent) instruct the Collateral Representative to release), subject to the Collateral Trust Agreement, (i) in full, upon the termination of this Agreement and the payment of all Obligations hereunder (except for Hedging Obligations in respect of any Secured CA Hedging Agreement, Cash Management Obligations in respect of Secured CA Cash Management Agreements and contingent obligations in respect of which a claim has not yet been made and Cash Collateralized Letters of Credit), (ii) upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee (in accordance with the following sentence), (vi) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Representative pursuant to the Security Documents and/or (vii) if such assets constitute Excluded Collateral. Any such release shall not in any manner discharge, affect or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. Additionally, the Lenders hereby irrevocably agree that the Subsidiary Guarantors shall be automatically released from the Guarantee upon consummation of any transaction resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary or upon becoming an Excluded Subsidiary; provided that the release of any Guarantor from its obligations under this Agreement, if such Guarantor becomes an Excluded Subsidiary of the type described in clause (b) of the definition thereof, shall only be permitted if such Guarantor becomes an Excluded Subsidiary of such type solely as a result of a permitted transaction with a Person that is not an Affiliate of Borrower (other than to the extent such Person becomes a non-Affiliate of Borrower as a result of such transaction) that is not solely for the purpose of releasing such Guarantor from its Guarantee. The Lenders hereby authorize the Administrative Agent, the Collateral Agent and the Collateral Trustee, as applicable, and the Administrative Agent and the Collateral Agent agree to (and agree to instruct the Collateral Trustee to), execute and deliver any instruments, documents, and agreements necessary or desirable or reasonably requested by the Borrower to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender.

Notwithstanding anything herein to the contrary, the Credit Documents may be amended to (i) add syndication or documentation agents and make customary changes and references related thereto and (ii) if applicable, add or modify "parallel debt" language in any jurisdiction in favor of the Collateral Agent or Collateral Trustee or add Collateral Agents, in each case under clauses (i) and (ii), with the consent of only the Borrower and the Administrative Agent, and in the case of clause (ii), the Collateral Agent.

Notwithstanding anything in this Agreement (including, without limitation, this Section 13.1) or any other Credit Document to the contrary, (i) this Agreement and the other Credit Documents may be amended to effect an incremental facility, refinancing facility or extension facility pursuant to Section 2.14 (and the Administrative Agent and the Borrower may effect (and instruct the Collateral Representative to effect) such amendments to this Agreement and the other Credit Documents without the consent of any other party as may be necessary or appropriate, in the reasonable opinion of the

Administrative Agent and the Borrower, to effect the terms of any such incremental facility, refinancing facility or extension facility); (ii) no Lender consent is required to effect any amendment or supplement to the Collateral Trust Agreement (and the Administrative Agent shall instruct the Collateral Representative to effect such amendment or supplement) or other intercreditor agreement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of the Collateral Trust Agreement or such other intercreditor agreement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the Collateral Trust Agreement or applicable intercreditor agreement as, in the good faith determination of the Administrative Agent in consultation with the Borrower, are required to effectuate the foregoing; provided that such other changes are not adverse, in any material respect, to the interests of the Lenders taken as a whole); provided, further, that no such agreement shall amend, modify or otherwise directly and adversely affect the rights or duties of the Administrative Agent hereunder or under any other Credit Document without the prior written consent of the Administrative Agent; (iii) any provision of this Agreement or any other Credit Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Credit Document) may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent (or, if applicable, the Collateral Representative, at the direction of the Administrative Agent) to (x) cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower) and (y) effect administrative changes of a technical or immaterial nature (as reasonably determined by the Administrative Agent and the Borrower); (iv) guarantees, collateral documents and related documents executed by the Credit Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with any other Credit Document, entered into, amended, supplemented or waived, without the consent of any other Person, by the applicable Credit Party or Credit Parties and the Administrative Agent or the Collateral Agent (at the direction of the Administrative Agent) in its or their respective sole discretion if applicable (or the Collateral Representative, at the direction of the Administrative Agent), (A) to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Bank Parties, (B) as required by local law or advice of counsel to give effect to, or protect any security interest for the benefit of the Secured Bank Parties, in any property or so that the security interests therein comply with applicable requirements of law, (C) to cure ambiguities, omissions, mistakes or defects (as reasonably determined by the Administrative Agent and the Borrower) or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents or (D) to provide for the termination of the Collateral Trust Agreement and related arrangements (including the continuation of the Liens securing the Obligations); (v) the Credit Parties, the Collateral Agent and Collateral Representative, without the consent of any other Secured Bank Party, shall be permitted to enter into amendments and/or supplements to the Collateral Trust Agreement and any Security Documents in order to (i) include customary provisions permitting the Collateral Representative to appoint sub-collateral agents or representatives to act with respect to Collateral matters thereunder in its stead (including the Collateral Agent and sub-collateral agent with control over the Term C Collateral Accounts pursuant to the applicable account control agreements) and (ii) expand the indemnification provisions contained therein to provide that holders of Additional First Lien Debt (as defined in the Collateral Trust Agreement) indemnify the Collateral Agent, in its capacity as Controlling First Lien Representative (as defined in the Collateral Trust Agreement) and/or the Collateral Trustee, on a pro rata basis with the Lenders; and (vi) this Agreement and the other Credit Documents may be amended by the Administrative Agent as set forth in Section 2.10(f) (including to implement any Benchmark Replacement Conforming Changes) without the consent of any other Person.

Notwithstanding anything in this Agreement or any Security Document to the contrary, the Administrative Agent may, in its sole discretion, grant extensions of time (and direct the Collateral Representative to grant such extensions) for the satisfaction of any of the requirements under Sections 9.11, 9.12 and 9.14 or any

Security Documents in respect of any particular Collateral or any particular Subsidiary if it determines that the satisfaction thereof with respect to such Collateral or such Subsidiary cannot be accomplished without undue expense or unreasonable effort or due to factors beyond the control of the Borrower and the Restricted Subsidiaries by the time or times at which it would otherwise be required to be satisfied under this Agreement or any Security Document.

13.2. Notices. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile or other electronic transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to the Borrower, the Administrative Agent, the Collateral Agent, a Revolving L/C Issuer or a Term L/C Issuer, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 13.2 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower, the Administrative Agent, the Collateral Agent, the Revolving L/C Issuer and any Term L/C Issuer.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, three Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; provided that notices and other communications to the Administrative Agent or the Lenders pursuant to Sections 2.3, 2.6, 2.9, 4.2 and 5.1 shall not be effective until received.

13.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent, the Collateral Trustee or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

13.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5. Payment of Expenses; Indemnification. The Borrower agrees, within thirty (30) days after written demand therefor (including documentation reasonably supporting such request), or, in the case of expenses of the type described in clause (a) below incurred prior to the Closing Date, on the Closing Date, (a) to pay or reimburse the Agents and the Joint Lead Arrangers and their permitted successors and assigns for all their reasonable documented and invoiced out-of-pocket costs and expenses incurred (i) in connection with the syndication, preparation, execution, delivery, negotiation and

administration of this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable and documented fees, disbursements and other charges of Cahill Gordon & Reindel LLP, and (ii) upon the occurrence and during the continuation of an Event of Default, in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable documented and invoiced out-of-pocket fees, disbursements and other charges of Advisors (limited, in the case of Advisors, as set forth in the definition thereof), (b) to pay, indemnify, and hold harmless each Lender, the L/C Issuers and each Agent from, any and all recording and filing fees and (c) to pay, indemnify, and hold harmless each Lender, the L/C Issuers and each Agent and their respective Affiliates, directors, officers, partners, employees and agents (other than, in each case, Excluded Affiliates) from and against any and all other liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, including reasonable and documented out-of-pocket fees, disbursements and other charges of Advisors related to the Transactions or, with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Credit Documents and any such other documents, including, any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law (other than by such indemnified person or any of its Related Parties (other than trustees and advisors)) or to any actual or alleged presence, release or threatened release into the environment of Hazardous Materials attributable to the operations of the Borrower, any of the Borrower's Subsidiaries or any of the Real Estate (all the foregoing in this clause (c), collectively, the "**indemnified liabilities**") **(SUBJECT TO THE PROVISO BELOW, WHETHER OR NOT CAUSED BY OR ARISING IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE ORDINARY NEGLIGENCE OF THE INDEMNIFIED PERSON)** ; provided that neither the Borrower nor any other Credit Party shall have any obligation hereunder to any Agent, any L/C Issuer or any Lender or any of their respective Related Parties with respect to indemnified liabilities to the extent they result from (A) the gross negligence, bad faith or willful misconduct of such indemnified Person or any of its Related Parties as determined by a final non-appealable judgment of a court of competent jurisdiction, (B) a material breach of the obligations of such indemnified Person or any of its Related Parties under the Credit Documents as determined by a final non-appealable judgment of a court of competent jurisdiction, (C) disputes not involving an act or omission of the Borrower or any other Credit Party and that is brought by an indemnified Person against any other indemnified Person, other than any claims against any indemnified Person in its capacity or in fulfilling its role as an Agent or any similar role under the Credit Facilities, (D) such indemnified Person's capacity as a financial advisor of the Borrower or its Subsidiaries in connection with the Transactions, (E) such indemnified Person's capacity as a co-investor in any potential acquisition of the Borrower or its Subsidiaries or (F) any settlement effected without the Borrower's prior written consent, but if settled with the Borrower's prior written consent (not to be unreasonably withheld, delayed, conditioned or denied) or if there is a final non-appealable judgment against an indemnified Person in any such proceeding, the Borrower will indemnify and hold harmless such indemnified Person from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this Section 13.5. All amounts payable under this Section 13.5 shall be paid within 30 days of receipt by the Borrower of an invoice relating thereto setting forth such expense in reasonable detail. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder.

No Credit Party nor any indemnified Person or their respective Affiliates or the respective directors, officers, employees, advisors and agents of the foregoing shall have any liability for any special, punitive, indirect or consequential damages resulting from this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (except, in the case of the Borrower's obligation hereunder to indemnify and hold harmless the indemnified Person, to the extent any indemnified Person is found liable for special, punitive, indirect or consequential

damages to a third party). No Credit Party nor any indemnified Person or their respective Affiliates or the respective directors, officers, employees, advisors and agents of the foregoing shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any indemnified Person or any of its Related Parties (as determined by a final non-appealable judgment of a court of competent jurisdiction). This Section 13.5 shall not apply to Taxes.

Each indemnified Person, by its acceptance of the benefits of this Section 13.5, agrees to refund and return any and all amounts paid by the Borrower (or on its behalf) to it if, pursuant to limitations on indemnification set forth in this Section 13.5, such indemnified Person was not entitled to receipt of such amounts.

13.6. Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of a L/C Issuer that issues any Letter of Credit), except that (i) except as expressly permitted by Section 10.3, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of a L/C Issuer that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 13.6), to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders and each other Person entitled to indemnification under Section 12.7) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (b)(ii) and (h) below, any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments (including any Existing Revolving Commitments or Extended Revolving Commitments) and the Loans (including participations in Revolving L/C Obligations) at the time owing to it) with the prior written consent (such consent not be unreasonably withheld or delayed, provided, that, if the Borrower shall have received a request for such consent and has not responded for a period of 15 Business Days, such consent shall be deemed to have been provided; it being understood that, without limitation, the Borrower shall have the right to withhold or delay its consent to any assignment if in order for such assignment to comply with Applicable Law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority) of:

(A) the Borrower; provided that no consent of the Borrower shall be required for an assignment (1) to a Lender (limited in the case of any assignment of Revolving Commitments and Revolving Loans, to a Revolving Lender) or an Affiliate of a Lender (limited in the case of any assignment of Revolving Commitments and Revolving Loans, to an affiliate of a Revolving Lender) or an Approved Fund (other than in respect of an assignment of a Revolving Commitment and Revolving Loans), (2) if a Specified Default

has occurred and is continuing with respect to the Borrower, to any other assignee or (3) such assignment is between Goldman Sachs Bank USA and Goldman Sachs Lending Partners LLC; and

(B) the Administrative Agent, and in the case of Revolving Commitments or Revolving Loans, each Revolving L/C Issuer; provided that no consent of the Administrative Agent shall be required for any assignment of (a) any Term B Loan or Term C Loan to a Lender, an Affiliate of a Lender, an Approved Fund, the Borrower, a Restricted Subsidiary of the Borrower or an Affiliated Parent Company otherwise in accordance with clause (h) below or (b) a Revolving Commitment and Revolving Loans to a Revolving Lender or an Affiliate of a Revolving Lender.

Notwithstanding the foregoing, no such assignment shall be made to (x) a natural person or (y) a Disqualified Institution, and any attempted assignment to a Disqualified Institution after the applicable Person became a Disqualified Institution shall be null and void. For the avoidance of doubt, (i) the Administrative Agent shall have no obligation with respect to, and shall bear no responsibility or liability for, the monitoring or enforcing of the list of Persons who are Disqualified Institutions (or any provisions relating thereto) at any time and (ii) the Administrative Agent may share a list of Persons who are Disqualified Institutions with any Lender upon request.

(ii) Assignments shall be subject to the following additional conditions:

(A) except (i) in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, (ii) an assignment to a Federal Reserve Bank or (iii) in connection with the initial syndication of the Commitments or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent), shall not be less than, (x) in the case of Revolving Loans and Revolving Commitments, $5,000,000 and (y) in the case of Term B Loans and Term C Loans, $1,000,000, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if a Specified Default has occurred and is continuing with respect to the Borrower; provided, further, that contemporaneous assignments to a single assignee made by Affiliates of Lenders and related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee in the amount of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "**Administrative Questionnaire**").

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) of this Section 13.6, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 3.5, 5.4 and 13.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 13.6 (other than attempted assignments or transfers to Disqualified Institutions, which shall be null and void as provided above).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and any payment made by any L/C Issuer under any Letter of Credit owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Further, each Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, the L/C Issuers and any Lender, at any reasonable time and from time to time upon reasonable prior notice; provided, that no Lender shall, in such capacity, have access to, or be otherwise permitted to review any information in the Register other than information with respect to such Lender.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section 13.6 (unless waived) and any written consent to such assignment required by clause (b) of this Section 13.6, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register.

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any L/C Issuer, sell participations to one or more banks or other entities that are not Disqualified Institutions (each, a "**Participant**") (and any such attempted sales to Disqualified Institutions after such Person became a Disqualified Institution shall be null and void) in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments (including any Existing Revolving Commitments or Extended Revolving Commitments) and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other

parties hereto for the performance of such obligations, and (C) the Borrower, the Administrative Agent, the L/C Issuers and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, the Administrative Agent shall have no obligation with respect to, and shall bear no responsibility or liability for, the monitoring or enforcing of the list of Disqualified Institutions Lenders with respect to the sales of participations at any time. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any consent, amendment, modification, supplement or waiver described in clauses (i) or (vii) of the second proviso of the first paragraph of Section 13.1 that directly and adversely affects such Participant. Subject to clause (c)(ii) of this Section 13.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 (it being understood that the documentation required under Section 5.4 shall be delivered to the participating Lender) to the same extent as if it were a Lender, and provided that such Participant agrees to be subject to the requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6. To the extent permitted by Applicable Law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant shall be subject to Section 13.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11, or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld or delayed).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Loans (or other rights or obligations) held by it (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or Section 1.163-5(b) of the United States Proposed Treasury Regulations (or any amended or successor version). This Section is intended such that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 13.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or

assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment or for any other reason, the Borrower hereby agrees that, promptly following the reasonable request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit K-1, K-2, or K-3, evidencing the Revolving Loans, Term B Loans and Term C Loans, respectively, owing to such Lender.

(e) Subject to Section 13.16, the Borrower authorizes each Lender to disclose (other than to any Disqualified Institutions) to any Participant, secured creditor of such Lender or assignee (each, a "**Transferee**"), any prospective Transferee and any prospective direct or indirect contractual counterparties to any swap or derivative transactions to be entered into in connection with or relating to Loans made hereunder any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(g) SPV Lender. Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (a "**SPV**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it shall not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 13.6, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. This

Section 13.6(g) may not be amended without the written consent of the SPV. Notwithstanding anything to the contrary in this Agreement, (x) no SPV shall be entitled to any greater rights under Sections 2.10, 2.11, and 5.4 than its Granting Lender would have been entitled to absent the use of such SPV and (y) each SPV agrees to be subject to the requirements of Sections 2.10, 2.11, and 5.4 (it being understood that the documentation required under Section 5.4 shall be delivered to the Granting Lender) as though it were a Lender and has acquired its interest by assignment pursuant to clause (b) of this Section 13.6.

(h) (x) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term B Loans and Term C Loans to any Affiliated Parent Company, the Borrower or any Subsidiary thereof and (y) any Affiliated Parent Company, the Borrower and any Subsidiary may, from time to time, purchase or prepay Term B Loans and Term C Loans, in each case, on a non *pro rata* basis through (1) Dutch auction procedures open to all applicable Lenders on a *pro rata* basis in accordance with customary procedures to be mutually agreed between the Borrower and the Auction Agent or (2) open market purchases; provided that:

(i) any Loans or Commitments acquired by the Borrower or any Restricted Subsidiary shall be retired and cancelled promptly upon acquisition thereof;

(ii) no assignment of Term B Loans or Term C Loans to the Borrower or any Restricted Subsidiary (x) may be purchased with the proceeds of any Revolving Loans or (y) may occur while an Event of Default has occurred and is continuing hereunder;

(iii) in connection with each assignment pursuant to this Section 13.6(h), none of any Affiliated Parent Company, the Borrower or any Subsidiary purchasing any Lender's Term B Loans or Term C Loans shall be required to make a representation that it is not in possession of MNPI with respect to the Borrower and its Subsidiaries or their respective securities, and all parties to such transaction may render customary "big boy" letters to each other (or to the Auction Agent, if applicable);

(iv) (A) the aggregate outstanding principal amount of the Term B Loans or Term C Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of such Term B Loans or Term C Loans acquired by, or contributed to, any Affiliated Parent Company, the Borrower or such Subsidiary and (B) any scheduled principal repayment installments with respect to the Term B Loans or Term C Loans of such Class occurring pursuant to Sections 2.5(b) and (c), as applicable, prior to the final maturity date for Term B Loans or Term C Loans of such Class, shall be reduced *pro rata* by the par value of the aggregate principal amount of Term B Loans so purchased or contributed (and subsequently cancelled and retired), with such reduction being applied solely to the remaining Term B Loans or Term C Loans of the Lenders which sold or contributed such Term B Loans or Term C Loans;

(v) no Affiliated Lender shall have any right to (x) attend or participate in (including, in each case, by telephone) any meeting (including "Lender only" meetings) or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower are not then present or invited thereto, (y) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders or any other material which is "Lender only", except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other

administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or receive any advice of counsel to the Administrative Agent or (z) make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender;

(vi) except with respect to any amendment, modification, waiver, consent or other action (a) that pursuant to Section 13.1 requires the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (b) that alters the applicable Affiliated Lender's *pro rata* share of any payments given to all Lenders, or (c) affects the applicable Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by the applicable Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and, in the case of a plan of reorganization that does not affect the applicable Affiliated Lender in a manner that is adverse to such Affiliated Lender relative to other Lenders, such Affiliated Lender shall be deemed to have voted its interest in the Term B Loans and Term C Loans in the same proportion as the other Lenders in the same Class) (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph) (but, in any event, in connection with any amendment, modification, waiver, consent or other action, shall be entitled to any consent fee, calculated as if all of the applicable Affiliated Lender's Term B Loans and Term C Loans had voted in favor of any matter for which a consent fee or similar payment is offered); and

(vii) no such acquisition by an Affiliated Lender shall be permitted if, after giving effect to such acquisition, the aggregate principal amount of Term B Loans or Term C Loans of any Class held by Affiliated Lenders would exceed 25% of the aggregate principal amount of all Term B Loans or Term C Loans, as applicable, of such Class outstanding at the time of such purchase; provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of the applicable Loans held by Affiliated Lenders exceeding such 25% threshold at the time of such purchase, the purchase of such excess amount will be void *ab* initio.

Each Lender that sells its Term B Loans or Term C Loans pursuant to this Section 13.6 acknowledges and agrees that (i) the Borrower and its Subsidiaries may come into possession of additional information regarding the Loans or the Credit Parties at any time after a repurchase has been consummated pursuant to an auction or open market purchase hereunder that was not known to such Lender at the time such repurchase was consummated and may be information that would have been material to such Lender's decision to enter into an assignment of such Term B Loans or Term C Loans hereunder ("**Excluded Information**"), (ii) such Lender will independently make its own analysis and determination to enter into an assignment of its Loans and to consummate the transactions contemplated by an auction notwithstanding such Lender's lack of knowledge of Excluded Information and (iii) none of the direct or indirect equityholders of the Borrower or any of its respective Affiliates, or any other Person, shall have any liability to such Lender with respect to the nondisclosure of the Excluded Information.

13.7. Replacements of Lenders under Certain Circumstances.

(a) The Borrower shall be permitted to (x) to replace any Lender with a replacement bank or other financial institution or (y) terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in the case of a Lender (other than a L/C Issuer), repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of a L/C Issuer only, repay all Obligations of the Borrower owing to such L/C Issuer relating to the Loans and participations held by the L/C

Issuer as of such termination date and cancel or Cash Collateralize any Letters of Credit issued by it, in each case, that (a) requests reimbursement for amounts owing pursuant to Section 2.10, 3.5 or 5.4, (b) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken, (c) becomes a Defaulting Lender or (d) refuses to make an Extension Election pursuant to Section 2.15; provided that, solely in the case of the foregoing clause (x), (i) no Specified Default shall have occurred and be continuing at the time of such replacement, (ii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts (other than any disputed amounts), pursuant to Section 2.10, 2.11, 3.5 or 5.4, as the case may be) owing to such replaced Lender prior to the date of replacement, (iii) the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent (solely to the extent such consent would be required under Section 13.6), (iv) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein unless otherwise agreed) and (v) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "**Non-Consenting Lender**") has failed to consent to a proposed amendment, modification, supplement, waiver, discharge or termination that pursuant to the terms of Section 13.1 requires the consent of either (i) all of the Lenders of the applicable Class or Classes directly and adversely affected or (ii) all of the Lenders of the applicable Class or Classes, and, in each case, with respect to which the Required Lenders (or Required Revolving Lenders, Required Term B Lenders or Lenders holding the majority of outstanding loans or commitments in respect of the applicable Class or Classes, as applicable) or a majority (in principal amount) of the directly and adversely affected Lenders shall, in each such case, have granted their consent, then provided no Event of Default then exists, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to (x) replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans and its Commitments hereunder (in respect of any applicable Class only, at the election of the Borrower) to one or more assignees reasonably acceptable to the Administrative Agent (to the extent such consent would be required under Section 13.6) or (y) terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in the case of a Lender (other than the L/C Issuer), repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of the L/C Issuer only, repay all Obligations of the Borrower owing to such L/C Issuer relating to the Loans and participations held by the L/C Issuer as of such termination date and cancel or Cash Collateralize any Letters of Credit issued by it; provided that: (a) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. In connection with any such assignment, the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6; provided, however, that if such Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance reflecting such assignment, then (i) the failure of such Non-Consenting Lender to execute an Assignment and Acceptance shall not render such assignment invalid and such assignment shall be deemed effective upon satisfaction of the other applicable conditions of Section 13.6 and this Section 13.7(b) and (ii) the Administrative Agent shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance on behalf of such Non-Consenting Lender and may record such assignment in the Register. Each

Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Lender's attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, to take any action and to execute any Assignment and Acceptance or other instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 13.7(b).

(c) If any assignment or participation under Section 13.6 is made to any Disqualified Institution without the Borrower's prior written consent, such assignment or participation shall be void. Nothing in this Section 13.7(c) shall be deemed to prejudice any right or remedy that the Borrower may otherwise have at law or at equity.

13.8. Adjustments; Set-off.

(a) Except as contemplated in Section 13.6 or elsewhere herein or in any other Credit Document, if any Lender (a "**Benefited Lender**") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), in a greater proportion than any such payment to or Collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by Applicable Law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by Applicable Law but with the prior written consent of the Administrative Agent, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust, tax, fiduciary, employee health and benefits, pension, 401(k) and petty cash accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

13.9. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent. This Agreement, any Credit Document and each Communication, including Communications required to be in writing, may be in the form of an Electronic Record (as defined below) and may be executed using Electronic Signatures (as defined below). Each of the Credit Parties and each of the Secured Parties agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original

signature, and that any Communication entered into by Electronic Signature will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Secured Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is not under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by such Person pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Secured Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Credit Party and/or any Secured Party without further verification and (ii) upon the request of the Administrative Agent or any Secured Party, any Electronic Signature shall be promptly followed by a manually executed, original counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

13.10. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.11. INTEGRATION. THIS WRITTEN AGREEMENT AND THE OTHER CREDIT DOCUMENTS REPRESENT THE FINAL AGREEMENT OF PARENT, THE BORROWER, THE COLLATERAL AGENT, THE ADMINISTRATIVE AGENT, THE L/C ISSUERS AND THE LENDERS WITH RESPECT TO THE SUBJECT MATTER HEREOF, AND (1) THERE ARE NO PROMISES, UNDERTAKINGS, REPRESENTATIONS OR WARRANTIES BY THE BORROWER, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, THE L/C ISSUERS OR ANY LENDER RELATIVE TO SUBJECT MATTER HEREOF NOT EXPRESSLY SET FORTH OR REFERRED TO HEREIN OR IN THE OTHER CREDIT DOCUMENTS, (2) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES AND (3) THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES; PROVIDED THAT THE SYNDICATION PROVISIONS AND THE BORROWER'S CONFIDENTIALITY OBLIGATIONS IN THE ENGAGEMENT AND COMMITMENT LETTER SHALL REMAIN IN FULL FORCE AND EFFECT. IT IS SPECIFICALLY AGREED THAT THE PROVISION OF THE CREDIT FACILITIES HEREUNDER BY THE LENDERS SUPERSEDES AND IS IN SATISFACTION OF THE OBLIGATIONS OF THE AGENTS (AS DEFINED IN THE ENGAGEMENT AND COMMITMENT LETTER) TO PROVIDE THE COMMITMENTS SET FORTH IN THE ENGAGEMENT AND COMMITMENT LETTER.

13.12. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (WHETHER IN TORT, CONTRACT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY).

13.13. Submission to Jurisdiction; Waivers. Each party hereto irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, in each case, in the City of New York, Borough of Manhattan and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 13.2 at such other address of which the Administrative Agent shall have been notified pursuant to Section 13.2;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction;

(e) subject to the last paragraph of Section 13.5, waives, to the maximum extent not prohibited by Applicable Law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.13 any special, exemplary, punitive or consequential damages; and

(f) agrees that a final judgment in any action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law.

13.14. Acknowledgments. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Borrower, on the one hand, and the Administrative Agent, the L/C Issuer, the Lenders, the Joint Lead Arrangers and the other Agents on the other hand, and the Borrower and the other Credit Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each of the Administrative Agent, the Joint Lead Arrangers and the other Agents, is and has been acting solely as a principal and is not the financial advisor,

agent or fiduciary for any of the Borrower, any other Credit Parties or any of their respective Affiliates, stockholders, creditors or employees or any other Person; (iii) neither the Administrative Agent nor any other Agent has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower or any other Credit Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent or any other Agent has advised or is currently advising the Borrower, the other Credit Parties or their respective Affiliates on other matters) and neither the Administrative Agent or other Agent has any obligation to the Borrower, the other Credit Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents; (iv) the Administrative Agent, each other Agent and each Affiliate of the foregoing may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any other Agent has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) neither the Administrative Agent nor any other Agent has provided and none will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. The Borrower agrees not to claim that the Administrative Agent or any other Agent has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower or any other Affiliates, in connection with the transactions contemplated hereby or the process leading hereto.

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or the Borrower, on the one hand, and any Lender, on the other hand.

13.15. WAIVERS OF JURY TRIAL . THE BORROWER, EACH AGENT AND EACH LENDER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

13.16. Confidentiality. The Administrative Agent, each L/C Issuer, each other Agent and each Lender shall hold all non-public information furnished by or on behalf of the Borrower or any Subsidiary of the Borrower in connection with such Lender's evaluation of whether to become a Lender hereunder or obtained by such Lender, the Administrative Agent, L/C Issuer or such other Agent pursuant to the requirements of this Agreement or in connection with any amendment, supplement, modification or waiver or proposed amendment, supplement, modification or waiver hereto (including any Extension Amendment) or the other Credit Documents ("**Confidential Information**"), confidential; provided that the Administrative Agent, each L/C Issuer, each other Agent and each Lender may make disclosure (a) as required by the order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, or otherwise as required by Applicable Law, regulation or compulsory legal process (in which case such Lender, the Administrative Agent, L/C Issuer or such other Agent shall use commercially reasonable efforts to inform the Borrower promptly thereof to the extent lawfully permitted to do so (except with respect to any audit or examination conducted by bank accountants or any self-regulatory authority or governmental or regulatory authority exercising examination or regulatory authority)), (b) to such Lender's or the Administrative Agent's or such L/C Issuer's or such other Agent's attorneys, professional advisors, independent auditors, trustees or Affiliates involved in the Transactions

(other than Excluded Affiliates) on a "need to know" basis and who are made aware of and agree to comply with the provisions of this Section 13.16, in each case on a confidential basis (with such Lender, the Administrative Agent, L/C Issuer or such other Agent responsible for such persons' compliance with this Section 13.16), (c) to any bona fide investor or prospective bona investor in a Securitization that agrees its access to information regarding the Credit Parties, the Loans and the Credit Documents is solely for purposes of evaluating an investment in a Securitization and who agrees to treat such information as confidential in accordance with this Section 13.16, (d) on a confidential basis to any bona fide prospective Lender, prospective participant, swap counterparty or other counterparty party to another transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder (in each case, other than a Disqualified Institution or a Person who the Borrower has affirmatively denied assignment thereto in accordance with Section 13.6), (e) to the extent requested by any bank regulatory authority having jurisdiction over a Lender or its Affiliates (including in any audit or examination conducted by bank accountants or any self-regulatory authority or governmental or regulatory authority exercising examination or regulatory authority), (f) to a trustee, collateral manager, servicer, backup servicer, noteholder or secured party in connection with the administration, servicing and reporting on the assets serving as collateral for a Securitization and who agrees to treat such information as confidential, (g) to a nationally recognized ratings agency that requires access to information regarding the Credit Parties, the Loans and Credit Documents in connection with ratings issued with respect to a Securitization, (h) to any other party hereto, (i) in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (j) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Revolving Credit Facility, (k) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 13.16, or (y) becomes available to the Administrative Agent, any Lender, any L/C Issuer or any of their respective branches or Affiliates on a nonconfidential basis from a source other than the Borrower who did not acquire such information as a result of a breach of this Section 13.16, (l) to the extent required by a potential or actual insurer or reinsurer in connection with providing insurance, reinsurance or credit risk mitigation coverage under which payments are to be made or may be made by reference to this Agreement or (m) as consented by the Borrower in writing. In addition, the Administrative Agent, the L/C Issuers and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent or any L/C Issuer or Lender in connection with the administration of this Agreement, the other Credit Documents and the Commitments. In addition, the Administrative Agent, each L/C Issuer, each other Agent and each Lender may disclose the existence of and information about this Agreement as part of a "case study" incorporated into promotional materials. Each Lender, the Administrative Agent, each other L/C Issuer and each other Agent agrees that it will not provide to prospective Transferees or to any pledgee referred to in Section 13.6 or to prospective direct, indirect contractual counterparties or other counterparty to any swap, derivative transactions or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder any of the Confidential Information unless such Person is advised of and agrees to be bound by the provisions of this Section 13.16 or confidentiality provisions at least as restrictive as those set forth in this Section 13.16.

13.17. Direct Website Communications.

(a) The Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that they are obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, Borrowing or

other extension of credit (including any election of an interest rate or Interest Period relating thereto), (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any Default or Event of Default under this Agreement, or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at the electronic mail address specified for the Administrative Agent in Schedule 13.2 (or such other electronic mail address provided by the Administrative Agent); provided that: (i) upon written request by the Administrative Agent or the Borrower shall deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 13.17 shall prejudice the right of the Borrower, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

(b) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(c) The Borrower further agrees that the Agents and the Joint Lead Arrangers may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "**Platform**"), so long as the access to such Platform is limited (i) to the Agents, the Joint Lead Arrangers, the L/C Issuers, the Lenders or any bona fide potential Transferee and (ii) remains subject the confidentiality requirements set forth in Section 13.16.

(d) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. In no event shall any Agent or their Related Parties (collectively, the "**Agent Parties**" and each an "**Agent Party**") have any liability to the Borrower, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or

otherwise) arising out of the Borrower's or any Agent's transmission of Communications through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties' (other than trustees or advisors)) gross negligence, bad faith or willful misconduct or material breach of the Credit Documents (as determined in a final non-appealable judgment of a court of competent jurisdiction).

(e) The Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrower, the Subsidiaries of the Borrower or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that the Borrower has indicated contains only publicly available information with respect to the Borrower and the Subsidiaries of the Borrower and their securities may be posted on that portion of the Platform designated for such public-side Lenders. If the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to the Borrower, the Subsidiaries of the Borrower and their securities. Notwithstanding the foregoing, the Borrower shall use commercially reasonable efforts to indicate whether any document or notice contains only publicly available information.

13.18. USA PATRIOT Act . Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the " **Patriot Act**") and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender to identify each Credit Party in accordance with the Patriot Act and the Beneficial Ownership Regulation.

13.19. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

13.20. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or other Obligation owing under this Agreement, together with all fees, charges and other amounts that are treated as interest on such Loan or other Obligation under Applicable Law (collectively, "charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender or other Person holding such Loan or other Obligation in accordance with Applicable Law, the rate of interest payable in respect of such Loan or other Obligation hereunder, together with all charges payable in respect thereof, shall be limited to the Maximum Rate. To the extent lawful, the interest and charges that would have been paid in respect of such Loan or other Obligation but were not paid as a result of the operation of this Section 13.20 shall be cumulated and the interest

and charges payable to such Lender or other Person in respect of other Loans or Obligations or periods shall be increased (but not above the amount collectible at the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate for each day to the date of repayment, shall have been received by such Lender or other Person. Any amount collected by such Lender or other Person that exceeds the maximum amount collectible at the Maximum Rate shall be applied to the reduction of the principal balance of such Loan or other Obligation or refunded to the Borrower so that at no time shall the interest and charges paid or payable in respect of such Loan or other Obligation exceed the maximum amount collectible at the Maximum Rate.

13.21. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Guarantee in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 13.21, or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Each Qualified ECP Guarantor intends that this Section 13.21 constitute, and this Section 13.21 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

13.22. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

13.23. Acknowledgement Regarding Any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for any Secured CA Hedging Agreement or any other agreement or instrument that is a QFC (as defined below) (such support, "***QFC Credit Support***", and each such QFC, a "***Supported QFC***"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act

(together with the regulations promulgated thereunder, the "***U.S. Special Resolution Regimes***") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity (as defined below) that is party to a Supported QFC (each, a "***Covered Party***") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate (as defined below) of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights (as defined below) under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 13.23, the following terms have the following meanings:

"***BHC Act Affiliate***" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"***Covered Entity***" shall mean any of the following: (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"***Default Right***" shall have the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"*QFC*" shall have the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

d. agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction;

For the avoidance of doubt, if the Borrower has made an LCT Election and, following the LCT Test Date, any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date could have failed to have been satisfied as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated Adjusted EBITDA, Consolidated Interest Expense or Consolidated Total Assets following the LCT Test Date but at or prior to the consummation of the relevant Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have failed to have been satisfied as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any event or transaction occurring after the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, repurchase, defeasance, satisfaction and discharge or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction (a "**Subsequent Transaction**") in connection with which a ratio, test or basket availability calculation must be made on a Pro Forma Basis or giving Pro Forma Effect to such Subsequent Transaction, for purposes of determining whether such ratio, test or basket availability has been complied with under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated.

Upon the occurrence of a Benchmark Transition Event, Section 2.10(f) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to (a) the continuation of, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability or (b) the effect, implementation or

composition of any Benchmark Replacement Conforming Changes. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

1.14. Divisions. For all purposes under the Credit Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Stock at such time.

1.15. Compliance with Certain Sections. Notwithstanding anything in this Agreement or any Credit Document to the contrary herein, with respect to any amounts incurred (including any baskets, thresholds, exceptions and any related builder or grower component) or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (any such amounts, the "**Fixed Amounts**") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with any such financial ratio or test (any such amounts, the "**Incurrence-Based Amounts**"), it is understood and agreed that any Fixed Amount (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the relevant Incurrence-Based Amount in connection with such substantially concurrent incurrence and amounts incurred, or transactions entered into or consummated, in reliance on a Fixed Amount (including clause (1)(x) of the definition of Maximum Incremental Facilities Amount) in a concurrent transaction, a single transaction or a series of related transactions with the amount incurred, or transaction entered into or consummated, under the applicable Incurrence-Based Amount, shall not be given effect in calculating the applicable Incurrence-Based Amount (but giving pro forma effect to all applicable and related transactions (including the use of proceeds of all Indebtedness to be incurred and any repayments, repurchases and redemptions of Indebtedness) and all other Pro Forma Adjustments).

SECTION 2. Amount and Terms of Credit

2.1. Commitments.

(a) Subject to and upon the terms and conditions set forth in this Agreement, each Term B Lender holding an Initial Term B Commitment severally and not jointly agrees to make, on the Closing Date, an Initial Term B Loan to the Borrower in Dollars in an amount equal to such Lender's Initial Term B Commitment ~~(each, an "**Initial Term B Loan**" and, collectively, the "**Initial Term B Loans**")~~. Each Lender's Initial Term B Commitment shall terminate immediately and without further action on the Closing Date after giving effect to the funding of such Lender's Initial Term B Commitment on such date. The Initial Term B Loans shall be made on the Closing Date and may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid may not be reborrowed. The Initial Term B Loans may be ABR Loans or Term SOFR Loans as further provided herein.

(b) Subject to and upon the terms and conditions set forth in this Agreement, each Term C Lender holding Initial Term C Commitments severally and not jointly agrees to make, on the Closing Date, an Initial Term C Loan to the Borrower in Dollars in an amount equal to such Lender's Initial Term C Commitment (each, an "**Initial Term C Loan**" and, collectively, the "**Initial Term C Loans**"). Each Lender's Initial Term C Commitment shall terminate immediately and without further action on the Closing Date after giving effect to the funding of such Lender's Initial Term C Commitment on such date. The Initial Term C Loans shall be made on the Closing Date and may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid may not be reborrowed. The Initial Term C Loans may be ABR Loans or Term SOFR Loans as further provided herein.

(c) (i) Subject to and upon the terms and conditions set forth in this Agreement, each Revolving Lender having a Revolving Commitment severally and not jointly agrees to make Revolving Loans in Dollars to the Borrower in an amount equal to such Lender's Revolving Commitment (each, an "**Initial Revolving Loan**" and, collectively, the "**Initial Revolving Loans**").

(ii) Such Revolving Loans (A) shall be made at any time and from time to time on and after the Closing Date and prior to the Revolving Credit Maturity Date, (B) may, at the option of the Borrower, be incurred and maintained as, and/or converted into, ABR Loans or Term SOFR Loans, as applicable; provided that all Revolving Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Revolving Loans of the same Type, (C) may be repaid and reborrowed in accordance with the provisions hereof, (D) shall not, for any Lender at any time with respect to any Class of Revolving Loans, after giving effect thereto and to the application of the proceeds thereof, result in such Lender's Revolving Credit Exposure with respect to such Class at such time exceeding such Lender's Revolving Commitment with respect to such Class at such time, and (E) shall not, after giving effect thereto and to the application of the proceeds thereof, result at any time in the aggregate amount of the Lenders' Revolving Credit Exposures at such time exceeding the Total Revolving Commitment then in effect.

2.2. Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of Loans shall be in a minimum amount of at least the Minimum Borrowing Amount for such Type of Loans and in a multiple of $1,000,000 in excess thereof (except borrowings to reimburse Unpaid Drawings under Revolving Letters of Credit). More than one Borrowing may be incurred on any date; provided that at no time shall there be outstanding more than (a) 25 Borrowings of Revolving Loans, and (b)(i) 13 Borrowings of Term B Loans that are Term SOFR Loans, (ii) 13 Borrowings of Term C Loans that are Term SOFR Loans and (iii) up to an additional three Borrowings in respect of each Incremental Facility, in each case, under this Agreement. For the avoidance of doubt, unless otherwise determined by the Borrower, all Loans of the same Class and subject to the same Interest Period will constitute one Borrowing.

2.3. Notice of Borrowing; Determination of Class of Loans.

(a) Whenever the Borrower desires to incur Revolving Credit Loans (other than borrowings to reimburse Unpaid Drawings under Revolving Letters of Credit), the Borrower shall give a prior written notice (or a telephonic notice promptly confirmed in writing) of such proposed Borrowing to the Administrative Agent at the Administrative Agent's Office, (i) in the case of each Borrowing of Revolving Credit Loans if all or any of such Revolving Credit Loans are to initially be Term SOFR Loans, prior to 2:00 p.m. at least three (3) U.S. Government Securities Business Days prior to such proposed Borrowing (or such shorter time as may be acceptable to the Administrative Agent in its reasonable discretion) and (ii) in the case of each Borrowing of Revolving Credit Loans if all or any of such Revolving Credit Loans are to initially be ABR Loans, prior to 1:00 p.m. on the date of such proposed Borrowing. Each such Notice of Borrowing shall specify (i) the aggregate principal amount of the Revolving Credit Loans to be made pursuant to such Borrowing, (ii) the date of the Borrowing (which shall be a Business Day), and (iii) whether the Borrowing shall consist of ABR Loans and/or Term SOFR Loans and, if Term SOFR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Revolving Credit Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Revolving Credit Loans, of such Lender's Revolving Credit Commitment Percentage thereof and of the other matters covered by the related Notice of Borrowing.

(b) Borrowings of Revolving Loans to reimburse Unpaid Drawings under Revolving Letters of Credit shall be made upon the notice specified in Section 3.4(a).

(c) Without in any way limiting the obligation of the Borrower to confirm in writing any notice it may give hereunder by telephone, the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower.

(d) The Borrower shall give to the Administrative Agent at the Administrative Agent's Office prior written notice of the Borrowing of the Initial Term B Loans and/or the Initial Term C Loans no later than 2:00 p.m. at least three U.S. Government Securities Business Days prior to the Closing Date (or such shorter time as may be acceptable to the Administrative Agent in its reasonable discretion). Such Notice of Borrowing shall specify (i) the aggregate

principal amount of the Initial Term B Loans and/or Initial Term C Loans to be made, (ii) the date of the Borrowing (which shall be a Business Day), and (iii) whether the Borrowing shall consist of ABR Loans and/or Term SOFR Loans and, if Term SOFR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Initial Term B Lender and/or Initial Term C Lender written notice (or telephonic notice promptly confirmed in writing) of such proposed Borrowing of Initial Term B Loans and/or Initial Term C Loans and of the other matters covered by the related Notice of Borrowing.

2.4. Disbursement of Funds.

(a) No later than 2:00 p.m. on the date specified in each Notice of Borrowing (including Borrowings of Revolving Loans to reimburse Unpaid Drawings under Revolving Letters of Credit), each Lender will make available its *pro rata* portion, if any, of each Borrowing requested to be made on such date in the manner provided below.

(b) Each Lender shall make available all amounts required under any Borrowing for its applicable Commitments in immediately available funds to the Administrative Agent at the Administrative Agent's Office in Dollars, and the Administrative Agent will (except in the case of Borrowings of Revolving Loans to reimburse Unpaid Drawings under Revolving Letters of Credit) make available to the Borrower, by depositing to an account designated by the Borrower to the Administrative Agent the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available such amount to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower in writing and the Borrower shall immediately pay such corresponding amount to the Administrative Agent in Dollars. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate *per annum* equal to (i) if paid by such Lender, the Overnight Rate or (ii) if paid by the Borrower, the then-applicable rate of interest or fees, calculated in accordance with Section 2.8, for Loans of the applicable Class.

(c) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood,

however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5. Repayment of Loans; Evidence of Debt.

(a) The Borrower shall repay to the Administrative Agent, for the benefit of the applicable Lenders, on the applicable Maturity Date, (i) the then outstanding Term B Loans and Term C Loans and (ii) the then outstanding Revolving Loans. Upon the repayment of the then outstanding Term C Loans on the applicable Maturity Date, the Term L/C Commitment shall be reduced by an amount equal to the portion of such repayment constituting principal as provided in Section 4.3(b) and the Borrower shall be permitted to withdraw an amount up to the amount of such prepayment from the Term C Collateral Account to complete such repayment as, and to the extent, provided in Section 4.3(b).

(b) The Borrower shall repay to the Administrative Agent, in Dollars, for the benefit of the Lenders of the Initial Term B Loans~~,~~ (including, for the avoidance of doubt, the 2023-1 Incremental Term B Loans), on the last Business Day of each March, June, September and December commencing September 30, 2023, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Initial Term B Loans (including, for the avoidance of doubt, the 2023-1 Incremental Term B Loans) outstanding on the ~~Closing~~Amendment No. 1 Effective Date (each such repayment amount, an "**Initial Term B Repayment Amount**"), which payments shall be reduced as a result of prepayments of the Initial Term B Loans (including, for the avoidance of doubt, the 2023-1 Incremental Term B Loans) in accordance with this Agreement, including Sections 5.1, ~~5.2~~5.2 and ~~13.6(h)~~13.6(h).

(c) In the event any Incremental Term B Loans are made after the Closing Date, such Incremental Term B Loans shall be repaid in amounts (each, an "**Incremental Term B Repayment Amount**") and on dates as agreed between the Borrower and the relevant Lenders of such Incremental Term B Loans, subject to the requirements set forth in Section 2.14. In the event that any Extended Term B Loans are established, such Extended Term B Loans shall, subject to Section 2.15, be repaid by the Borrower in the amounts (each, an "**Extended Term B Repayment Amount**") and on the dates set forth in the applicable Extension Amendment. In the event any Extended Revolving Commitments are established, such Extended Revolving Commitments shall, subject to Section 2.15, be terminated (and all Extended Revolving Loans of the same Extension Series repaid) on the dates set forth in the applicable Extension Amendment. In the event that any Refinancing Term B Loans are established, such Refinancing Term B Loans shall, subject to Section 2.15, be repaid by the Borrower in the amounts (each, a "**Refinancing Term B Repayment Amount**") and on the dates set forth in the applicable Refinancing Amendment. In the event that any Replacement Term B Loans are established, such Replacement Term Loans shall, subject to Section 13.1, be repaid by the Borrower in the amounts (each, a "**Replacement Term B Repayment Amount**") and on the dates set forth in the applicable amendment to this Agreement in respect of such Replacement Term B Loans.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from

time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(e) The Administrative Agent shall maintain the Register pursuant to Section 13.6(b), and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is a Term B Loan, a Term C Loan or a Revolving Loan, as applicable, and, if applicable, the relevant tranche thereof and the Type of each Loan made and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof, and (iv) any cancellation or retirement of Loans as contemplated by Section 13.6(h)(iv).

(f) The entries made in the Register and accounts and subaccounts maintained pursuant to clauses (d) and (e) of this Section 2.5 shall, to the extent permitted by Applicable Law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement. For the avoidance of doubt, to the extent any conflict arises between accounts and subaccounts maintained pursuant to Section 2.5(d) and the Register, the Register shall control.

2.6. Conversions and Continuations.

(a) Subject to the penultimate sentence of this clause (a), (x) the Borrower shall have the option, on any Business Day, to convert all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of any Term B Loans, any Term C Loans or any Revolving Credit Loans of one Type into a Borrowing or Borrowings of another Type and (y) the Borrower shall have the option, on any Business Day, to continue the outstanding principal amount of any Term SOFR Loans as Term SOFR Loans for an additional Interest Period (it being understood and agreed that any Borrowing of Revolving Credit Loans comprised of Term SOFR Loans shall be subject to a single Interest Period); provided that (i) no partial conversion of Term SOFR Loans shall reduce the outstanding principal amount of Term SOFR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into Term SOFR Loans if a Payment Default or Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) Term SOFR Loans may not be continued as Term SOFR Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Required Lenders have determined, in their sole discretion, not to permit such continuation, and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent prior written notice (or telephonic notice promptly confirmed in writing) (each, a "**Notice of Conversion or Continuation**") at the Administrative

Agent's Office prior to 1:00 p.m. at least (i) three Business Days' prior to a continuation of, or conversion to, Term SOFR Loans or (ii) one Business Day prior to a conversion into ABR Loans, in each case specifying the Loans to be so converted or continued, the Type of Loans to be converted into or continued and, if such Loans are to be converted into, or continued as Term SOFR Loans, the Interest Period to be initially applicable thereto (if no Interest Period is selected, the Borrower shall be deemed to have selected an Interest Period of one month's duration). The Administrative Agent shall give each applicable Lender notice, as promptly as practicable, of any such proposed conversion or continuation affecting any of its Loans.

(b) If any Payment Default or Event of Default is in existence at the time of any proposed continuation of any Term SOFR Loans and the Required Revolving Lenders have determined, in their sole discretion, not to permit such continuation, such Term SOFR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of Term SOFR Loans, the Borrower has failed to elect a new Interest Period to be applicable thereto as provided in clause (a) above, the Borrower shall be deemed to have elected to convert such Borrowing of Term SOFR Loans, into a Borrowing of ABR Loans, effective as of the expiration date of such current Interest Period.

(c) Notwithstanding anything to the contrary herein, the Borrower may deliver a Notice of Conversion or Continuation pursuant to which the Borrower elects to irrevocably continue the outstanding principal amount of any Term B Loans or Term C Loans subject to an interest rate Hedging Agreement as Term SOFR Loans for each Interest Period until the expiration of the term of such applicable Hedging Agreement.

2.7. Pro Rata Borrowings. Each Borrowing of Revolving Loans under this Agreement shall be made by the Lenders *pro rata* on the basis of their then applicable Revolving Commitments without regard to the Class of Revolving Commitments held by such Lender. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender severally but not jointly shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation under any Credit Document.

2.8. Interest.

(a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the Applicable ABR Margin plus the ABR, in each case, in effect from time to time.

(b) The unpaid principal amount of each Term SOFR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate *per annum* that shall at all times be the relevant Applicable Term SOFR Margin plus the Adjusted Term SOFR Rate, in each case, in effect from time to time.

(c) If all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon or any other amount hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), and an Event of Default under Sections 11.1 or 11.5 shall have occurred and be continuing, then, upon the giving of written notice by the Administrative Agent to the Borrower (except in the case of an Event of Default under Section 11.5, for which no notice is required), such overdue amount (other than any such amount owed to a Defaulting Lender) shall bear interest at a rate *per annum* (the "**Default Rate**") that is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto plus 2% or (y) in the case of any overdue interest or other amounts due hereunder, to the extent permitted by Applicable Law, the rate described in Section 2.8(a) plus 2% from the date of written notice to the date on which such amount is paid in full (after as well as before judgment) (or if an Event of Default under Section 11.5 shall have occurred and be continuing, the date of the occurrence of such Event of Default).

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in Dollars; provided that any Loan that is repaid on the same date on which it is made shall bear interest for one day. Except as provided below, interest shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each March, June, September and December, (ii) in respect of each Term SOFR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan, (A) on any prepayment (provided that interest on ABR Loans shall only become due pursuant to this subclause (A) if the aggregate principal amount of the ABR Loans then outstanding is repaid in full), (B) at maturity (whether by acceleration or otherwise) and (C) after such maturity, on demand.

(e) All computations of interest hereunder shall be made in accordance with Section 5.5.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing

of Term SOFR Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

2.9. Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of Term SOFR Loans in accordance with Section 2.3 or 2.6(a), as applicable, the Borrower shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower, a one-, three- or six- month period (or, if available to all applicable Lenders, a period shorter than one month or a ~~twelve - month~~twelve-month period).

Notwithstanding anything to the contrary contained above:

(a) the initial Interest Period for any Borrowing of Term SOFR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(b) if any Interest Period relating to a Borrowing of Term SOFR Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided that if any Interest Period in respect of a Term SOFR Loan would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(d) the Borrower shall not be entitled to elect any Interest Period in respect of any Term SOFR Loan if such Interest Period would extend beyond the applicable Maturity Date of such Loan; and

(e) no tenor that has been removed from this Section 2.9 pursuant to Section 2.10(f) shall be available for specification in the applicable Notice of Borrowing or Notice of Conversion or Continuation.

2.10. Increased Costs, Illegality, Etc.

(a) In the event that (x) in the case of clause (i) below, the Administrative Agent or (y) in the case of clauses (ii) and (iii) below, the Required Lenders shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the Adjusted Term SOFR Rate for any Interest Period, that (x) deposits in the principal amounts and currencies of the Loans comprising the applicable Borrowing are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the interbank SOFR market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of Term SOFR Rate; or

(ii) at any time, that such Lender shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any Term SOFR Loans (other than any increase or reduction attributable to (A) Indemnified Taxes and Taxes indemnifiable under Section 5.4, (B) Other Connection Taxes that are imposed on or measured by net income or that are (however denominated) franchise or branch profits Taxes imposed on

any Agent or Lender or (C) Taxes included under clauses (b) through (d) of the definition of "Excluded Taxes") because of (x) any change since the Closing Date in any Applicable Law (or in the interpretation or administration thereof and including the introduction of any new Applicable Law), such as, for example, without limitation, a change in official reserve requirements, and/or (y) other circumstances affecting the interbank SOFR market or the position of such Lender in such market; or

(iii) at any time, that the making or continuance of any Term SOFR Loans has become unlawful as a result of compliance by such Lender in good faith with any Applicable Law (or would conflict with any such Applicable Law not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Closing Date that materially and adversely affects the interbank SOFR market;

then, and in any such event, such Lender (or the Administrative Agent, in the case of clause (i) above) shall, within a reasonable time thereafter, give notice (if by telephone, confirmed in writing) to the Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, Term SOFR Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion or Continuation given by the Borrower with respect to Term SOFR Loans that have not yet been incurred shall be deemed rescinded by the Borrower, as applicable, (y) in the case of clause (ii) above, the Borrower shall pay to such Lender, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of or a different method of calculating, interest or otherwise, as such Lender in its reasonable discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto) and (z) in the case of subclause (iii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by Applicable Law.

(b) At any time that any Term SOFR Loan is affected by the circumstances described in Section 2.10(a)(ii) or (iii), the Borrower may (and in the case of a Term SOFR Loan affected pursuant to Section 2.10(a)(iii) shall) either (x) if the affected Term SOFR Loan is then being made pursuant to a Borrowing, cancel such Borrowing by giving the Administrative Agent telephonic notice (confirmed promptly in writing) thereof on the same date that the Borrower receives notice from a Lender pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected Term SOFR Loan is then-outstanding, upon at least three Business Days' notice to the Administrative Agent require the affected Lender to convert each such Term SOFR Loan into an ABR Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If, after the Closing Date, any Change in Law relating to capital adequacy or liquidity of any Lender or compliance by any Lender or its parent with any Change in Law relating to capital adequacy or liquidity occurring after the Closing Date, has or would have the effect of reducing the rate of return on such Lender's or its parent's or its Affiliates' capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or any Affiliate thereof could have achieved but for such Change in Law (taking into consideration such Lender's or parent's policies with respect to capital adequacy or liquidity), then from time to time, promptly after written demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or its parent for such reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any Applicable Law as in effect on the Closing Date. Each Lender, upon determining in good faith that any additional amounts are payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower, which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice.

(d) [Reserved].

(e) Notwithstanding the foregoing, no Lender shall demand compensation pursuant to this Section 2.10 if it shall not at the time be the general policy or practice of such Lender to demand such compensation in substantially the same manner as applied to other similarly situated borrowers under comparable syndicated credit facilities.

(f) Alternate Rate of Interest.

(i) [Reserved].

(ii) Notwithstanding anything to the contrary herein or in any other Credit Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Administrative Agent has not received,

by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(iii) Notwithstanding anything to the contrary herein (including in Section 13.1 of this Agreement) or in any other Credit Document, the Administrative Agent will have the right, in consultation with the Borrower, to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(iv) The Administrative Agent will promptly notify the Borrower and the Lenders of (1) any occurrence of a Benchmark Transition Event, (2) the implementation of any Benchmark Replacement, (3) the effectiveness of any Benchmark Replacement Conforming Changes, (4) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (v) below and (5) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.10(f), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 2.10(f).

(v) Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (1) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (a) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (b) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor, and (2) if a tenor that was removed pursuant to clause (1) above either (x) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (y) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(vi) The Borrower may revoke any request for a Borrowing of Term SOFR Loans, or a conversion to or continuation of a Term SOFR Loan to be converted or continued, during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any request for a Borrowing of, conversion to or continuation of Term

SOFR Loans into a request for a Borrowing of or conversion to an ABR Loan. During any Benchmark Unavailability Period, or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term SOFR Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the Term SOFR Rate, then until such time as a Benchmark Replacement is implemented pursuant to this Section 2.10(f), any Term SOFR Loan shall on the last day of the Interest Period applicable to such Term SOFR Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute, an ABR Loan.

2.11. Compensation. If (i) any payment of principal of any Term SOFR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such Term SOFR Loan as a result of a payment or conversion pursuant to Section 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11, or for any other reason, (ii) any Borrowing of Term SOFR Loans is not made as a result of a withdrawn Notice of Borrowing, (iii) any ABR Loan is not converted into a Term SOFR Loan as a result of a withdrawn Notice of Conversion or Continuation, (iv) any Term SOFR Loan is not continued as a Term SOFR Loan as a result of a withdrawn Notice of Conversion or Continuation or (v) any prepayment of principal of any Term SOFR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment or such failure to convert, continue or prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Term SOFR Loan. Notwithstanding the foregoing, no Lender shall demand compensation pursuant to this Section 2.11, if it shall not at the time be the general policy or practice of such Lender to demand such compensation in substantially the same manner as applied to other similarly situated borrowers under comparable syndicated credit facilities.

2.12. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a)(ii), 2.10(a)(iii), 2.10(b), 3.5 or 5.4 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on terms that do not cause such Lender or its lending office to suffer economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Section 2.10, 3.5 or 5.4.

2.13. Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10, 2.11, 3.5 or 5.4 is given by any

Lender more than 180 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Section 2.10, 2.11, 3.5 or 5.4, as the case may be, for any such amounts incurred or accruing prior to the 181st day prior to the giving of such notice to the Borrower.

2.14. Incremental Facilities.

(a) The Borrower may by written notice to the Administrative Agent elect to request the establishment of one or more (x) additional term loans, which may be of the same Class as any then-existing Term B Loans (a "**Term B Increase**") or a separate Class of Term B Loans (the commitments for additional term loans of the same Class or a separate Class, collectively, the "**Incremental Term B Commitments**"), (y) additional term letter of credit loans, which may be of the same Class as any then-existing Term C Loans (a "**Term C Increase**") or a separate Class of Term C Loans (the commitments for additional term loans of the same Class or a separate Class, collectively, the "**Incremental Term C Commitments**") and/or (z) revolving credit commitments, which may be of the same Class as any then-existing Revolving Commitments (the commitments thereto, the "**Additional Revolving Commitments**") or a separate Class of Revolving Commitments (the commitments thereto, the "**New Revolving Commitments**" and, together with the Additional Revolving Commitments, the "**Incremental Revolving Commitments**"; together with the Incremental Term B Commitments and the Incremental Term C Commitments, the "**Incremental Commitments**"), by an aggregate principal amount, when combined with the aggregate principal amount of all Permitted Other Debt incurred in reliance on Sections 10.1(y)(iii) and (iv) (solely to the extent of refinancing Indebtedness incurred in reliance on clause (iii) of Section 10.(y)), not in excess of the Maximum Incremental Facilities Amount at the time of incurrence thereof and not less than $10,000,000 individually (or such lesser amount as (x) may be approved by the Administrative Agent or (y) shall constitute the Maximum Incremental Facilities Amount at such time). Each such notice shall specify the date (each, an "**Increased Amount Date**") on which the Borrower proposes that the Incremental Commitments shall be effective. The Borrower may approach any Lender or any Person (other than a natural Person) to provide all or a portion of the Incremental Commitments; provided that any Lender offered or approached to provide all or a portion of the Incremental Commitments may elect or decline, in its sole discretion, to provide an Incremental Commitment, and the Borrower shall have no obligation to approach any existing Lender to provide any Incremental Commitment. In each case, such Incremental Commitments shall become effective as of the applicable Increased Amount Date; provided that, (i) (x) other than as described in the immediately succeeding clause (y), no Event of Default shall exist on such Increased Amount Date immediately before or immediately after giving effect to such Incremental Commitments and the borrowing of any Incremental Loans thereunder or (y) if such Incremental Commitment is being provided in connection with a Limited Condition Transaction, then no Event of Default under (A) Section 11.1 or Section 11.5 shall exist on such Increased Amount Date and (B) such other provisions of Section 11 as may otherwise be required by the Lenders providing the applicable Incremental Commitment immediately before or immediately after giving effect to such Incremental Commitment and the borrowing of any Incremental Loans thereunder, (ii) in connection with any incurrence of Incremental Loans, or establishment of

Incremental Commitments, on an Increased Amount Date, there shall be no requirement for the Borrower to bring down the representations and warranties under the Credit Documents unless and until requested by the Persons holding more than 50% of the applicable Incremental Loans or Incremental Commitments (provided that, in the case of Incremental Loans or Incremental Commitments used to finance a Permitted Acquisition or other acquisition constituting a permitted Investment, only the Specified Representations (conformed as necessary for such acquisition) shall be required to be true and correct in all material respects if requested by the Persons holding more than 50% of the applicable Incremental Loans or Incremental Commitments), (iii) the Incremental Commitments shall be effected pursuant to one or more Incremental Amendments executed and delivered by the Borrower and the Administrative Agent, and each of which shall be recorded in the Register and shall be subject to the requirements set forth in Section 5.4(e), and (iv) the Borrower shall make any payments required pursuant to Section 2.11 in connection with the Incremental Commitments, as applicable. No Lender shall have any obligation to provide any Commitments pursuant to this Section 2.14(a). For all purposes of this Agreement, (a) any Incremental Term B Loans made on an Increased Amount Date shall be designated (x) a separate series of Term B Loans or (y) in the case of a Term B Increase, a part of the series of existing Term B Loans subject to such increase, (b) any Incremental Term C Loans made on an Increased Amount Date shall be designated (x) a separate series of Term C Loans or (y) in the case of a Term C Increase, a part of the series of existing Term C Loans subject to such increase, and (c) any Incremental Revolving Commitments made on an Increased Amount Date shall be designated (x) a separate series of Revolving Commitments or (y) in the case of a Additional Revolving Commitment, a part of the series of existing Revolving Commitments subject to such increase (such new or existing series of Term B Loans, Term C Loans or Revolving Commitments, each, a "**Series**").

(b) On any Increased Amount Date on which Incremental Revolving Commitments are effected, subject to the satisfaction (or waiver) of the following terms and conditions, (x) with respect to Additional Revolving Commitments, each of the Revolving Lenders with an existing Revolving Commitment of the Class being increased by such Additional Revolving Commitments shall automatically and without further act be deemed to have assigned to each Revolving Lender with a Additional Revolving Commitment of such Class (each, an "**Additional Revolving Lender**"), and each of such Additional Revolving Lenders shall automatically and without further act be deemed to have purchased and assumed, (i) a portion of such Revolving Lender's participations hereunder in outstanding Revolving Letters of Credit, so that after giving effect to each such deemed assignment and assumption and participation, the percentage of the aggregate outstanding participations hereunder in such Revolving Letters of Credit held by each Revolving Lender holding Revolving Loans (including each such Additional Revolving Lender), as applicable, will equal the percentage of the aggregate Total Revolving Commitments of all Revolving Lenders under the Credit Facilities, and (ii) at the principal amount thereof, such interests in the Revolving Loans of such Class outstanding on such Increased Amount Date as shall be necessary in order that, after giving effect to all such assignments and assumptions, the Revolving Loans of such Class will be held by existing Revolving Lenders under such Class and Additional Revolving Lenders under such Class ratably in accordance with their respective Revolving Commitments of such Class after giving effect to the addition of such Additional Revolving Commitments to such existing

Revolving Commitments (the Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to this clause (x)), and (y) with respect to any Incremental Revolving Commitments, (i) each Incremental Revolving Commitment shall be deemed for all purposes a Revolving Commitment and each loan made under an Additional Revolving Commitment (each, an "**Additional Revolving Loan**") and each loan made under an New Revolving Commitment (each, a "**New Revolving Loan**" and, together with the Additional Revolving Loans, the "**Incremental Revolving Loans**") shall be deemed, for all purposes, Revolving Loans and (ii) each Additional Revolving Lender and each Revolving Lender with a New Revolving Commitment (each, a "**New Revolving Lender**" and, together with the Additional Revolving Lenders, the "**Incremental Revolving Lenders**") shall become a Revolving Lender with respect to the applicable Incremental Revolving Commitment and all matters relating thereto.

(c) On any Increased Amount Date (x) on which any Incremental Term B Commitments of any Series are effective, subject to the satisfaction (or waiver) of the foregoing terms and conditions, (i) each Lender with an Incremental Term B Commitment (each, an "**Incremental Term B Lender**") of any Series shall make a term loan to the Borrower (each, an "**Incremental Term B Loan**") in an amount equal to its Incremental Term B Commitment of such Series, and (ii) each Incremental Term B Lender of any Series shall become a Lender hereunder with respect to the Incremental Term B Commitment of such Series and the Incremental Term B Loans of such Series made pursuant thereto and (y) on which any Incremental Term C Commitments of any Series are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Lender with an Incremental Term C Commitment (each, an "**Incremental Term C Lender**") of any Series shall make a term letter of credit loan to the Borrower (each, an "**Incremental Term C Loan**" and, together with the Incremental Term B Loans and the Incremental Revolving Loans, collectively the "**Incremental Loans**") in an amount equal to its Incremental Term C Commitment of such Series, and (ii) each Incremental Term C Lender of any Series shall become a Lender hereunder with respect to the Incremental Term C Commitment of such Series and the Incremental Term C Loans of such Series made pursuant thereto. The Borrower shall use the proceeds, if any, of the Incremental Loans for any purpose not prohibited by this Agreement and as agreed by the Borrower and the lender(s) providing such Incremental Loans.

(d) The terms and provisions of any Incremental Term B Commitments and any Incremental Term C Commitments and the respective related Incremental Term B Loans and Incremental Term C Loans, in each case effected pursuant to a Term B Increase or Term C Increase shall be substantially identical to the terms and provisions applicable to the Class of Term B Loans or Term C Loans subject to such increase; provided, that underwriting, arrangement, structuring, end of term, amendment, ticking, commitment, original issue discount, upfront or similar fees, and other fees payable in connection therewith that are not generally shared with all relevant lenders providing such Incremental Term B Commitments and any Incremental Term C Commitments and the respective related Incremental Term B Loans and Incremental Term C Loans, that may be agreed to among the Borrower and the lender(s) providing and/or arranging such Incremental Term B Commitments or Incremental Term C

Commitments may be paid in connection with such Incremental Term B Commitments or Incremental Term C Commitments, provided, that, upon any repayment of Incremental Term C Loans or reduction in related Term L/C Commitments, any excess cash collateral funded by such Incremental Term C Loans shall be withdrawn from the applicable funded term loan letter of credit cash collateral account. The terms and provisions of any Incremental Term B Commitments and any Incremental Term C Commitments and the respective related Incremental Term B Loans and Incremental Term C Loans of any Series not effected pursuant to a Term B Increase or Term C Increase shall be on terms and documentation set forth in the applicable Incremental Amendment as determined by the Borrower; provided that:

(i) (x) the applicable Incremental Term B Maturity Date of each Series shall be no earlier than the Initial Term B Maturity Date and (y) the applicable Incremental Term C Maturity Date of each Series shall be no earlier than the Initial Term C Maturity Date, provided, the requirements of the foregoing clause (i) shall not apply to any customary bridge facility so long as the Indebtedness into which such customary bridge facility is to be converted complies with such requirements;

(ii) the Weighted Average Life to Maturity of the applicable Incremental Term B Loans of each Series shall be no shorter than the Weighted Average Life to Maturity of the Initial Term B Loans (without giving effect to any previous amortization payments or prepayments of the Initial Term B Loans); provided, the requirements of the foregoing clause (ii) shall not apply to any customary bridge facility so long as the Indebtedness into which such customary bridge facility is to be converted complies with such requirements;

(iii) the Incremental Term B Loans, Incremental Term B Commitments, Incremental Term C Loans and Incremental Term C Commitments (x) may participate on a *pro rata* basis, greater than *pro rata* basis or less than *pro rata* basis in any voluntary prepayment of any Class of Term B Loans hereunder and may participate on a *pro rata* basis or less than *pro rata* basis (but, except as otherwise permitted by this Agreement, not on a greater than *pro rata* basis) in any mandatory prepayments of any Class of Term B Loans hereunder; provided that if such Incremental Term B Loans or Incremental Term C Loans are unsecured or rank junior in right of payment or as to security with the First Lien Obligations, such Incremental Term B Loans or Incremental Term C Loans shall participate on a junior basis with respect to mandatory repayments of Term B Loans and Term C Loans hereunder (except in connection with any refinancing, extension, renewal, replacement, repurchase or retirement thereof permitted by this Agreement), (y) shall not be guaranteed by any Restricted Subsidiary other than a Guarantor hereunder and (z) shall be unsecured or, if secured by any of the Collateral, rank *pari passu* or junior in right of security with any First Lien Obligations outstanding under this Agreement and, if secured by Liens on any of the Collateral, shall not be secured by assets other than Collateral (and, if applicable, shall be subject to a subordination agreement and/or the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, the Collateral Trust Agreement and/or other lien subordination and intercreditor arrangement that reflects market terms or is otherwise reasonably satisfactory to the Borrower and the Administrative Agent, as applicable);

(iv) the pricing, interest rate margins, discounts, premiums, interest rate floors, fees, and amortization schedule applicable to any Incremental Term B Loans or Incremental Term C Loans shall be determined by the Borrower and the lender(s) thereunder; provided, however, that, with respect to any Dollar denominated Incremental Term B Loans or Incremental Term C Loans made under Incremental Term B Commitments or Incremental Term C Commitments that (a) that mature within twelve months of the Term B Maturity Date or the Term C Maturity Date, as applicable and (b) rank *pari passu* in right of payment and security with the Initial Term B Loans or the Initial Term C Loans, as applicable, if the Yield in respect of any such Incremental Term B Loans or Incremental Term C Loans, as of the date of funding thereof exceeds the Yield in respect of any Initial Term B Loans (with original issue discount for purposes of determining such Yield to be based on original issue discount on the Closing Date) or Initial Term C Loans by more than 0.50%, then the Applicable ABR Margin or the Applicable Term SOFR Margin, as applicable, in respect of such Initial Term B Loans or Initial Term C Loans, as applicable, shall be adjusted so that the Yield in respect of such Initial Term B Loans or Initial Term C Loans, as applicable, is equal to the Yield in respect of such Incremental Term B Loans (with original issue discount for purposes of determining such Yield to be based on original issue discount on the Closing Date) or Incremental Term C Loans *minus* 0.50%; provided, further, to the extent any change in the Yield of the Initial Term B Loans or the Initial Term C Loans, as applicable, is necessitated by this clause ~~(iv)~~(iv) on the basis of an effective interest rate floor in respect of the Incremental Term B Loans or Incremental Term C Loans, the increased Yield in the Initial Term B Loans or Initial Term C Loans, as applicable, shall (unless otherwise agreed in writing by the Borrower) have such increase in the Yield effected solely by increases in the interest rate floor(s) applicable to the Initial Term B Loans or Initial Term C Loans, as applicable; and

(v) all other terms of any Incremental Term B Loans or Incremental Term C Loans (other than as described in clauses (i), (ii), (iii) and (iv) above) may differ from the terms of the Initial Term B Loans or Initial Term C Loans if reasonably satisfactory to the Borrower and the lender(s) providing such Incremental Term B Loans or Incremental Term C Loans.

(e) The terms and provisions of any Additional Revolving Commitments and the related Additional Revolving Loans shall be substantially identical to the Class of Commitments and related Revolving Loans subject to increase by such Additional Revolving Commitments and Additional Revolving Loans; provided, that underwriting, arrangement, structuring, ticking, commitment, upfront or similar fees, and other fees payable in connection therewith that are not shared with all relevant lenders providing such Additional Revolving Commitments and related Additional Revolving Loans, that may be agreed to among the Borrower and the lender(s) providing and/or arranging such Additional Revolving Commitments may be paid in connection with such Additional Revolving Commitments. New Revolving Commitments and New Revolving Loans shall be on terms and documentation set forth in the

applicable Incremental Amendment as determined by the Borrower; provided, further, that notwithstanding anything to the contrary in this Section 2.14 or otherwise:

(i) the Weighted Average Life to Maturity of the applicable New Revolving Commitments and New Revolving Loans shall be no shorter than the Weighted Average Life to Maturity of the Initial Revolving Loans and Revolving Commitments (without giving effect to any previous prepayments of the Initial Revolving Loans);

(ii) any such New Revolving Commitments and New Revolving Loans shall rank *pari passu* or junior in right of payment and of security with the Revolving Loans (and, if applicable, shall be subject to a subordination agreement and/or the Junior Lien Intercreditor Agreement, the Collateral Trust Agreement or other lien subordination and intercreditor arrangement that reflects market terms or is otherwise reasonably satisfactory to the Borrower and the Administrative Agent);

(iii) any such New Revolving Commitments and New Revolving Loans (x) shall not be guaranteed by any Restricted Subsidiary other than a Guarantor hereunder and (y) if secured, shall not be secured by assets other than Collateral (and, if applicable, shall be subject to a subordination agreement and/or the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement, the Collateral Trust Agreement and/or other lien subordination and intercreditor arrangement that reflects market terms or is otherwise reasonably satisfactory to the Borrower and the Administrative Agent, as applicable); and

(iv) any such New Revolving Commitments and New Revolving Loans shall not mature earlier than the Revolving Credit Maturity Date as in effect on the Closing Date.

(f) The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by this Section 2.14 and hereby waive the requirements of any provision of this Agreement (including, without limitation, any *pro rata* payment or amendment section) or any other Credit Document that may otherwise prohibit or restrict any such extension or any other transaction contemplated by this Section 2.14. Each Incremental Amendment may, without the consent of any other Lenders, effect technical and corresponding amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14.

2.15. Extensions of Term B Loans and Revolving Loans and Revolving Commitments; Refinancing Facilities.

(a) Extensions.

(i) The Borrower may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class, each existing at the time of such request (each, an "**Existing Revolving Commitment**" and any related Revolving Loans thereunder, "**Existing Revolving Loans**"; each Existing Revolving Commitment and related Existing Revolving Loans together being referred to as an "**Existing Revolving Class**") be

converted to extend the termination date thereof and the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of Existing Revolving Loans related to such Existing Revolving Commitments (any such Existing Revolving Commitments which have been so extended, "**Extended Revolving Commitments**" and any related Revolving Loans, "**Extended Revolving Loans**") and to provide for other terms consistent with this Section 2.15(a). In order to establish any Extended Revolving Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Class of Existing Revolving Commitments which such request shall be offered equally to all such Lenders) (a "**Revolving Extension Request**") setting forth the proposed terms of the Extended Revolving Commitments to be established, which shall either, at the option of the Borrower, (A) reflect market terms and conditions (taken as a whole) at the time of incurrence or issuance (as determined in good faith by the Borrower) or (B) if not consistent with the terms of the applicable Existing Revolving Commitments, shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of such Existing Revolving Commitments (the "**Specified Existing Revolving Commitment**") unless (x) the Lenders providing Existing Revolving Loans receive the benefit of such more restrictive terms or (y) any such provisions apply after the Latest Maturity Date of any Revolving Commitments then outstanding under this Agreement, in each case, to the extent provided in the applicable Extension Amendment; provided, however, that (w) all or any of the final maturity dates of such Extended Revolving Commitments may be delayed to later dates than the final maturity dates of the Specified Existing Revolving Commitments, (x) (A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discount and premiums with respect to the Extended Revolving Commitments may be higher or lower than the interest margins rate floors, upfront fees, funding discounts, original issue discount and premiums for the Specified Existing Revolving Commitments and/or (B) additional fees and premiums may be payable to the Lenders providing such Extended Revolving Commitments in addition to or in lieu of any of the items contemplated by the preceding clause (A), (y) the commitment fee rate with respect to the Extended Revolving Commitments may be higher or lower than the commitment fee rate for the Specified Existing Revolving Commitment and (z) unless otherwise permitted hereby, the amount of the Extended Revolving Commitments and the principal amount of the Extended Revolving Loans shall not exceed the amount of the Specified Existing Revolving Commitments being extended and the principal amount of the related Existing Revolving Loans being extended, respectively, and provided further that, notwithstanding anything to the contrary in this Section 2.15(a) or otherwise, (1) the borrowing and repayment (other than in connection with a permanent repayment and termination of commitments) of the Extended Revolving Loans under any Extended Revolving Commitments shall be made on a pro rata basis with any borrowings and repayments of the Specified Existing Revolving Commitments and each other Class of Existing Revolving Commitments (the mechanics for which may be implemented through the applicable Extension Amendment and may include technical changes related to the borrowing and repayment procedures of the applicable Credit Facility) and (2) assignments and participations of Extended Revolving Commitments and Extended Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and the Revolving Loans related to such Commitments set forth in Section 13.6. No Lender shall have any obligation to agree to have any of its Revolving Loans or Revolving

Commitments of any Existing Revolving Class converted into Extended Revolving Loans or Extended Revolving Commitments pursuant to any Revolving Extension Request. Any Extended Revolving Commitments of any Extension Series shall constitute a separate Class of revolving credit commitments from the Specified Existing Revolving Commitments and from any other Existing Revolving Commitments; provided that any Extended Revolving Commitments converted from an Existing Revolving Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any then outstanding Class of Revolving Commitments other than the Existing Revolving Class from which such Extended Revolving Commitments were converted.

(ii) The Borrower may at any time and from time to time request that all or a portion of the Term B Loans of any Class (an "**Existing Term B Class**") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term B Loans (any such Term B Loans which have been so converted, "**Extended Term B Loans**") and to provide for other terms consistent with this Section 2.15. In order to establish any Extended Term B Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term B Class which such request shall be offered equally to all such Lenders) (a "**Term B Extension Request**") setting forth the proposed terms of the Extended Term B Loans to be established; provided that the covenants relating to the Extended Term B Loans, shall either, at the option of the Borrower, (A) reflect market covenants (taken as a whole) at the time of incurrence or issuance (as determined in good faith by the Borrower) or (B) if not consistent with the covenants of the applicable Existing Term B Class, shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the covenants of the Term B Loans of the Existing Term B Class unless (x) the Lenders of the Term B Loans of such applicable Existing Term B Class receive the benefit of such more restrictive covenants or (y) any such provisions apply after the Latest Term Maturity Date in respect of Term B Loans; provided, however, that (1) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term B Loans may be delayed to later dates than the scheduled amortization of principal of the Term B Loans of such Existing Term B Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.5 or in the Extension Amendment, as the case may be, with respect to the Existing Term B Class from which such Extended Term B Loans were converted, in each case as more particularly set forth in Section 2.15(a)(v)), (2)(A) pricing, fees, optional prepayment or redemption terms shall be determined in good faith by the Borrower and the interest rates, interest margins, upfront fees, funding discounts, original issue discounts and premiums (including through fixed rate interest) with respect to the Extended Term B Loans may be higher or lower than the interest margins and floors for the Term B Loans of such Existing Term B Class and/or (B) additional fees, premiums or AHYDO Catch-Up Payments may be payable to the Lenders providing such Extended Term B Loans in addition to or in lieu of any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment, (3) the Extended Term B Loans may participate on a *pro rata* basis, greater than *pro rata* basis or less than *pro rata* basis in any voluntary prepayment of any Class of Term B Loans hereunder and may participate on a pro rata basis or less than pro rata basis

(but, except as otherwise permitted by this Agreement, not on a greater than pro rata basis) in any mandatory prepayments of any Class of Term B Loans hereunder; if such Extended Term B Loans are unsecured or rank junior in right of payment or as to security with the First Lien Obligations, such Extended Term B Loans shall participate on a junior basis with respect to mandatory repayments of Term B Loans hereunder (except in connection with any refinancing, extension, renewal, replacement, repurchase or retirement thereof permitted by this Agreement), (4) Extended Term B Loans may have call protection and prepayment premiums and, subject to clause (3) above, other redemption terms as may be agreed by the Borrower and the Lenders thereof and (5) the principal amount of the Extended Term B Loans shall not exceed the principal amount of the Term B Loans being extended except as otherwise permitted herein. No Lender shall have any obligation to agree to have any of its Term B Loans of any Existing Term B Class converted into Extended Term B Loans pursuant to any Term B Extension Request. Any Extended Term B Loans of any Extension Series shall constitute a separate Class of Term B Loans from the Existing Term B Class from which they were converted; any Extended Term B Loans converted from an Existing Term B Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any then outstanding Class of Term B Loans other than the Existing Term B Class from which such Extended Term B Loans were converted (in which case scheduled amortization with respect thereto shall be proportionally increased).

(iii) The Borrower may at any time and from time to time request that all or a portion of the Term C Loans of any Class (an "**Existing Term C Class**") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term C Loans (any such Term C Loans which have been so converted, "**Extended Term C Loans**") and to provide for other terms consistent with this Section 2.15(a). In order to establish any Extended Term C Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term C Class which such request shall be offered equally to all such Lenders) (a "**Term C Extension Request**") setting forth the proposed terms of the Extended Term C Loans to be established, shall either, at the option of the Borrower, (A) reflect market terms and conditions (taken as a whole) at the time of incurrence or issuance (as determined in good faith by the Borrower) or (B) if not consistent with the terms of the applicable Existing Term C Class, shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of the Term C Loans of the Existing Term C Class unless (x) the Lenders of the Term C Loans of such applicable Existing Term C Class receive the benefit of such more restrictive terms or (y) any such provisions apply after the Latest Term C Maturity Date; provided, however, that (1) the scheduled final maturity date shall be extended to a later date than the scheduled maturity of the Existing Term C Class and there shall not be any scheduled amortization payments of principal in respect of Extended Term C Loans, (2)(A) pricing, fees, optional prepayment or redemption terms shall be determined in good faith by the Borrower and the interest rates, interest margins, upfront fees, funding discounts, original issue discounts and premiums (including through fixed interest rates) with respect to the Extended Term C Loans may be higher or lower than the interest margins rate floors, interest margins, upfront fees, funding discounts, original issue discounts and premiums (including through fixed interest rates) for the Term B Loans of such

Existing Term C Class and/or (B) additional fees, premiums or AHYDO Catch-Up Payments may be payable to the Lenders providing such Extended Term C Loans in addition to or in lieu of any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment, (3) the Extended Term C Loans may participate on a *pro rata* basis, greater than *pro rata* basis or less than *pro rata* basis in any voluntary prepayment of any Class of Term C Loans hereunder and may participate on a pro rata basis or less than pro rata basis (but, except as otherwise permitted by this Agreement, not on a greater than pro rata basis) in any mandatory prepayments of any Class of Term C Loans hereunder; provided that if such Extended Term C Loans are unsecured or rank junior in right of payment or as to security with the First Lien Obligations, such Extended Term C Loans shall participate on a junior basis with respect to mandatory repayments of Term C Loans hereunder (except in connection with any refinancing, extension, renewal, replacement, repurchase or retirement thereof permitted by this Agreement), (4) Extended Term C Loans may have call protection and prepayment premiums and, subject to clause (3) above redemption terms as may be agreed by the Borrower and the Lenders thereof, (5) to the extent that any such provision applicable after the Initial Term C Loan Maturity Date pursuant to clause (y) is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders and (6) unless otherwise permitted hereby, the principal amount of the Extended Term C Loans shall not exceed the principal amount of the Term C Loans being extended. No Lender shall have any obligation to agree to have any of its Term C Loans of any Existing Term C Class converted into Extended Term C Loans pursuant to any Term C Extension Request. Any Extended Term C Loans of any Extension Series shall constitute a separate Class of Term C Loans from the Existing Term C Class from which they were converted; provided that any Extended Term C Loans converted from an Existing Term C Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any then outstanding Class of Term C Loans other than the Existing Term C Class from which such Extended Term C Loans were converted (in which case scheduled amortization with respect thereto shall be proportionally increased).

(iv) Any Lender (an "**Extending Lender**") wishing to have all or a portion of its Term B Loans, Term C Loans or Revolving Commitment of the Existing Class or Existing Classes subject to such Extension Request converted into Extended Term B Loans, Extended Term C Loans or Extended Revolving Commitments, as applicable, shall notify the Administrative Agent (an "**Extension Election**") on or prior to the date specified in such Extension Request of the amount of its Term B Loans, Term C Loans or Revolving Commitments of the Existing Class or Existing Classes subject to such Extension Request that it has elected to convert into Extended Term B Loans, Extended Term C Loans or Extended Revolving Commitments, as applicable. In the event that the aggregate amount of Term B Loans, Term C Loans or Revolving Commitments of the Existing Class or Existing Classes subject to Extension Elections exceeds the amount of Extended Term B Loans, Extended Term C Loans or Extended Revolving Commitments, as applicable, requested pursuant to the Extension Request, Term B Loans, Term C Loans or Revolving Commitments of the Existing Class or Existing Classes subject to Extension Elections shall be converted to Extended Term B Loans, Extended Term C Loans or Extended Revolving Commitments, as applicable, on a *pro rata* basis based on the amount of Term B Loans, Term C Loans or Revolving Commitments included in each such Extension Election. Notwithstanding the conversion of any Existing Revolving Commitment into

an Extended Revolving Commitment, such Extended Revolving Commitment shall be treated identically to all then-outstanding Revolving Commitments for purposes of the obligations of a Revolving Lender in respect of Letters of Credit under Section ~~3~~3, except that the applicable Extension Amendment may provide that the applicable Revolving L/C Maturity Date may be extended and the related obligations to issue Revolving Letters of Credit may be continued so long as the applicable Revolving L/C Issuer has consented to such extensions in its sole discretion (it being understood that no consent of any other Lender shall be required in connection with any such extension). Notwithstanding the conversion of any Term C Loans of an Existing Term C Class into Extended Term C Loans, the applicable Extension Amendment may provide that the Term C Maturity Date may be extended and the related obligations to issue Term Letters of Credit may be continued so long as the applicable Term L/C Issuer has consented to such extensions in its sole discretion (it being understood that no consent of any other Lender shall be required in connection with any such extension).

(v) Extended Term B Loans or Extended Revolving Commitments, as applicable, shall be established pursuant to an amendment (an "**Extension Amendment**") to this Agreement (which, except to the extent expressly contemplated by the last sentence of this Section 2.15(a)(v) and notwithstanding anything to the contrary set forth in Section 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term B Loans, Extended Term C Loans or Extended Revolving Commitments, as applicable, established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. No Extension Amendment shall provide for any Class of Extended Term B Loans, Extended Term C Loans or Extended Revolving Commitments in an aggregate principal amount that is less than $10,000,000 (or other amount as may be agreed to by the Administrative Agent) and the Borrower may condition the effectiveness of any Extension Amendment on an Extension Minimum Condition, which may be waived by the Borrower in its sole discretion. In addition to any terms and changes required or permitted by Section 2.15(a), each Extension Amendment (x) shall amend the scheduled amortization payments pursuant to Section 2.5 or the applicable Incremental Amendment with respect to the Existing Term B Class from which the Extended Term B Loans were converted to reduce each scheduled Repayment Amount for the Existing Term B Class in the same proportion as the amount of Term B Loans of the Existing Term B Class is to be converted pursuant to such Extension Amendment (it being understood that the amount of any Repayment Amount payable with respect to any individual Term B Loan of such Existing Term B Class that is not an Extended Term B Loan shall not be reduced as a result thereof) and (y) may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity and Weighted Average Life to Maturity of Incremental Term B Loans and Incremental Term C Loans incurred following the date of such Extension Amendment. Notwithstanding anything to the contrary in this Section 2.15, and without limiting the generality or applicability of Section 13.1 to any Section 2.15(a) Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "**Section 2.15(a) Additional Amendment**") to this Agreement and the other Credit Documents; provided that such Section 2.15(a) Additional Amendments comply with the requirements of Section 2.15(a) and do not become effective prior to the time that such Section 2.15(a) Additional Amendments have been

consented to (including, without limitation, pursuant to (1) consents applicable to holders of Incremental Term B Loans, Incremental Term C Loans and Incremental Revolving Commitments provided for in any Incremental Amendment and (2) consents applicable to holders of any Extended Term B Loans, Extended Term C Loans or Extended Revolving Commitments provided for in any Extension Amendment) by such of the Lenders, Credit Parties and other parties (if any) as may be required in order for such Section 2.15(a) Additional Amendments to become effective in accordance with Section 13.1.

(vi) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Class is converted to extend the related scheduled maturity date(s) in accordance with paragraph (a) above (an "**Extension Date**"), (I) in the case of the existing Term B Loans of each Extending Lender, the aggregate principal amount of such existing Term B Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term B Loans so converted by such Lender on such date, and the Extended Term B Loans shall be established as a separate Class of Term B Loans, provided that any Extended Term B Loans converted from an Existing Term B Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any then outstanding Class of Term B Loans other than the Existing Term B Class from which such Extended Term B Loans were converted (in which case scheduled amortization with respect thereto shall be proportionally increased), (II) in the case of the existing Term C Loans of each Extending Lender, the aggregate principal amount of such existing Term C Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term C Loans so converted by such Lender on such date, and the Extended Term C Loans shall be established as a separate Class of Term C Loans, provided that any Extended Term C Loans converted from an Existing Term C Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any then outstanding Class of Term C Loans other than the Existing Term C Class from which such Extended Term C Loans were converted, and (III) in the case of the Specified Existing Revolving Commitments of each Extending Lender, the aggregate principal amount of such Specified Existing Revolving Commitments shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Revolving Commitments so exchanged by such Lender on such date, and such Extended Revolving Commitments shall be established as a separate Class of revolving credit commitments from the Specified Existing Revolving Commitments and from any other Existing Revolving Commitments, provided that any Extended Revolving Commitments converted from an Existing Revolving Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any then outstanding Class of Revolving Commitments other than the Existing Revolving Class from which such Extended Term C Loans were converted and (B) if, on any Extension Date, any Loans of any Extending Lender are outstanding under the applicable Specified Existing Revolving Commitments, such Loans (and any related participations) shall be deemed to be allocated as Extended Revolving Loans (and related participations) and Existing Revolving Loans (and related participations) in the same proportion as such Extending Lender's Specified Existing Revolving Commitments to Extended Revolving Commitments.

(vii) The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by this Section 2.15(a) (including, for the avoidance of doubt, payment of any interest, fees, or premium in respect of any Extended Term B Loans and/or Extended Revolving Commitments on such terms as may be set forth in the relevant Extension Amendment) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any *pro rata* payment or amendment section) or any other Credit Document that may otherwise prohibit or restrict any such extension or any other transaction contemplated by this Section 2.15(a).

(viii) No conversion of Loans or Commitments pursuant to any Extension Amendment in accordance with this Section 2.15(a) shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(b) Refinancing Facilities.

(i) The Borrower may, at any time or from time to time after the Closing Date, by notice to the Administrative Agent (a "**Refinancing Loan Request**"), request (A) (i) the establishment of one or more new Classes of term loans under this Agreement (any such new Class, "**New Refinancing Term B Commitments**") or (ii) increases to one or more existing Classes of term loans under this Agreement (any such increase to an existing Class, collectively with New Refinancing Term B Commitments, "**Refinancing Term B Commitments**"), or (B) (i) the establishment of one or more new Classes of term letter of credit loans under this Agreement (any such new Class, "**New Refinancing Term C Commitments**") or (ii) increases to one or more existing Classes of term letter of credit loans under this Agreement (any such increase to an existing Class, collectively with New Refinancing Term C Commitments, "**Refinancing Term C Commitments**"), or (C) (i) the establishment of one or more new Classes of revolving credit commitments under this Agreement (any such new Class, "**New Refinancing Revolving Commitments**"), or (ii) increases to one or more existing Classes of Revolving Commitments (any such increase to an existing Class, collectively with the New Refinancing Revolving Commitments, "**Refinancing Revolving Commitments**" and, collectively with any Refinancing Term B Commitments and Refinancing Term C Commitments, "**Refinancing Commitments**"), in each case, established in exchange for, or to extend, renew, replace, repurchase, retire or refinance, in whole or in part, as selected by the Borrower, any one or more then existing Class or Classes of Loans or Commitments (with respect to a particular Refinancing Commitment or Refinancing Loan, such existing Loans or Commitments, "**Refinanced Debt**"), whereupon the Administrative Agent shall promptly deliver a copy of each such notice to each of the Lenders.

(ii) Any Refinancing Term B Loans made pursuant to New Refinancing Term B Commitments, any Refinancing Term C Loans made pursuant to New Refinancing Term C Commitments or any New Refinancing Revolving Commitments made on a Refinancing Facility Closing Date shall be designated a separate Class of Refinancing Term B Loans, Refinancing Term C Loans or Refinancing Revolving Commitments, as applicable, for all purposes of this Agreement unless designated as a part of an existing Class of Term B Loans, Term C Loans or Revolving Commitments in accordance with this Section 2.15(b). On any

Refinancing Facility Closing Date on which any Refinancing Term B Commitments of any Class are effected, subject to the satisfaction or waiver of the terms and conditions in this Section 2.15(b), (x) each Refinancing Term Lender of such Class shall make a term loan to the Borrower (each, a "**Refinancing Term B Loan**") in an amount equal to its Refinancing Term B Commitment of such Class and (y) each Refinancing Term **B** Lender of such Class shall become a Lender hereunder with respect to the Refinancing Term B Commitment of such Class and the Refinancing Term B Loans of such Class made pursuant thereto. On any Refinancing Facility Closing Date on which any Refinancing Term C Commitments of any Class are effected, subject to the satisfaction or waiver of the terms and conditions in this Section 2.15(b), (x) each Refinancing Term C Lender of such Class shall make a term loan to the Borrower (each, a "**Refinancing Term C Loan**") in an amount equal to its Refinancing Term C Commitment of such Class and (y) each Refinancing Term C Lender of such Class shall become a Lender hereunder with respect to the Refinancing Term C Commitment of such Class and the Refinancing Term C Loans of such Class made pursuant thereto. On any Refinancing Facility Closing Date on which any Refinancing Revolving Commitments of any Class are effected, subject to the satisfaction or waiver of the terms and conditions in this Section 2.15(b), (x) each Refinancing Revolving Lender of such Class shall make its Refinancing Revolving Commitment available to the Borrower (when borrowed, a "**Refinancing Revolving Loan**" and collectively with any Refinancing Term B Loan and Refinancing Term C Loan, a "**Refinancing Loan**") and (y) each Refinancing Revolving Lender of such Class shall become a Lender hereunder with respect to the Refinancing Revolving Commitment of such Class and the Refinancing Revolving Loans of such Class made pursuant thereto.

(iii) Each Refinancing Loan Request from the Borrower pursuant to this Section 2.15(b) shall set forth the requested amount and proposed terms of the relevant Refinancing Term B Loans, Refinancing Term C Loans or Refinancing Revolving Commitments and identify the Refinanced Debt with respect thereto. Refinancing Term B Loans or Refinancing Term C Loans may be made, and Refinancing Revolving Commitments may be provided, by any existing Lender (but no existing Lender will have an obligation to make any Refinancing Commitment, nor will the Borrower have any obligation to approach any existing Lender to provide any Refinancing Commitment) or by any New Refinancing Lender (each such existing Lender or New Refinancing Lender providing such Commitment or Loan, a "**Refinancing Revolving Lender**", a "**Refinancing Term C Lender**" or "**Refinancing Term B Lender**," as applicable, and, collectively, "**Refinancing Lenders**").

(iv) The effectiveness of any Refinancing Amendment, and the Refinancing Commitments thereunder, shall be subject to the satisfaction (or waiver) on the date thereof (each, a "**Refinancing Facility Closing Date**") of each of the following conditions, together with any other conditions set forth in the Refinancing Amendment:

(A) each Refinancing Commitment shall be in an aggregate principal amount that is not less than $10,000,000 (provided that such amount may be less than $10,000,000 if (i) agreed to by the Administrative Agent or (ii) such amount is equal to (x) the entire outstanding principal amount of Refinanced Debt that is in the form

of Term B Loans or Term C Loans or (y) the entire outstanding principal amount of Refinanced Debt (or commitments) that is in the form of Revolving Commitments),

(B) the Refinancing Term B Loans made pursuant to any increase in any existing Class of Term B Loans shall be added to (and form part of) each Borrowing of outstanding Term B Loans under the respective Class so incurred on a *pro rata* basis (based on the principal amount of each Borrowing) so that each Lender under such Class will participate proportionately in each then outstanding Borrowing of Term B Loans under such Class, and

(C) the Refinancing Term C Loans made pursuant to any increase in any existing Class of Term C Loans shall be added to (and form part of) each Borrowing of outstanding Term C Loans under the respective Class so incurred on a *pro rata* basis (based on the principal amount of each Borrowing) so that each Lender under such Class will participate proportionately in each then outstanding Borrowing of Term C Loans under such Class.

(v) Upon any Refinancing Facility Closing Date on which Refinancing Revolving Commitments are effected, (a) there shall be an automatic adjustment to the participations hereunder in Letters of Credit held by each Revolving Lender under the Revolving Commitments so that each such Revolving Lender shares ratably in such participations in accordance with its Revolving Commitments (after giving effect to the establishment of such Refinancing Revolving Commitments), (b) each Refinancing Revolving Commitment shall be deemed for all purposes a Revolving Commitment and each Refinancing Revolving Loan made thereunder shall be deemed, for all purposes, a Revolving Loan and (c) each Refinancing Revolving Lender shall become a Lender with respect to the Refinancing Revolving Commitments and all matters relating thereto. Upon any Refinancing Facility Closing Date on which Refinancing Revolving Commitments are effected through the establishment of a new Class of Revolving Commitments pursuant to this Section 2.15(b), if, on such date, there are any Revolving Loans under any Revolving Commitments then outstanding, such Revolving Loans shall be prepaid from the proceeds of a new Borrowing of the Refinancing Revolving Loans under such new Class of Refinancing Revolving Commitments in such amounts as shall be necessary in order that, after giving effect to such Borrowing and all such related prepayments, all Revolving Loans under all Revolving Commitments will be held by all Revolving Lenders with Revolving Commitments (including Lenders providing such Refinancing Revolving Commitments) ratably in accordance with all of their respective Revolving Commitments of all Classes (after giving effect to the establishment of such Refinancing Revolving Commitments). Upon any Refinancing Facility Closing Date on which Refinancing Revolving Commitments are effected through the increase to any existing Class of Revolving Commitments pursuant to this Section 2.15(b), if, on the date of such increase, there are any Revolving Loans outstanding under such Class of Revolving Commitments being increased, each of the Revolving Lenders under such Class shall automatically and without further act be deemed to have assigned to each of the Refinancing Revolving Lenders under such Class, and each of such Refinancing Revolving Lenders shall automatically and without further act be deemed to have purchased and assumed, at the principal amount thereof, such interests in the Revolving Loans of such Class

outstanding on such Refinancing Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and assumptions, such Revolving Loans of such Class will be held by existing Revolving Lenders under such Class and Refinancing Revolving Lenders under such Class ratably in accordance with their respective Revolving Commitments of such Class after giving effect to the addition of such Refinancing Revolving Commitments to such existing Revolving Commitments under such Class. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the two preceding sentences.

(vi) The terms, provisions and documentation of the Refinancing Term B Loans and Refinancing Term B Commitments, the Refinancing Term C Loans and Refinancing Term C Commitments, or the Refinancing Revolving Loans and Refinancing Revolving Commitments, as the case may be, of any Class shall be as agreed between the Borrower and the applicable Refinancing Lenders providing such Refinancing Commitments, and except as otherwise set forth herein, to the extent not identical to (or constituting a part of) any Class of Term B Loans, Term C Loans or Revolving Commitments, as applicable, each existing on the Refinancing Facility Closing Date, shall be consistent with clauses (A) or (B) below, as applicable, and the other terms and conditions shall either, at the option of the Borrower, (x) reflect market terms and conditions (taken as a whole) at the time of incurrence or issuance (as determined by the Borrower) or (y) if not consistent with the terms of the corresponding Class of Term B Loans, Term C Loans or Revolving Commitments, as applicable, not be materially more restrictive to the Borrower (as determined by the Borrower), when taken as a whole, than the terms of the applicable Class of Term B Loans, Term C Loans or Revolving Commitments being refinanced or replaced (except (1) covenants or other provisions applicable only to periods after the Latest Maturity Date (as of the applicable Refinancing Facility Closing Date) and (2) pricing, fees, rate floors, premiums, optional prepayment or redemption terms (which shall be determined by the Borrower) unless the Lenders under the Term B Loans, Term C Loans or Revolving Commitments, as applicable, each existing on the Refinancing Facility Closing Date, receive the benefit of such more restrictive terms. In any event:

(A) the Refinancing Term B Loans and Refinancing Term C Loans:

(1) (I) shall rank *pari passu* or junior in right of payment with any First Lien Obligations outstanding under this Agreement and (II) shall be unsecured or rank *pari passu* or junior in right of security with any First Lien Obligations outstanding under this Agreement and, if secured, shall not be secured by assets other than Collateral (and, if applicable, shall be subject to a subordination agreement and/or the Collateral Trust Agreement, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement and/or any other lien subordination and intercreditor arrangement that reflects market terms or is otherwise reasonably satisfactory to the Borrower and the Administrative Agent, as applicable);

(2) as of the Refinancing Facility Closing Date, shall not have a Maturity Date earlier than the Maturity Date of the Refinanced Debt;

(3) as of the Refinancing Facility Closing Date, such Refinancing Term B Loans shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the Refinanced Debt on the date of incurrence of such Refinancing Term B Loans (without giving effect to any previous amortization payments or prepayments of the Refinanced Debt);

(4) shall have a Yield determined by the Borrower and the applicable Refinancing Term B Lenders or Refinancing Term C Lenders;

(5) may provide for the ability to participate on a *pro rata* basis or less than or greater than a *pro rata* basis in any voluntary repayments or prepayments of principal of Term B Loans or Term C Loans hereunder and on a *pro rata* basis or less than a *pro rata* basis (but, except as otherwise permitted by this Agreement, not on a greater than *pro rata* basis) in any mandatory repayments or prepayments of principal of Term B Loans or Term C Loans hereunder; provided, that if such Refinancing Term B Loans are unsecured or rank junior in right of payment or as to security with the First Lien Obligations, such Refinancing Term B Loans shall participate on a junior basis with respect to mandatory repayments of Term B Loans and Term C Loans hereunder (except in connection with any refinancing, extension, renewal, replacement, repurchase or retirement thereof permitted by this Agreement);

(6) unless otherwise permitted hereby, shall not have a greater principal amount than the principal amount of the Refinanced Debt (*plus* the amount of any unused commitments thereunder), *plus* accrued interest, fees, defeasance costs and premium (including call and tender premiums), if any, under the Refinanced Debt, *plus* underwriting discounts, fees, commissions and expenses (including original issue discount, upfront fees and similar items) in connection with the refinancing of such Refinanced Debt and the incurrence or issuance of such Refinancing Term B Loans or Refinancing Term C Loans; and

(7) may not be guaranteed by any Person other than a Credit Party;

(B) the Refinancing Revolving Commitments and Refinancing Revolving Loans:

(1) (I) shall rank *pari passu* or junior in right of payment and (II) shall be *pari passu* or junior in right of security with the Revolving Loans and, in each case, shall not be secured by assets other than Collateral (and, if applicable, shall be subject to a subordination agreement and/or the Collateral Trust Agreement, the First Lien Intercreditor Agreement, the Junior Lien Intercreditor Agreement and/or any other lien subordination and intercreditor

arrangement that reflects market terms or is otherwise reasonably satisfactory to the Borrower and the Administrative Agent, as applicable);

(2) shall not mature earlier than, or provide for mandatory commitment reductions prior to, the maturity date with respect to the Refinanced Debt;

(3) shall provide that the borrowing, prepayments and repayment (except for (1) payments of interest and fees at different rates on Refinancing Revolving Commitments (and related outstandings), (2) repayments required upon the maturity date of the Refinancing Revolving Commitments and (3) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (4) below)) of Revolving Loans with respect to Refinancing Revolving Commitments after the associated Refinancing Facility Closing Date shall be made on a *pro rata* basis with all other Revolving Commitments existing on the Refinancing Facility Closing Date; provided, that if such Refinancing Revolving Commitments (and related Obligations) are unsecured or rank junior in right of payment or as to security with the First Lien Obligations, such Refinancing Revolving Commitments may participate on a "first-in/last-out" basis (but not a "last-in/first-out" basis) with respect to borrowings, prepayments and repayments of all other Revolving Commitments existing on the Refinancing Facility Closing Date (except in connection with any refinancing, extension, renewal, replacement, repurchase or retirement thereof permitted by this Agreement);

(4) shall provide that the permanent repayment of Revolving Loans with respect to, and termination or reduction of, Refinancing Revolving Commitments after the associated Refinancing Facility Closing Date be made on a *pro rata* basis or less than *pro rata* basis (but not greater than *pro rata* basis, except that the Borrower shall be permitted to permanently repay and terminate Commitments in respect of any such Class of Revolving Loans on a greater than *pro rata* basis as compared to any other Class of Revolving Loans with a later maturity date than such Class or in connection with any refinancing, extension, renewal, replacement, repurchase or retirement thereof permitted by this Agreement) with all other Revolving Commitments existing on the Refinancing Facility Closing Date;

(5) shall have a Yield determined by the Borrower and the applicable Refinancing Revolving Lenders;

(6) except as otherwise permitted hereby, shall have an equal or greater principal amount of utilized Commitments than the principal amount of the utilized Commitments of the Refinanced Debt (*plus* the amount of any unused commitments thereunder), *plus* accrued interest, fees, defeasance costs and premium (including call and tender premiums), if any, under the Refinanced Debt, *plus* underwriting discounts, fees, commissions and expenses

(including original issue discount, upfront fees and similar items) in connection with the refinancing of such Refinanced Debt and the incurrence or issuance of such Refinancing Revolving Commitments or Refinancing Revolving Loans; and

(7) may not be guaranteed by any Person other than a Credit Party.

(vii) Notwithstanding anything to the contrary set forth in Section 13.1, the Commitments in respect of Refinancing Term B Loans and Refinancing Revolving Commitments shall become additional Commitments under this Agreement pursuant to an amendment (a "**Refinancing Amendment**") to this Agreement and, as appropriate, the other Credit Documents, executed by the Borrower, each Refinancing Lender providing such Commitments and the Administrative Agent. The Refinancing Amendment may, without the consent of any other Credit Party, Agent or Lender, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15(b). The Borrower will use the proceeds, if any, of the Refinancing Term B Loans, Refinancing Term C Loans and Refinancing Revolving Commitments in exchange for, or to extend, renew, replace, repurchase, retire or refinance, and shall permanently terminate applicable commitments under, substantially concurrently, the applicable Refinanced Debt.

(viii) The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by this Section 2.15(b) (including, for the avoidance of doubt, payment of any interest, fees, or premium in respect of any Refinanced Debt on such terms as may be set forth in the relevant Refinancing Amendment) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any *pro rata* payment or amendment section) or any other Credit Document that may otherwise prohibit or restrict any such refinancing or any other transaction contemplated by this Section 2.15.

(c) In the event that the Administrative Agent determines, and the Borrower agrees (acting reasonably), that the allocation of Extended Term B Loans of a given Extension Series, Extended Term C Loans of a given Extension Series or the Extended Revolving Commitments of a given Extension Series, in each case to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Extension Amendment, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Credit Documents (each, a "**Corrective Extension Amendment**") within 15 days following the effective date of such Extension Amendment, as the case may be, which Corrective Extension Amendment shall (i) provide for the conversion and extension of the applicable Term B Loans, the applicable Term C Loans or Existing Revolving Commitments (and related Revolving Credit Exposure), as the case may be, in such amount as is required to cause such Lender to hold Extended Term B Loans, Extended Term C Loans or Extended Revolving Commitments (and related Revolving Credit Exposure) of the applicable Extension Series into which such other

Term B Loans, Term C Loans or Revolving Commitments or Additional Revolving Commitments, as the case may be, were initially converted, as the case may be, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension Amendment, in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Lender may agree (including conditions of the type required to be satisfied for the effectiveness of an Extension Amendment described in Section 2.15(a)), and (iii) effect such other amendments of the type (with appropriate reference and nomenclature changes) described in Section 2.15(a) to the extent reasonably necessary to effectuate the purposes of this Section 2.15(c).

2.16. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) (i) No Defaulting Lender shall be entitled to receive any fee payable under Section ~~4~~4 or any interest at the Default Rate payable under Section 2.8(c) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee or interest that otherwise would have been required to have been paid to that Defaulting Lender).

(ii) Each Defaulting Lender shall be entitled to receive Revolving L/C Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its applicable Revolving Commitment Percentage of the Stated Amount of Letters of Credit for which it has provided cash collateral satisfactory to the applicable Revolving L/C Issuer.

(iii) With respect to any Revolving L/C Fee not required to be paid to any Defaulting Lender pursuant to clause (i) or (ii) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations that has been reallocated to such Non-Defaulting Lender pursuant to clause (b) below, (y) pay to the Revolving L/C Issuer the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Revolving L/C Issuer's Revolving Credit Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(b) If any Revolving L/C Exposure exists at the time a Lender becomes a Defaulting Lender, then (i) all or any part of such Revolving L/C Exposure of such Defaulting Lender will, subject to the limitation in the first proviso below, automatically be reallocated (effective on the day such Lender becomes a Defaulting Lender) among the Non-Defaulting Lenders pro rata in accordance with their respective Revolving Commitment Percentage; provided that (A) each Non-Defaulting Lender's Revolving L/C Exposure may not in any event exceed the Revolving Commitment of such Non-Defaulting Lender as in effect at the time of such reallocation and (B) subject to Section 13.22, neither such reallocation nor any payment by a Non-Defaulting Lender pursuant thereto will constitute a waiver or release of any claim the Borrower, the Administrative Agent, the Revolving L/C Issuers, or any other Lender may have

against such Defaulting Lender or cause such Defaulting Lender to be a Non-Defaulting Lender, (ii) to the extent that all or any portion of the Defaulting Lender's Revolving L/C Exposure cannot, or can only partially, be so reallocated to Non-Defaulting Lenders, whether by reason of the first proviso in Section 2.16(b)(i) above or otherwise, the Borrower shall within two Business Days following written notice by the Administrative Agent Cash Collateralize such Defaulting Lender's Revolving L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above), in accordance with the procedures set forth in Section 3.8 for so long as such Revolving L/C Exposure is outstanding, (iii) if the Borrower Cash Collateralizes any portion of such Defaulting Lender's Revolving L/C Exposure pursuant to the requirements of this Section 2.16(b)(i), the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 4.1(c) with respect to such Defaulting Lender's Revolving L/C Exposure during the period such Defaulting Lender's Revolving L/C Exposure is Cash Collateralized, (iv) if the Revolving L/C Exposure of the Non-Defaulting Lenders is reallocated pursuant to the requirements of this Section 2.16(b), then the fees payable to the Lenders pursuant to Section 4.1(c) shall be adjusted in accordance with such Non-Defaulting Lenders' Revolving Commitment Percentages and the Borrower shall not be required to pay any fees to the Defaulting Lender pursuant to Section 4.1(c) with respect to such Defaulting Lender's Revolving L/C Exposure during the period that such Defaulting Lender's Revolving L/C Exposure is reallocated, or (v) if any Defaulting Lender's Revolving L/C Exposure is neither Cash Collateralized nor reallocated pursuant to the requirements of this Section 2.16(b), then, without prejudice to any rights or remedies of the applicable Revolving L/C Issuer or any Lender hereunder, all fees payable under Section 4.1(c) with respect to such Defaulting Lender's Revolving L/C Exposure shall be payable to the applicable Revolving L/C Issuer until such Revolving L/C Exposure is Cash Collateralized and/or reallocated.

(c) No Revolving L/C Issuer will be required to issue any new Revolving Letter of Credit or to amend any outstanding Revolving Letter of Credit to increase the available balance thereof or extend the expiry date thereof, unless the applicable Revolving L/C Issuer is reasonably satisfied that any exposure that would result from the exposure to such Defaulting Lender is eliminated or fully covered by the Revolving Commitments of the Non-Defaulting Lenders or by Cash Collateralization or a combination thereof in accordance with the requirements of Section 2.16(b) above or otherwise in a manner reasonably satisfactory to the applicable Revolving L/C Issuer and the Borrower.

(d) If the Borrower, the Administrative Agent and the Revolving L/C Issuers agree in writing in their discretion that a Lender that is a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon, as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will cease to be a Defaulting Lender and will be a Non-Defaulting Lender and any applicable Cash Collateral shall be promptly returned to the Borrower and any Revolving L/C Exposure of such Lender reallocated pursuant to the requirements of Section 2.16(b) shall be reallocated back to such Lender; provided that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

2.17. Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "**Permitted Debt Exchange Offer**") made from time to time by the Borrower to all Lenders (other than any Lender that, if requested by the Borrower, is unable to certify that it is either a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an institutional "accredited investor" (as defined in Rule 501 under the Securities Act)) with outstanding Term Loans under one or more Classes of Term Loans (as determined by the Borrower in its sole discretion) on the same terms, the Borrower may from time to time consummate one or more exchanges of Term Loans for Permitted Other Notes (such notes, "**Permitted Debt Exchange Notes**" and each such exchange, a "**Permitted Debt Exchange**"), so long as the following conditions are satisfied or waived: (i) no Event of Default shall have occurred and be continuing at the time the offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans, provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest, fees and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses (including original issue discount, upfront fees and similar items) in connection with the exchange of such Term Loans and the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of a given Class tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans under the relevant Class tendered by such Lenders ratably up to such maximum based on the respective principal amounts so tendered, or if such Permitted Debt Exchange Offer shall have been made with respect to multiple Classes without specifying a maximum aggregate principal amount offered to be exchanged for each Class, and the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of all Classes tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of all relevant Classes offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans across all Classes subject to such Permitted Debt

Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Auction Agent, and (vi) any applicable Minimum Tender Condition or Maximum Tender Condition, as the case may be, shall be satisfied or waived by the Borrower.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.17, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.1 or 5.2, and (ii) such Permitted Debt Exchange Offer shall be made for not less than $10,000,000 (or such less amount as may be agreed to by the Administrative Agent) in aggregate principal amount of Term Loans, provided that subject to the foregoing clause (ii) the Borrower may at its election specify (A) as a condition (a "**Minimum Tender Condition**") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's sole discretion) of Term Loans of any or all applicable Classes be tendered and/or (B) as a condition (a "**Maximum Tender Condition**") to consummating any such Permitted Debt Exchange that no more than a maximum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's sole discretion) of Term Loans of any or all applicable Classes will be accepted for exchange.

(c) In connection with each Permitted Debt Exchange, the Borrower and the Auction Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.17 and without conflict with Section 2.17(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower and the Auction Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Auction Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

SECTION 3. Letters of Credit.

3.1. Issuance of Letters of Credit.

(a) Revolving Letters of Credit. (i) Subject to and upon the terms and conditions herein set forth, at any time and from time to time on and after the Closing Date and prior to the applicable Revolving L/C Maturity Date, each Revolving L/C Issuer agrees, in

reliance upon (among other things) the agreements of the Revolving Lenders set forth in this Section 3, to issue upon the request of the Borrower and (x) for the direct or indirect benefit of the Borrower and its direct or indirect Subsidiaries and (y) for the direct or indirect benefit of any direct or indirect parent of the Borrower or any Subsidiaries of such direct or indirect parent so long as the aggregate Stated Amount of all Letters of Credit issued for such parent and its other Subsidiaries' benefit (excluding Letters of Credit issued to support the obligations of such direct or indirect parent or its other Subsidiaries which obligations were entered into primarily to benefit the business of Borrower and its Subsidiaries) does not exceed the Available RP/Investment Capacity Amount at any time, a letter of credit or letters of credit (the "**Revolving Letters of Credit**" and each, a "**Revolving Letter of Credit**") in such form and with such Issuer Documents as may be approved by such Revolving L/C Issuer in its reasonable discretion; provided that the Borrower shall be a co-applicant, and jointly and severally liable with respect to each Revolving Letter of Credit issued for the account of such Subsidiary or such direct or indirect parent and its other Subsidiaries; provided further that Revolving Letters of Credit issued for the direct or indirect benefit of such direct or indirect parent and its other Subsidiaries other than the Borrower and its Restricted Subsidiaries shall be subject to Sections 10.5 and 10.6 hereof. Notwithstanding anything to the contrary contained herein, no Revolving L/C Issuer shall be required to issue trade Revolving Letters of Credit under this Agreement unless it agrees to do so.

(ii) Notwithstanding the foregoing, (A) no Revolving Letter of Credit shall be issued the Stated Amount of which, when added to the Revolving Letters of Credit Outstanding in respect of all Revolving Letters of Credit at such time, would exceed the Revolving L/C Commitment then in effect; (B) no Revolving Letter of Credit shall be issued the Stated Amount of which, when added to the Revolving Letters of Credit Outstanding with respect to all Revolving Letters of Credit would cause the aggregate amount of the Revolving Credit Exposures at such time to exceed the Total Revolving Commitment then in effect; (C) no Revolving Letter of Credit shall be issued (or deemed issued) by any Revolving L/C Issuer the Stated Amount of which, when added to the Revolving Letters of Credit Outstanding with respect to such Revolving L/C Issuer, would exceed the Specified Revolving L/C Commitment of such Revolving L/C Issuer then in effect; (D) each Revolving Letter of Credit shall have an expiration date occurring no later than the earlier of (x) one year after the date of issuance thereof, unless otherwise agreed upon by the Administrative Agent and the Revolving L/C Issuer, or if issued to replace existing Revolving Letters of Credit with a maturity of longer than one year, or as provided under Section 3.2(b) and (y) the applicable Revolving L/C Maturity Date; (E) each Revolving Letter of Credit shall be denominated in Dollars; (F) no Revolving Letter of Credit shall be issued if (i) it would be illegal under any Applicable Law for the beneficiary of the Revolving Letter of Credit to have a Revolving Letter of Credit issued in its favor or (ii) the issuance of such Revolving Letter of Credit would violate any laws binding upon the applicable Revolving L/C Issuer; (G) no Revolving Letter of Credit shall be issued after the relevant Revolving L/C Issuer has received a written notice from the Borrower or the Administrative Agent or the Required Lenders stating that a Default or an Event of Default has occurred and is continuing until such time as such Revolving L/C Issuer shall have received a written notice (x) of rescission of such notice from the party or parties originally delivering such notice, (y) of the waiver of such Default or Event of Default in accordance with the provisions of

Section 13.1 or (z) that such Default or Event of Default is no longer continuing; and (H) no Revolving L/C Issuer shall be obligated to issue any Revolving Letter of Credit if the expiry date of such requested Revolving Letter of Credit would occur after the Revolving Credit Maturity Date, unless all Revolving Lenders have approved such expiry date or unless the Revolving Lenders cease to hold a participation in, and to be obligated in any manner to reimburse or otherwise indemnify the relevant Revolving L/C Issuer for any amounts drawn under, such Revolving Letter of Credit after the Revolving Credit Maturity Date, except in the circumstances contemplated by Section 4.3(a).

(b) Term Letters of Credit. (i) Subject to and upon the terms and conditions herein set forth, at any time and from time to time on and after the Closing Date and prior to the Term L/C Termination Date, each Term L/C Issuer agrees to issue upon the request of the Borrower and (x) for the direct or indirect benefit of the Borrower and its Subsidiaries and (y) for the direct or indirect benefit of any direct or indirect parent of the Borrower and its other Subsidiaries so long as the aggregate Stated Amount of all Letters of Credit issued for such parent and its other Subsidiaries' benefit (excluding Letters of Credit issued to support the obligations of the direct or indirect parent or its other Subsidiaries which obligations were entered into primarily to benefit the business of Borrower and its Subsidiaries) does not exceed the Available RP/Investment Capacity Amount at any time, a letter of credit or letters of credit (the "**Term Letters of Credit**" and each a "**Term Letter of Credit**") in such form and with such Issuer Documents as may be approved by such Term L/C Issuer in its reasonable discretion; provided that the Borrower shall be a co-applicant, and be jointly and severally liable, with respect to each Term Letter of Credit issued for the account of such Subsidiary or the direct or indirect parent and its other Subsidiaries; provided, further, that Term Letters of Credit issued for the direct or indirect benefit of such direct or indirect parent and its other Subsidiaries other than the Borrower and the Restricted Subsidiaries shall be subject to Sections 10.5 and 10.6. Notwithstanding anything to the contrary contained herein, no Term L/C Issuer shall be required to issue trade Term Letters of Credit under this Agreement unless it agrees to do so.

(ii) Notwithstanding the foregoing, (A) no Term Letter of Credit shall be issued, the Stated Amount of which, when added to the Term Letters of Credit Outstanding in respect of all Term Letters of Credit at such time, would exceed the lesser of (x) the Term L/C Commitment then in effect and (y) the Term C Collateral Account Balance, (B) no Term Letter of Credit shall be issued (or deemed issued) by any Term L/C Issuer the Stated Amount of which, when added to the Term Letters of Credit Outstanding with respect to such Term L/C Issuer, would exceed the Specified Term L/C Commitment of such Term L/C Issuer then in effect, (C) no Term Letter of Credit shall be issued (or deemed issued) by any Term L/C Issuer the Stated Amount of which, when added to the Term Letters of Credit Outstanding with respect to such Term L/C Issuer, would exceed the Term C Collateral Account Balance of such Term L/C Issuer, (D) each Term Letter of Credit shall have an expiration date occurring no later than the earlier of (x) one year after the date of issuance thereof, unless otherwise agreed upon by the Administrative Agent and the Term L/C Issuer or as provided under Section 3.2(b) and (y) the Term L/C Termination Date, (E) each Term Letter of Credit shall be denominated in Dollars, (F) no Term Letter of Credit shall be issued if (i) it would be illegal under any Applicable Law for the beneficiary of the Term Letter of Credit to have a Term Letter of Credit issued in its favor or

(ii) the issuance of such Term Letter of Credit would violate any laws binding upon the applicable Term L/C Issuer, and (G) no Term Letter of Credit shall be issued after the Term L/C Issuer has received a written notice from the Borrower, the Administrative Agent or the Required Lenders stating that a Default or an Event of Default has occurred and is continuing until such time as the Term L/C Issuer shall have received a written notice (x) of rescission of such notice from the party or parties originally delivering such notice, (y) of the waiver of such Default or Event of Default in accordance with the provisions of Section 13.1 or (z) that such Default or Event of Default is no longer continuing; provided, however, that the Stated Amount of any Term Letter of Credit with respect to which another Term Letter of Credit is to be (or has been) issued to replace such Term Letter of Credit shall be excluded in calculating the Term Letters of Credit Outstanding in connection with any determination of compliance with clause (A)(x) above, so long as (and only so long as) the Term L/C Cash Coverage Requirement (determined without regard to the proviso following the definition thereof) shall, at all times prior to the termination and cancellation of the Term Letter of Credit that is being (or has been) replaced (as notified to the Administrative Agent and the Borrower by the Term L/C Issuer thereof), be satisfied (including with respect to the Term Letter of Credit that is being (or has been) replaced and the related replacement Term Letter of Credit).

3.2. Letter of Credit Requests.

(a) Whenever the Borrower desires that a Revolving Letter of Credit or Term Letter of Credit be issued, the Borrower shall give the Administrative Agent and the applicable L/C Issuer a Letter of Credit Request by no later than 1:00 p.m. at least three (or such shorter time as may be agreed upon by the Administrative Agent and such L/C Issuer) Business Days prior to the proposed date of issuance. Each notice shall be executed by the Borrower, shall specify whether such letter of credit is to be a Revolving Letter of Credit or Term Letter of Credit and shall be in the form of Exhibit G, or such other form (including by electronic or fax transmission) as agreed between the Borrower, the Administrative Agent and the applicable L/C Issuer (each a "**Letter of Credit Request**").

(b) If the Borrower so requests in any applicable Letter of Credit Request, any L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); provided that any such Auto-Extension Letter of Credit must permit the L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Non-Extension Notice Date**") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by a L/C Issuer, the Borrower shall not be required to make a specific request to such L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Borrower and, in the case of Revolving Letters of Credit, the Revolving Lenders, and in the case of Term Letters of Credit, the Lenders shall be deemed to have authorized (but may not require) such L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than, in the case of any Revolving Letter of Credit, the applicable Revolving L/C Maturity Date, and in the case of any Term Letter of Credit, the Term L/C Termination Date; provided, however, that such L/C Issuer shall not permit any such

extension if (A) such L/C Issuer has determined that it would not be permitted at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) of either Sections 3.1(a) or (b), as applicable, or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Extension Notice Date from the Administrative Agent or the Borrower that one or more of the applicable conditions specified in Section 7 are not then satisfied (or waived), and in each such case directing such L/C Issuer not to permit such extension.

(c) Each L/C Issuer shall, at least once each month, provide the Administrative Agent a list of all Letters of Credit (including any Existing Letter of Credit) issued by it that are outstanding at such time and specifying whether such Letters of Credit are Revolving Letters of Credit or Term Letters of Credit; provided that (i) upon written request from the Administrative Agent, such L/C Issuer shall thereafter notify the Administrative Agent in writing on each Business Day of all Letters of Credit issued on the prior Business Day by such L/C Issuer and specifying whether such Letters of Credit are Revolving Letters of Credit or Term Letters of Credit and (ii) the failure of a L/C Issuer to provide such list (A) shall not result in any liability of such L/C Issuer to any Person and (B) shall not impair or otherwise affect the liability or obligation of any Credit Party in respect of any Letter of Credit.

(d) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower that the Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.1(a)(ii) or Section 3.1(b)(ii), as applicable.

3.3. Revolving Letter of Credit Participations.

(a) Immediately upon the issuance by the Revolving L/C Issuer of any Revolving Letter of Credit, the Revolving L/C Issuer shall be deemed to have sold and transferred to each Revolving Lender (each such Revolving Lender, in its capacity under this Section 3.3, a "**Revolving L/C Participant**"), and each such Revolving L/C Participant shall be deemed irrevocably and unconditionally to have purchased and received from the Revolving L/C Issuer, without recourse or warranty, an undivided interest and participation, in each Revolving Letter of Credit, each substitute therefor, each drawing made thereunder and the obligations of the Borrower under this Agreement with respect thereto (each, a "**Revolving L/C Participation**") pro rata based on such Revolving L/C Participant's Revolving Commitment Percentage (determined without regard to the Class of Revolving Commitments held by such Lender), and any security therefor or guaranty pertaining thereto.

(b) In determining whether to pay under any Revolving Letter of Credit, the Revolving L/C Issuer shall have no obligation relative to the Revolving L/C Participants other than to confirm that (i) any documents required to be delivered under such Revolving Letter of Credit have been delivered, (ii) the Revolving L/C Issuer has examined the documents with reasonable care and (iii) the documents appear to comply on their face with the requirements of such Revolving Letter of Credit. Any action taken or omitted to be taken by the Revolving L/C Issuer under or in connection with any Revolving Letter of Credit issued by it, if taken or omitted

in the absence of gross negligence, bad faith, willful misconduct or a material breach by the Revolving L/C Issuer of any Credit Document, shall not create for the Revolving L/C Issuer any resulting liability.

(c) Whenever the Revolving L/C Issuer receives a payment in respect of an unpaid reimbursement obligation as to which the Administrative Agent has received for the account of the Revolving L/C Issuer any payments from the Revolving L/C Participants, the Revolving L/C Issuer shall pay to the Administrative Agent and the Administrative Agent shall promptly pay to each Revolving L/C Participant that has paid its Revolving Commitment Percentage (determined without regard to the Class of Revolving Commitments held by such Lender) of such reimbursement obligation, in Dollars and in immediately available funds, an amount equal to such Revolving L/C Participant's share (based upon the proportionate aggregate amount originally funded by such Revolving L/C Participant to the aggregate amount funded by all Revolving L/C Participants) of the principal amount so paid in respect of such reimbursement obligation and interest thereon accruing after the purchase of the respective Revolving L/C Participations at the Overnight Rate. For the avoidance of doubt, all distributions under this Section 3.3(c) shall be made to each Lender with a Revolving Commitment pro rata based on each such Lender's Revolving Commitment Percentage without regard to the Class of Revolving Commitments held by such Lender.

(d) The obligations of the Revolving L/C Participants to make payments to the Administrative Agent for the account of the Revolving L/C Issuer with respect to Revolving Letters of Credit shall be irrevocable and not subject to counterclaim, set-off or other defense or any other qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances, including under any of the following circumstances:

(i) any lack of validity or enforceability of this Agreement or any of the other Credit Documents;

(ii) the existence of any claim, set-off, defense or other right that the Borrower may have at any time against a beneficiary named in a Revolving Letter of Credit, any transferee of any Revolving Letter of Credit (or any Person for whom any such transferee may be acting), the Administrative Agent, the Revolving L/C Issuer, any Lender or other Person, whether in connection with this Agreement, any Revolving Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transaction between the Borrower and the beneficiary named in any such Revolving Letter of Credit);

(iii) any draft, certificate or any other document presented under any Revolving Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Credit Documents; or

(v) the occurrence of any Default or Event of Default;

provided, however, that no Revolving L/C Participant shall be obligated to pay to the Administrative Agent for the account of the Revolving L/C Issuer its Revolving Commitment Percentage of any unreimbursed amount arising from any wrongful payment made by the Revolving L/C Issuer under a Revolving Letter of Credit as a result of acts or omissions constituting gross negligence or willful misconduct by the Revolving L/C Issuer (as determined in a final non-appealable judgment of a court of competent jurisdiction).

3.4. Agreement to Repay Letter of Credit Drawings.

(a) The Borrower hereby agrees to reimburse the applicable L/C Issuer, by making payment in Dollars to the Administrative Agent in immediately available funds, for any payment or disbursement made by such L/C Issuer under any Letter of Credit (each such amount so paid until reimbursed, an "**Unpaid Drawing**") on the first Business Day following the date that such L/C Issuer provides written notice to the Borrower of such payment or disbursement (such required date for reimbursement, the "**Reimbursement Date**"), with interest on the amount so paid or disbursed by such L/C Issuer, from and including the date of such payment or disbursement to but excluding the Reimbursement Date, at the per annum rate for each day equal to the Overnight Rate; provided that, notwithstanding anything contained in this Agreement to the contrary, (i) in the case of any Unpaid Drawings under any Revolving Letters of Credit, (A) unless the Borrower shall have notified the Administrative Agent and the relevant L/C Issuer prior to 10:00 a.m. on the Reimbursement Date that the Borrower intends to reimburse the relevant L/C Issuer for the amount of such drawing with funds other than the proceeds of Revolving Loans, the Borrower shall be deemed to have given a Notice of Borrowing requesting that, with respect to Revolving Letters of Credit, the Lenders with Revolving Commitments make Revolving Loans (which shall be ABR Loans) on the Reimbursement Date in the amount of such Unpaid Drawing and (B) the Administrative Agent shall promptly notify each Revolving Lender of such drawing and the amount of its Revolving Loan to be made in respect thereof (without regard to the Minimum Borrowing Amount), and each Revolving L/C Participant shall be irrevocably obligated to make a Revolving Loan to the Borrower in the manner deemed to have been requested in the amount of its Revolving Commitment Percentage (determined without regard to the Class of Revolving Commitments held by such Lender) of the applicable Unpaid Drawing by 2:00 p.m. on such Reimbursement Date by making the amount of such Revolving Loan available to the Administrative Agent and the Administrative Agent shall use the proceeds of such Revolving Loans solely for purpose of reimbursing the relevant L/C Issuer for the related Unpaid Drawing or (ii) in the case of any Unpaid Drawing under any Term Letter of Credit, unless the Borrower shall have notified the Administrative Agent and the relevant L/C Issuer prior to 10:00 a.m. on the Reimbursement Date that the Borrower intends to reimburse the relevant L/C Issuer for the amount of such drawing with its own funds, the Administrative Agent shall (or shall instruct the Collateral Trustee to) instruct the applicable Depositary Bank to cause the amounts on deposit in the applicable Term C Collateral Account to be disbursed to the applicable Term L/C Issuer for application to repay in full the amount of such Unpaid Drawing. For the avoidance of doubt, all Borrowings of Revolving Loans under this Section 3.4(a) shall be made by each Lender with a Revolving Commitment pro rata based on each such Lender's Revolving Commitment Percentage (determined without regard to Class of Revolving Commitments held by such Lender).

In the event that the Borrower fails to Cash Collateralize any Revolving Letter of Credit that is outstanding on the applicable Revolving L/C Maturity Date, the full amount of the Revolving Letters of Credit Outstanding in respect of such Revolving Letter of Credit shall be deemed to be an Unpaid Drawing subject to the provisions of this Section 3.4 except that the Revolving L/C Issuer shall hold the proceeds received from the Lenders as contemplated above as cash collateral for such Revolving Letter of Credit to reimburse any Drawing under such Revolving Letter of Credit and shall use such proceeds first, to reimburse itself for any Drawings made in respect of such Revolving Letter of Credit following the applicable Revolving L/C Maturity Date, second, to the extent such Revolving Letter of Credit expires or is returned undrawn while any such cash collateral remains, to the repayment of obligations in respect of any Revolving Loans that have not been paid at such time and third, to the Borrower or as otherwise directed by a court of competent jurisdiction.

(b) The obligations of the Borrower under this Section 3.4 to reimburse the L/C Issuers with respect to Unpaid Drawings (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any set-off, counterclaim or defense to payment that the Borrower or any other Person may have or have had against any L/C Issuer, the Administrative Agent or any Lender (including in its capacity as a Revolving L/C Participant), including any defense based upon the failure of any drawing under a Letter of Credit (each a "**Drawing**") to conform to the terms of the Letter of Credit or any non-application or misapplication by the beneficiary of the proceeds of such Drawing; provided that the Borrower shall not be obligated to reimburse any L/C Issuer for any wrongful payment made by such L/C Issuer under the Letter of Credit issued by it as a result of acts or omissions constituting gross negligence, bad faith, willful misconduct or a material breach by such L/C Issuer (or any of its Related Parties) of any Credit Document, in each case, as determined in a final non-appealable judgement of a court of competent jurisdiction.

3.5. Increased Costs. If after the Closing Date, the adoption of any Applicable Law, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or actual compliance by a L/C Issuer or any Revolving L/C Participant with any request or directive made or adopted after the Closing Date (whether or not having the force of law), by any such authority, central bank or comparable agency shall either (a) impose, modify or make applicable any reserve, deposit, compulsory loan, insurance charge, capital adequacy, liquidity or similar requirement against letters of credit issued by any L/C Issuer, or any Revolving L/C Participant's Revolving L/C Participation therein, or (b) impose on any L/C Issuer or any Revolving L/C Participant any other conditions or liabilities affecting its obligations under this Agreement in respect of Letters of Credit or Revolving L/C Participations therein or any Letter of Credit or such Revolving L/C Participant's Revolving L/C Participation therein, and the result of any of the foregoing is to increase the cost to such L/C Issuer or such Revolving L/C Participant of issuing, maintaining or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such L/C Issuer or such Revolving L/C Participant hereunder (other than any such increase or reduction attributable to (i) Indemnified Taxes and Taxes indemnifiable under Section 5.4, (ii) Other Connection Taxes that are imposed on or measured by net income (however denominated) or that are franchise or branch profits

Taxes imposed on any L/C Issuer or such Revolving L/C Participant or (iii) Taxes included under clauses (b) through (d) of the definition of "**Excluded Taxes**") in respect of Letters of Credit or Revolving L/C Participations therein, then, promptly after receipt of written demand to the Borrower by such L/C Issuer or such Revolving L/C Participant, as the case may be (a copy of which notice shall be sent by such L/C Issuer or such Revolving L/C Participant to the Administrative Agent), the Borrower shall pay to such L/C Issuer or such Revolving L/C Participant such additional amount or amounts as will compensate such L/C Issuer or such Revolving L/C Participant for such increased cost or reduction, it being understood and agreed, however, that any L/C Issuer or a Revolving L/C Participant shall not be entitled to such compensation as a result of such Person's compliance with, or pursuant to any request or directive to comply with, any such Applicable Law as in effect on the Closing Date. A certificate submitted to the Borrower by the relevant L/C Issuer or a Revolving L/C Participant, as the case may be (a copy of which certificate shall be sent by such L/C Issuer or such Revolving L/C Participant to the Administrative Agent), setting forth in reasonable detail the basis for the determination of such additional amount or amounts necessary to compensate such L/C Issuer or such Revolving L/C Participant as aforesaid shall be conclusive and binding on the Borrower absent clearly demonstrable error. Notwithstanding the foregoing, no L/C Issuer or Revolving L/C Participant shall demand compensation pursuant to this Section 3.5 if it shall not at the time be the general policy or practice of such Lender to demand such compensation in substantially the same manner as applied to other similarly situated borrowers under comparable syndicated credit facilities.

3.6. New or Successor L/C Issuer.

(a) Subject to the appointment and acceptance of a successor L/C Issuer as provided in this paragraph (which is subject to the consent of the Borrower (such consent not to be unreasonably withheld or delayed)), any L/C Issuer may resign as a L/C Issuer upon 30 days' prior written notice to the Administrative Agent, the Lenders and the Borrower. The Borrower may add Revolving L/C Issuers and/or Term L/C Issuers at any time upon notice to the Administrative Agent. If a L/C Issuer shall resign or be replaced, or if the Borrower shall decide to add a new L/C Issuer under this Agreement, then the Borrower may appoint from among the Lenders a successor issuer of Letters of Credit under the applicable Credit Facility or a new L/C Issuer under the applicable Credit Facility, as the case may be, or, with the consent of the Administrative Agent (such consent not to be unreasonably withheld, denied, conditioned or delayed), another successor or new issuer of Letters of Credit under the applicable Credit Facility, whereupon such successor issuer shall succeed to the rights, powers and duties of the replaced or resigning L/C Issuer under this Agreement and the other Credit Documents, or such new issuer of Letters of Credit shall be granted the rights, powers and duties of a Revolving L/C Issuer or Term L/C Issuer, as applicable, hereunder, and the term "Revolving L/C Issuer" or "Term L/C Issuer", as applicable, shall mean such successor or include such new issuer of Letters of Credit under the applicable Credit Facility effective upon such appointment. At the time such resignation or replacement shall become effective, the Borrower shall pay to the resigning or replaced L/C Issuer all accrued and unpaid fees owing to such L/C Issuer pursuant to Section 4.1(d). The acceptance of any appointment as a L/C Issuer hereunder whether as a successor issuer or new issuer of Letters of Credit in accordance with this Agreement, shall be

evidenced by an agreement entered into by such new or successor issuer of Letters of Credit, in a form satisfactory to the Borrower and the Administrative Agent and, from and after the effective date of such agreement, such new or successor issuer of Letters of Credit shall become a "Revolving L/C Issuer" or "Term L/C Issuer", as applicable, hereunder. After the resignation or replacement of a L/C Issuer hereunder, the resigning or replaced L/C Issuer shall remain a party hereto and shall continue to have all the rights and obligations of a L/C Issuer under this Agreement and the other Credit Documents with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. In connection with any resignation or replacement pursuant to this clause (a) (but, in case of any such resignation, only to the extent that a successor issuer of Letters of Credit shall have been appointed), either (i) the Borrower, the resigning or replaced L/C Issuer and the successor issuer of Letters of Credit shall arrange to have any outstanding Letters of Credit issued by the resigning or replaced L/C Issuer replaced with Letters of Credit issued by the successor issuer of Letters of Credit or (ii) in the case of Revolving Letters of Credit, the Borrower shall cause the successor issuer of Revolving Letters of Credit, if such successor issuer is reasonably satisfactory to the replaced or resigning Revolving L/C Issuer, to issue "back-stop" Revolving Letters of Credit naming the resigning or replaced Revolving L/C Issuer as beneficiary for each outstanding Revolving Letter of Credit issued by the resigning or replaced Revolving L/C Issuer, which new Revolving Letters of Credit shall have an amount equal to the Revolving Letters of Credit being back-stopped. After any resigning or replaced L/C Issuer's resignation or replacement as L/C Issuer, the provisions of this Agreement relating to a L/C Issuer shall inure to its benefit as to any actions taken or omitted to be taken by it (A) while it was a L/C Issuer under this Agreement or (B) at any time with respect to Letters of Credit issued by such L/C Issuer.

(b) To the extent that there are, at the time of any resignation or replacement as set forth in clause (a) above, any outstanding Letters of Credit, nothing herein shall be deemed to impact or impair any rights and obligations of any of the parties hereto with respect to such outstanding Letters of Credit (including, without limitation, any obligations related to the payment of Fees or the reimbursement or funding of amounts drawn), except that the Borrower, the resigning or replaced L/C Issuer and the successor issuer of Letters of Credit shall have the obligations regarding outstanding Letters of Credit described in clause (a) above.

3.7. Role of L/C Issuer. Each Lender and the Borrower agree that, in paying any Drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, the Administrative Agent, any of their respective affiliates nor any correspondent, participant or assignee of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower's pursuing

such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, the Administrative Agent, any of their respective affiliates nor any correspondent, participant or assignee of any L/C Issuer shall be liable or responsible for any of the matters described in Section 3.3(d); provided that anything in such Section to the contrary notwithstanding, the Borrower may have a claim against a L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such L/C Issuer's willful misconduct, gross negligence, bad faith or a material breach by such L/C Issuer of any Credit Document (as determined in a final non-appealable judgment of a court of competent jurisdiction) or such L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of documents strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

3.8. Cash Collateral.

(a) Upon the written request of the Required Revolving Lenders if, as of the applicable Revolving L/C Maturity Date, (i) there are any applicable Revolving Letters of Credit Outstanding or (ii) the provisions of Section 2.16(b)(ii) are in effect, the Borrower shall promptly Cash Collateralize the applicable Revolving Letters of Credit Outstanding (determined in the case of Cash Collateral provided pursuant to clause (ii) above, after giving effect to Section 2.16(b)(i)).

(b) If any Event of Default shall occur and be continuing, the Required Revolving Lenders may require that the Revolving L/C Obligations be Cash Collateralized.

(c) For purposes of this Agreement, "**Cash Collateralize**" means to (i) in all cases, to the extent reasonably acceptable to the applicable Revolving L/C Issuer, to issue "back-stop" Revolving Letters of Credit naming the relevant Revolving L/C Issuer as beneficiary for each outstanding Revolving Letter of Credit issued by the relevant Revolving L/C Issuer, which new Revolving Letters of Credit shall have an amount equal to the Revolving Letters of Credit being back-stopped and/or (ii) pledge and deposit with or deliver to the Administrative Agent, for the benefit of the Revolving L/C Issuers as collateral for the Revolving L/C Obligations, cash or deposit account balances (such items in clauses (i) and (ii), "**Cash Collateral**") in an amount equal to 100% of the amount of the Revolving Letters of Credit Outstanding required to be Cash Collateralized pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent, the Borrower and the Revolving L/C Issuers (which documents are hereby consented to by the Revolving Lenders). Derivatives of such terms have corresponding meanings. The Borrower hereby grants to the Collateral Agent, for the benefit of the Revolving L/C Issuers, a security interest in all such cash, deposit accounts and all balances therein and all

proceeds of the documentation in form and substance reasonably satisfactory to the Collateral Agent and the Revolving L/C Issuers (which documents are hereby consented to by the Revolving Lenders). Such cash collateral shall be maintained in blocked, non-bearing trust accounts established by and in the name of the Collateral Agent (with any income accruing for the benefit of the Borrower).

3.9. Term C Collateral Account. On the Closing Date, the Borrower established Term C Collateral Accounts with each of the Bank of Montreal, Goldman Sachs Bank USA, the Royal Bank of Canada and MUFG Bank, Ltd. for the benefit of each Term L/C Issuer for the purpose of cash collateralizing the Borrower's obligations (including Term L/C Obligations) to each such Term L/C Issuer in respect of the Term Letters of Credit issued or to be issued by each such Term L/C Issuer. On the Closing Date, the proceeds of the Term C Loans, together with other funds (if any) provided by the Borrower, were deposited into each such Term C Collateral Account such that the Term C Collateral Account Balance of each Term C Collateral Account established for the benefit of each Term L/C Issuer equaled at least the Term Letters of Credit Outstanding of each such Term L/C Issuer. After the Closing Date, the Borrower may establish additional Term C Collateral Accounts for the benefit of any additional Term L/C Issuer for the purpose of cash collateralizing the Borrower's obligations to such Term L/C Issuer in respect of the Term Letters of Credit issued or to be issued by such Term L/C Issuer, and may transfer all or any portion of the funds in any Term C Collateral Account to any other Term C Collateral Account, subject to the satisfaction (or waiver) of the conditions set forth in this Section 3.9 (and each Term L/C Issuer and the Collateral Agent (acting at the direction of the Administrative Agent) agrees to (or shall instruct the Collateral Trustee to) instruct the applicable Depositary Bank to transfer such funds at the discretion of the Borrower within one Business Day after the Borrower has provided notice to make such transfer); provided that each Term L/C Issuer may require that the Depositary Bank for the Term C Collateral Account corresponding to its Term L/C Obligations is such Term L/C Issuer or an Affiliate thereof. The Borrower agrees that at all times, and shall immediately cause additional funds to be deposited and held in the Term C Collateral Accounts from time to time in order that (A) the Term C Collateral Account Balance for all Term C Collateral Accounts shall at least equal the Term Letters of Credit Outstanding with respect to all Term Letters of Credit and (B) the Term C Collateral Account Balance of each Term C Collateral Account established for the benefit of a Term L/C Issuer shall equal at least the Term Letters of Credit Outstanding of such Term L/C Issuer (the "**Term L/C Cash Coverage Requirement**"); provided that in the case of clause (B), such requirement shall be deemed to have been met at such time if the Borrower shall have instructed that funds held in one Term C Collateral Account be transferred to the Term C Collateral Account established for the benefit of another Term L/C Issuer so long as after giving effect to such transfer, the Term L/C Cash Coverage Requirement shall have been met. The Borrower hereby grants to the Collateral Agent, for the benefit of all Term L/C Issuers, a security interest in the Term C Collateral Accounts and all cash and balances therein and all proceeds of the foregoing, as security for the Term L/C Obligations (including the Term L/C Reimbursement Obligations) (and, in addition, grants a security interest therein, for the benefit of the Secured Parties as collateral security for the other First Lien Obligations; provided that amounts on deposit in any Term C Collateral Account shall be applied, first, to repay the corresponding Term L/C Obligations (including Term L/C Reimbursement Obligations) owing to the applicable Term L/C

Issuer, second, to repay the Term L/C Obligations in respect of all other Term Letters of Credit and, then, to repay all other First Lien Obligations as provided in Section 11.13). Except as expressly provided herein or in any other Credit Document, no Person shall have the right to make any withdrawal from any Term C Collateral Account or to exercise any right or power with respect thereto; provided that at any time the Borrower shall fail to reimburse any Term L/C Issuer for any Unpaid Drawing in accordance with Section 3.4(a), the Borrower hereby absolutely, unconditionally and irrevocably agrees that the Collateral Agent (acting at the direction of the Administrative Agent) shall be entitled to instruct (and shall be entitled to instruct the Collateral Trustee to instruct) the applicable depositary bank (each, a "**Depositary Bank**") of the applicable Term C Collateral Account to withdraw therefrom and pay to such Term L/C Issuer amounts equal to such Unpaid Drawings. Amounts in any Term C Collateral Account shall be invested by the applicable Depositary Bank in Term L/C Permitted Investments (and as reasonably agreed by the applicable Depositary Bank under the applicable depositary agreement) in the manner instructed by the Borrower (and agreed to by such Depositary Bank) (and returns shall accrue for the benefit of the Borrower); provided, however, that the applicable Depositary Bank shall determine such investments in Term L/C Permitted Investments during the existence of any Event of Default as long as made in Term L/C Permitted Investments, it being understood and agreed that neither the Borrower nor the applicable Depositary Bank nor any other Person may direct the investment of funds in any Term C Collateral Account in any assets other than Term L/C Permitted Investments. The Borrower shall bear the risk of loss of principal with respect to any investment in any Term C Collateral Account. So long as no Event of Default shall have occurred and be continuing and subject to the satisfaction of the Term L/C Cash Coverage Requirement for each Term L/C Issuer after giving effect to any such release, upon at least three Business Days' prior written notice to the Collateral Agent and the Administrative Agent, the Borrower may, at any time and from time to time, request release of and payment to the Borrower of (and the Collateral Agent hereby agrees (at the direction of the Administrative Agent) to instruct (or to instruct the Collateral Trustee to instruct) the applicable Depositary Bank to release and pay to the Borrower) any amounts on deposit in the Term C Collateral Accounts (as reduced by the aggregate amounts, if any, withdrawn by the Term L/C Issuers and not subsequently deposited by the Borrower) in excess of the Term L/C Commitment at such time (provided that the Collateral Agent shall have received prior confirmation of the amount of such excess from the Administrative Agent). In addition, the Collateral Agent hereby agrees (at the direction of the Administrative Agent) to instruct (or to instruct the Collateral Trustee to instruct) the Depositary Bank to release and pay to the Borrower amounts (if any) remaining on deposit in the Term C Collateral Accounts after the termination or cancellation of all Term Letters of Credit, the termination of the Term L/C Commitment and the repayment in full of all outstanding Term C Loans and Term L/C Obligations.

3.10. Certain Letters of Credit. Subject to the terms and conditions hereof, each Existing Letter of Credit that is outstanding on the Closing Date, listed on Schedule 1.1(b) shall, effective as of the Closing Date and without any further action by the Borrower, be continued (and deemed issued) as a Revolving Letter of Credit or Term Letter of Credit, as indicated on Schedule 1.1(b) hereto, hereunder and from and after the Closing Date shall be deemed a Revolving Letter of Credit or Term Letter of Credit, as applicable, for all purposes hereof and shall be subject to and governed by the terms and conditions hereof.

3.11. Applicability of ISP and UCP. Unless otherwise expressly agreed by the relevant L/C Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall be stated therein to apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall be stated therein to apply to each commercial letter of credit, and in each case to the extent not inconsistent with the above referred rules, the laws of the State of New York shall be stated therein to apply to each Letter of Credit.

3.12. Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control and any security granted pursuant to any Issuer Document shall be void.

3.13. Letters of Credit Issued for Others. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, the Borrower's Subsidiaries or the direct or indirect parent of Borrower or its other Subsidiaries, the Borrower shall be obligated to reimburse the relevant L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of its Subsidiaries or the direct or indirect parent of the Borrower or its other Subsidiaries, inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of its Subsidiaries or its direct or indirect parent and its other Subsidiaries.

3.14. Letter of Credit Conversion. (i) The Borrower may convert Term Letters of Credit to Revolving Letters of Credit upon 1 Business Day's prior written notice to the Administrative Agent and the applicable Term L/C Issuer as to which such converted Term Letters of Credit relate so long as after giving effect to any such conversion, (A) the Revolving Letters of Credit Outstanding in respect of all Revolving Letters of Credit at such time, does not exceed the Revolving L/C Commitment then in effect; (B) the Revolving Letters of Credit Outstanding with respect to all Revolving Letters of Credit does not cause the aggregate amount of the Revolving Credit Exposures at such time to exceed the Total Revolving Commitment then in effect and (C) the Revolving Letters of Credit Outstanding with respect to such Revolving L/C Issuer, does not exceed the Specified Revolving L/C Commitment of such Revolving L/C Issuer then in effect and (ii) the Borrower may convert Revolving Letters of Credit to Term Letters of Credit upon 1 Business Day's prior written notice to the Administrative Agent and the applicable Revolving L/C Issuer as to which such converted Revolving Letters of Credit relate so long as after giving effect to any such conversion, (A) the Term Letters of Credit Outstanding in respect of all Term Letters of Credit at such time, does not exceed the Term L/C Commitment then in effect and (B) the Term Letters of Credit Outstanding with respect to such Term L/C Issuer, does not exceed the Specified Term L/C Commitment of such Term L/C Issuer then in effect.

SECTION 4. Fees; Commitments.

4.1. Fees.

(a) The Borrower agrees to pay to the Administrative Agent in Dollars, for the account of each Revolving Lender (in each case *pro rata* according to the respective Revolving

Commitments of all such Revolving Lenders), a commitment fee (the "**Revolving Commitment Fee**") for each day from the Closing Date to, but excluding, the Revolving Credit Maturity Date. The Revolving Commitment Fee shall be earned, due and payable by the Borrower (x) quarterly in arrears on the last Business Day of each March, June, September and December (for the three-month period (or portion thereof) ended on such day for which no payment has been received) and (y) on the Revolving Credit Maturity Date (for the period ended on such date for which no payment has been received pursuant to clause (x) above). The Revolving Commitment Fee shall be computed for each day during such period at a rate *per annum* equal to the applicable Revolving Commitment Fee Rate in effect on such day on the applicable portion of the Available Revolving Commitment in effect on such day.

(b) (i) In the event that, after the ~~Closing~~Amendment No. 1 Effective Date and prior to the six month anniversary of the ~~Closing~~Amendment No. 1 Effective Date, the Borrower (x) makes any prepayment or repayment of Initial Term B Loans in connection with any Repricing Transaction or (y) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders holding Initial Term B Loans, (I) a prepayment premium of 1.00% of the principal amount of the Initial Term B Loans being prepaid in connection with such Repricing Transaction and (II) in the case of clause (y), an amount equal to 1.00% of the aggregate amount of the applicable Initial Term B Loans of non-consenting Lenders outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such amendment.

(ii) In the event that, after the Closing Date and prior to the six month anniversary of the Closing Date, the Borrower (x) makes any prepayment or repayment of Initial Term C Loans in connection with any Repricing Transaction or (y) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders holding Initial Term C Loans (I) a prepayment premium of 1.00% of the principal amount of the Initial Term C Loans being prepaid in connection with such Repricing Transaction and (II) in the case of clause (y), an amount equal to 1.00% of the aggregate amount of the applicable Initial Term C Loans of non-consenting Lenders outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such amendment.

(c) The Borrower agrees to pay to the Administrative Agent in Dollars for the account of each Revolving Lender *pro rata* on the basis of their respective Revolving L/C Exposure, a fee in respect of each Revolving Letter of Credit (the "**Revolving L/C Fee**"), for the period from the date of issuance of such Revolving Letter of Credit to the termination or expiration date of such Revolving Letter of Credit computed at the *per annum* rate for each day equal to the product of (x) the Applicable Term SOFR Margin for Revolving Loans in effect on such day and (y) the average daily Stated Amount of such Revolving Letter of Credit. The Revolving L/C Fee shall be due and payable (x) quarterly in arrears on the last Business Day of each March, June, September and December and (y) on the Revolving Credit Maturity Date (for the period ended on such date for which no payment has been received pursuant to clause (x) above). If there is any change in the relevant Applicable Term SOFR Margin during any quarter,

the daily maximum amount of each Revolving Letter of Credit shall be computed and multiplied by the relevant Applicable Term SOFR Margin separately for each period during such quarter that such relevant Applicable Term SOFR Margin was in effect.

(d) The Borrower agrees to pay to each L/C Issuer a fee in respect of each Letter of Credit issued by it (the "**Fronting Fee**"), for the period from the date of issuance of such Letter of Credit to the termination date of such Letter of Credit, computed at a rate per annum equal to 0.125%. Such Fronting Fees shall be earned, due and payable by the Borrower (x) quarterly in arrears on the last Business Day of each March, June, September and December and (y) in the case of Revolving Letters of Credit on the later of (A) the Revolving Credit Maturity Date and (B) the day on which the Revolving Letters of Credit Outstanding shall have been reduced to zero and (3) in the case of Term Letters of Credit, the Term C Maturity Date or, if earlier, in the case of any Term Letter of Credit, the date upon which the Term L/C Commitment terminates and the Term Letter of Credit Outstanding shall have been reduced to zero.

(e) The Borrower agrees to pay directly to the L/C Issuer upon each issuance of, drawing under, and/or amendment of, a Letter of Credit issued by it such amount as the L/C Issuer and the Borrower shall have agreed upon for issuances of, drawings under or amendments of, letters of credit issued by it.

(f) The Borrower agrees to pay directly to the Administrative Agent for its own account the administrative agent fees as separately agreed in writing.

(g) Notwithstanding the foregoing, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 4.1 (subject to Section 2.16).

4.2. Voluntary Reduction of Revolving Commitments, Revolving L/C Commitments and Term L/C Commitments.

(a) Upon at least one Business Day's prior revocable written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent at the Administrative Agent's Office (which notice the Administrative Agent shall promptly transmit to each of the Revolving Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the Revolving Commitments in whole or in part; provided that (a) any such termination or reduction of Revolving Commitments of any Class shall apply proportionately and permanently to reduce the Revolving Commitments of each of the Revolving Lenders of such Class, except that, notwithstanding the foregoing, the Borrower may allocate any termination or reduction of Revolving Commitments in its sole discretion among the Classes of Revolving Commitments as the Borrower may specify, (b) any partial reduction pursuant to this Section 4.2 shall be in the amount of at least the Minimum Borrowing Amount and (c) after giving effect to such termination or reduction and to any prepayments of the Revolving Loans or cancellation or Cash Collateralization of Revolving Letters of Credit made on the date thereof in accordance with this Agreement (including pursuant to Section 5.2(b)), the aggregate amount of the Revolving Lenders' Revolving Credit Exposures shall not exceed the Total Revolving Commitment.

(b) [Reserved].

(c) Upon at least one Business Day's prior revocable written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent and the Revolving L/C Issuers (which notice the Administrative Agent shall promptly transmit to each of the Revolving Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the Revolving L/C Commitment in whole or in part; provided that, after giving effect to such termination or reduction, (i) the Revolving Letters of Credit Outstanding with respect to all Revolving Letters of Credit, after giving effect to Cash Collateralization of Revolving Letters of Credit, shall not exceed the Revolving L/C Commitment and (ii) the Revolving Letters of Credit Outstanding with respect to each Revolving L/C Issuer shall not exceed the Specified Revolving L/C Commitment of such Revolving L/C Issuer.

4.3. Mandatory Termination or Reduction of Commitments.

(a) The Revolving Commitment shall terminate at 5:00 p.m. on the Revolving Credit Maturity Date. The Specified Revolving L/C Commitment of each Revolving L/C Issuer shall terminate on the Revolving L/C Maturity Date.

(b) The Term L/C Commitment shall be reduced by the amount of any prepayment or repayment of principal of Term C Loans pursuant to Section 2.5(a), 5.1 or 5.2 and the Borrower shall be permitted to withdraw an amount up to the amount of such prepayment or repayment from the Term C Collateral Accounts to complete such prepayment or repayment; provided that after giving effect to such withdrawal, the Term L/C Cash Coverage Requirement shall be satisfied.

SECTION 5. Payments.

5.1. Voluntary Prepayments. The Borrower shall have the right to prepay Term B Loans, Term C Loans, and Revolving Loans, without premium or penalty (other than as provided in Section 4.1(b) and amounts, if any, required to be paid pursuant to Section 2.11 with respect to prepayments of Term SOFR Loans made on any date other than the last day of the applicable Interest Period), in whole or in part, from time to time on the following terms and conditions: (a)

the Borrower shall give the Administrative Agent at the Administrative Agent's Office revocable written notice (or telephonic notice promptly confirmed in writing) of its intent to make such prepayment, the amount of such prepayment and, in the case of Term SOFR Loans, the specific Borrowing(s) pursuant to which made, which notice shall be given by the Borrower no later than 1:00 p.m. (x) one Business Day prior to (in the case of ABR Loans) or (y) three U.S. Government Securities Business Days prior to (in the case of Term SOFR Loans) (and, in each case, such shorter time as the Administrative Agent may agree), (b) each partial prepayment of any Borrowing of Term B Loans, Term C Loans or Revolving Loans shall be in a multiple of $1,000,000 and in an aggregate principal amount of at least $5,000,000; provided that no partial prepayment of Term SOFR Loans made pursuant to a single Borrowing shall reduce the outstanding Term SOFR Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount for Term SOFR Loans, and (c) any prepayment of Term SOFR Loans pursuant to this Section 5.1 on any day prior to the last day of an Interest Period applicable thereto shall be subject to compliance by the Borrower with the applicable provisions of Section 2.11. Each prepayment in respect of any tranche of Term B Loans and Term C Loans pursuant to this Section 5.1 shall be (a) applied to the Class or Classes of Term B Loans or Term C Loans, as applicable, in such manner as the Borrower may determine and (b) in the case of Term B Loans, applied to reduce Repayment Amounts in such order as the Borrower may determine. In the event that the Borrower does not specify the order in which to apply prepayments of Term B Loans to reduce Repayment Amounts or prepayments of Term B Loans or Term C Loans as between existing Classes of Term B Loans or Term C Loans, as applicable, the Borrower shall be deemed to have elected that (i) in the case of Term B Loans, such prepayments be applied to reduce the Repayment Amounts of the applicable Class of Term B Loans in direct order of maturity and on a pro rata basis among the applicable Class or Classes, if a Class or Classes were specified, or among all Classes of Term B Loans then outstanding, if no Class was specified and (ii) in the case of Term C Loans, such prepayments be applied on a pro rata basis among all Classes of Term C Loans then outstanding. All prepayments under this Section 5.1 shall also be subject to the provisions of Section 5.2(d) or (e), as applicable. At the Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Loan of a Defaulting Lender.

5.2. Mandatory Prepayments.

(a) Loan Prepayments. (i) On each occasion that a Prepayment Event (other than a Debt Incurrence Prepayment Event or a New Debt Incurrence Prepayment Event) occurs, the Borrower shall, within ten Business Days after the receipt of Net Cash Proceeds of such Prepayment Event (or, in the case of Deferred Net Cash Proceeds, within three Business Days after the Deferred Net Cash Proceeds Payment Date), prepay (or cause to be prepaid) (subject to Section 11.13 when applicable), in accordance with clauses (c) and (d) below, Term B Loans and Term C Loans in a principal amount equal to 100% of the Net Cash Proceeds from such Prepayment Event.

(ii) On each occasion that a Debt Incurrence Prepayment Event occurs, the Borrower shall, within ten Business Days after the receipt of the Net Cash Proceeds from the

occurrence of such Debt Incurrence Prepayment Event, prepay Term B Loans and Term C Loans in accordance with clauses (c) and (d) below.

(iii) On each occasion that a New Debt Incurrence Prepayment Event occurs, the Borrower shall, within five Business Days after the receipt of the Net Cash Proceeds from the occurrence of such New Debt Incurrence Prepayment Event, (A) with respect to a New Debt Incurrence Prepayment Event resulting from the incurrence of Indebtedness pursuant to Section 10.1(y)(i) at the Borrower's election as to the allocation of such Net Cash Proceeds as among any and all of the following Classes, (x) prepay any Class or Classes of Term B Loans as selected by Borrower, (y) prepay, at the Borrower's option, any Class or Classes of Revolving Loans (and permanently reduce and terminate the related Revolving Commitments in the amount of the Net Cash Proceeds allocated to the prepayment of such Class or Classes of Revolving Loans) and/or (z) prepay any Class or Classes of Term C Loans as directed by Borrower and (B) with respect to each other New Debt Incurrence Prepayment Event, prepay the applicable Class or Classes of Term B Loans, Term C Loans or Revolving Loans that are the subject of the applicable Refinanced Debt, Refinanced Term B Loans or Refinanced Term C Loans, as applicable, in each case in a principal amount equal to 100% of the Net Cash Proceeds from such New Debt Incurrence Prepayment Event.

(b) Repayment of Revolving Loans. If on any date the aggregate amount of the Revolving Lenders' Revolving Credit Exposures (collectively, the "**Aggregate Revolving Credit Outstandings**") for any reason exceeds 100% of the Total Revolving Commitment then in effect, the Borrower shall, forthwith repay within one Business Day of written notice thereof from the Administrative Agent, the principal amount of the Revolving Loans in an amount necessary to eliminate such deficiency. If, after giving effect to the prepayment of all outstanding Revolving Loans, the Aggregate Revolving Credit Outstandings exceed the Total Revolving Commitment then in effect, the Borrower shall Cash Collateralize the Revolving L/C Obligations to the extent of such excess.

(c) Application to Repayment Amounts. Each prepayment of Loans required by Section 5.2(a) (except as provided in Section 5.2(a)(iii)) shall be allocated (i) first, to the Term B Loans then outstanding (ratably to each Class of Term B Loans (or on a less than ratable basis, if agreed to by the Lenders providing such Class of Term B Loans) based on then remaining principal amounts of the respective Classes of Term B Loans then outstanding) until paid in full, (ii) second, to the Term C Loans then outstanding (ratably to each Class of Term C Loans (or on a less than ratable basis, if agreed by the Lenders providing such Class of Term C Loans) based on the remaining principal amounts of the respective Classes of Term C Loans then outstanding) until paid in full and (iii) thereafter, at the option of the Borrower, to the Revolving Credit Facility (ratably to each Class of Revolving Commitments (or on a less than ratable basis if agreed by the Lenders providing such Class of Revolving Commitments) based on the respective Revolving Commitments of each Class) (without any permanent reduction in commitments thereof); provided that, with respect to the Net Cash Proceeds of an Asset Sale Prepayment Event, Recovery Prepayment Event or Permitted Sale Leaseback, in each case solely to the extent with respect to any Collateral, the Borrower may use a portion of such Net Cash Proceeds to prepay or repurchase Permitted Other Debt or other Indebtedness that ranks *pari*

passu with the Obligations (such Indebtedness, "**Additional Debt**") (and with such prepaid or repurchased Additional Debt permanently extinguished) constituting First Lien Obligations to the extent any applicable document governing such Additional Debt requires the issuer of such Additional Debt to prepay or make an offer to purchase or prepay such Additional Debt with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Cash Proceeds multiplied by (y) a fraction, the numerator of which is the outstanding principal amount of the Additional Debt constituting First Lien Obligations and with respect to which such a requirement to prepay or make an offer to purchase or prepay exists and the denominator of which is the sum of the outstanding principal amount of such Additional Debt and the outstanding principal amount of Term B Loans and Term C Loans. Each prepayment of Loans required by Section 5.2(a) shall be applied within each Class of Loans (i) ratably among the Lenders holding Loans of such Class (unless otherwise agreed by an applicable affected Lender) and (ii) to scheduled amortization payments in respect of such Loans in direct forward order of scheduled maturity thereof or as otherwise directed by the Borrower. Any prepayment of Term B Loans, Term C Loans or Revolving Loans with the Net Cash Proceeds of, or in exchange for, Permitted Other Debt, Refinancing Term B Loans, Replacement Term B Loans Refinancing Term C Loans or Replacement Term C Loans pursuant to Section 5.2(a)(iii)(B) shall be applied solely to each applicable Class or Classes of Term B Loans, Term C Loans or Revolving Loans being refinanced or replaced.

(d) Application to Term B Loans and Term C Loans. With respect to each prepayment of Term B Loans and Term C Loans elected to be made by the Borrower or required pursuant to Section 5.2(a), subject to Section 11.13 when applicable, the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; provided that the Borrower pays any amounts, if any, required to be paid pursuant to Section 2.11 with respect to prepayments of Term SOFR Loans made on any date other than the last day of the applicable Interest Period. In the absence of a Rejection Notice or a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11. Upon any prepayment of Term C Loans, the Term L/C Commitment shall be reduced by an amount equal to such prepayment as provided in Section 4.3(b) and the Borrower shall be permitted to withdraw an amount up to the amount of such prepayment from the Term C Collateral Account to complete such prepayment as, and to the extent, provided in Section 4.3(b).

(e) Application to Revolving Loans. With respect to each prepayment of Revolving Loans elected to be made by the Borrower pursuant to Section 5.1 or required by Section 5.2(a) or (b), the Borrower may designate (i) the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made and (ii) the Revolving Loans to be prepaid; provided that (x) each prepayment of any Loans made pursuant to a Borrowing shall be applied *pro rata* among such Loans; and (y) notwithstanding the provisions of the preceding clause (x), no prepayment made pursuant to Section 5.1 or 5.2(b) of Revolving Loans shall be applied to the Revolving Loans of any Defaulting Lender. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to

minimize breakage costs owing under Section 2.11. The mandatory prepayments set forth in this Section 5.2 shall not reduce the aggregate amount of Commitments and amounts prepaid may be reborrowed in accordance with the terms hereof except as provided in Section 5.2(a)(iii).

(f) Term SOFR Interest Periods. In lieu of making any payment pursuant to this Section 5.2 in respect of any Term SOFR Loan other than on the last day of the Interest Period therefor so long as no Event of Default shall have occurred and be continuing, the Borrower at its option may deposit with the Administrative Agent an amount equal to the amount of the Term SOFR Loan to be prepaid and such Term SOFR Loan shall be repaid on the last day of the Interest Period therefor in the required amount. Such deposit shall be held by the Administrative Agent in a corporate time deposit account established on terms reasonably satisfactory to the Administrative Agent, earning interest at the then customary rate for accounts of such type. Such deposit shall constitute cash collateral for the Term SOFR Loans to be so prepaid; provided that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 5.2.

(g) Minimum Amount. (i) No prepayment shall be required pursuant to Section 5.2(a)(i) unless and until the amount at any time of Net Cash Proceeds from Prepayment Events required to be applied at or prior to such time pursuant to such Section and not yet applied at or prior to such time to prepay Term B Loans or Term C Loans pursuant to such Section exceeds (x) $25,000,000 for a single Prepayment Event or (y) $100,000,000 in the aggregate for all Prepayment Events in any one Fiscal Year, at which time all such Net Cash Proceeds in excess thereof shall be applied as a prepayment in accordance with this Section 5.2.

(h) Rejection Right. The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term B Loans required to be made pursuant to Section 5.2(a) (other than prepayments made in connection with any Debt Incurrence Prepayment Event or New Debt Incurrence Prepayment Event), in each case at least three Business Days prior to the date such prepayment is required to be made (or such shorter period of time as agreed to by the Administrative Agent in its reasonable discretion). Each such notice shall be revocable and specify the anticipated date of such prepayment and provide a reasonably detailed estimated calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Lender holding Term B Loans to be prepaid in accordance with such prepayment notice of the contents of the Borrower's prepayment notice and of such Lender's *pro rata* share of the prepayment. Each Lender may reject all or a portion of its *pro rata* share of any such prepayment of Term B Loans required to be made pursuant to Section 5.2(a) (other than prepayments made in connection with any Debt Incurrence Prepayment Event or New Debt Incurrence Prepayment Event) (such declined amounts, the "**Declined Proceeds**") by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent and the Borrower no later than 5:00 p.m. one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice shall specify the principal amount of the mandatory prepayment of Term B Loans to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term B Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such prepayment of Term B

Loans. Any Declined Proceeds remaining thereafter shall be retained by the Borrower ("**Retained Declined Proceeds**").

(i) Foreign Net Cash Proceeds. Notwithstanding any other provisions of this Section 5.2, (i) to the extent that any or all of the Net Cash Proceeds from a Recovery Prepayment Event (a "**Foreign Recovery Event**") of, or any Disposition by, a Restricted Foreign Subsidiary giving rise to an Asset Sale Prepayment Event are prohibited or delayed by applicable local law or material agreement (so long as not created in contemplation of such prepayment) or organizational document from being repatriated to the United States (a "**Foreign Asset Sale**"), such portion of the Net Cash Proceeds so affected will not be required to be applied to repay Term B Loans or Term C Loans, as applicable, at the times provided in this Section 5.2 but may be retained by the applicable Restricted Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to promptly take commercially reasonable actions reasonably required by the applicable local law or material agreement to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law (and in any event not later than ten (10) Business Days after such repatriation is permitted to occur) applied (net of additional taxes payable or reserved against as a result thereof) apply an amount equal thereto to the repayment of the Term B Loans or Term C Loans as required pursuant to this Section 5.2 and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Recovery Event, any Foreign Asset Sale would have a material adverse tax consequence resulting from the repatriation with respect to such Net Cash Proceeds, the Net Cash Proceeds so affected may be retained by the applicable Restricted Foreign Subsidiary (the Borrower hereby agreeing to promptly take commercially reasonable actions reasonably required to overcome or eliminate such material adverse tax consequence). For the avoidance of doubt, so long as an amount equal to the amount of Net Cash Proceeds required to be applied in accordance with Section 5.2(a) is applied by the Borrower, nothing in this Agreement (including this Section 5) shall be construed to require any Restricted Foreign Subsidiary to repatriate cash.

5.3. Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto or the L/C Issuer entitled thereto, as the case may be, not later than 3:00 p.m., in each case, on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by written notice to the Borrower, it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. All repayments or prepayments of any Loans (whether of principal, interest or otherwise) hereunder and all other payments under each Credit Document shall be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 3:00 p.m. or,

otherwise, on the next Business Day) like funds relating to the payment of principal or interest or fees ratably to the Lenders of each applicable Class of Loans entitled thereto.

(b) Any payments under this Agreement that are made later than 3:00 p.m. shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4. Net Payments.

(a) Any and all payments made by, on behalf of, or on an account of any obligation of, the Borrower or any Guarantor under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided that if any applicable withholding agent shall be required by Applicable Law to deduct or withhold any Taxes from such payments, then (i) if such Tax is an Indemnified Tax, the sum payable by the Borrower or any Guarantor shall be increased as necessary so that after making all such required deductions and withholdings (including such deductions or withholdings applicable to additional sums payable under this Section 5.4), the applicable Lender (or in the case of payments made to an Agent for its own account, such Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such deductions or withholdings and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with Applicable Law. Whenever any Taxes are payable by the Borrower or any Guarantor, as promptly as possible thereafter, the Borrower or Guarantor shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt (or other evidence acceptable to the Administrative Agent, acting reasonably) received by the Borrower or such Guarantor evidencing payment thereof.

(b) The Borrower shall timely pay to the relevant Governmental Authority, or at the option of the Administrative Agent reimburse the Administrative Agent for the payment of, any Other Taxes (whether or not such Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority).

(c) The Borrower shall indemnify and hold harmless the Administrative Agent, the Collateral Agent and each Lender within fifteen Business Days after written demand therefor, for the full amount of any Indemnified Taxes imposed on the Administrative Agent, the Collateral Agent or such Lender as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower or any Guarantor hereunder or under any other Credit Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth reasonable detail as to the amount of such payment or liability delivered to the Borrower by a Lender, the

Administrative Agent or the Collateral Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Any Lender that is entitled to an exemption from or reduction of withholding Tax, with respect to payments hereunder or under any other Credit Document shall, to the extent it is legally able to do so, deliver to the Borrower (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. A Lender's obligation under the prior sentence shall apply only if the Borrower or the Administrative Agent has made a request for such documentation. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in this Section 5.4(d), the completion, execution and submission of such documentation (other than such documentation set forth in Sections 5.4(e), 5.4(h) and 5.4(i) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Each Lender hereby authorizes the Administrative Agent to deliver to the Credit Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to Sections 5.4(d), 5.4(e), 5.4(h) and 5.4(i).

(e) Each Non-U.S. Lender with respect to any Loan made to the Borrower shall, to the extent it is legally eligible to do so:

(i) deliver to the Borrower and the Administrative Agent, prior to the date on which the first payment to the Non-U.S. Lender is due hereunder, two copies of (x) in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding Tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", United States Internal Revenue Service Form W-8BEN or W-8BEN-E (together with a certificate substantially in the form of Exhibit Q certifying that (1) such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Code, (2) such Non-U.S. Lender is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower, (3) any interest payment received by such Non-U.S. Lender under this Agreement or any other Credit Document is not effectively connected with the non-U.S. Lender's conduct of a trade or business in the United States and (4) such Non-U.S. Lender is not a controlled foreign corporation related to the Borrower (within the meaning of Section 881(c)(3)(C) of the Code)), (y)(1) Internal Revenue Service Form W-8BEN or Form W-8BEN-E, in each case properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding Tax on payments by the Borrower or any Guarantor under an applicable income tax treaty to which the United States is a party or (2) properly completed and duly executed Internal Revenue Service Form W-8ECI, or (z) if a Non-U.S. Lender does not act or ceases to act for its own account with

respect to any portion of any sums paid or payable to such Lender under any of the Credit Documents (for example, in the case of a typical participation or where Non-U.S. Lender is a pass through entity) Internal Revenue Service Form W-8IMY and all necessary attachments (including the forms described in clauses (x) and (y) above, as required), provided that if the Non-U.S. Lender is a partnership (and not a participating Lender), and one or more of the partners is claiming portfolio interest treatment, the certificate substantially in the form of Exhibit Q may be provided by such Non-U.S. Lender on behalf of such partner(s)), in each case properly completed and duly executed; and

(ii) deliver to the Borrower and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) in each case properly completed and duly executed on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

If in any such case any Change in Law has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Non-U.S. Lender from duly completing and delivering any such form with respect to it, such Non-U.S. Lender shall promptly so advise the Borrower and the Administrative Agent.

(f) If any Lender, the Administrative Agent or the Collateral Agent, as applicable, determines, in its sole discretion exercised in good faith, that it had received and retained a refund of an Indemnified Tax (including an Other Tax) for which a payment of additional amounts or indemnification payments has been made by the Borrower pursuant to Section 5.4, which refund in the good faith judgment of such Lender, the Administrative Agent or the Collateral Agent, as the case may be, is attributable to such payment made by the Borrower, then the Lender, the Administrative Agent or the Collateral Agent, as the case may be, shall reimburse the Borrower for such amount (net of all out-of-pocket expenses of such Lender, the Administrative Agent or the Collateral Agent, as the case may be, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender, the Administrative Agent or the Collateral Agent, as the case may be, determines in its sole discretion exercised in good faith to be the proportion of the refund as will leave such Person, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid; provided that the Borrower, upon the request of the Lender, the Administrative Agent or the Collateral Agent, agrees to repay the amount paid over to the Borrower pursuant to this Section 5.4(f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender, the Administrative Agent or the Collateral Agent, as the case may be, in the event the Lender, the Administrative Agent or the Collateral Agent is required to repay such refund to such Governmental Authority. Upon reasonable request by the Borrower, a Lender, the Administrative Agent or the Collateral Agent shall claim any refund in

respect of any Indemnified Tax or Other Tax for which a payment of additional amounts or indemnification payments has been made by the Borrower pursuant to this Section 5.4 that such Lender or Agent determines is available to it, unless it concludes in its sole discretion that it would be adversely affected by making such a claim. None of any Lender, the Administrative Agent or the Collateral Agent shall be obliged to disclose any information regarding its tax affairs or computations to any Credit Party in connection with this clause (f) or any other provision of this Section 5.4.

(g) If the Borrower determines that a reasonable basis exists for contesting a Tax, each Lender or Agent, as the case may be, shall use reasonable efforts to cooperate with the Borrower as the Borrower may reasonably request in challenging such Tax. Subject to the provisions of Section 2.12, each Lender and Agent agrees to use reasonable efforts to cooperate with the Borrower as the Borrower may reasonably request to minimize any amount payable by the Borrower or any Guarantor pursuant to this Section 5.4. The Borrower shall indemnify and hold each Lender and Agent harmless against any reasonable out-of-pocket expenses incurred by such Person in connection with any request made by the Borrower pursuant to this Section 5.4(g). Nothing in this Section 5.4(g) shall obligate any Lender or Agent to take any action that such Person, in its reasonable judgment, determines would result in a material detriment to such Person.

(h) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent two copies of United States Internal Revenue Service Forms W-9 (or substitute or successor form), properly completed and duly executed, certifying that such Lender is exempt from United States backup withholding (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before the date that such form expires or becomes obsolete, (iii) promptly after the occurrence of a change in such U.S. Lender's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(i) If a payment made to any Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed under FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by Applicable Law and at such time or times reasonably requested by the Borrower or the Agent, such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such other documentation reasonably requested by the Administrative Agent and the Borrower as may be necessary for the Administrative Agent and the Borrower to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 5.4(i), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(j) The agreements in this Section 5.4 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(k) For purposes of this Section 5.4, the term "Lender" shall include any L/C Issuer.

5.5. Computations of Interest and Fees.

(a) Except as provided in the next succeeding sentence, interest on Term SOFR Loans and ABR Loans (other than as set forth in the succeeding sentence) shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans in respect of which the rate of interest is calculated on the basis of the rate of interest in effect for such day as publicly announced from time to time by the Wall Street Journal as the "U.S. prime rate" and interest on overdue interest shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees shall be calculated on the basis of a 360-day year for the actual days elapsed.

5.6. Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obligated to pay any interest or other amounts under or in connection with this Agreement or otherwise in respect of the Obligations in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment that it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate that would be prohibited by any Applicable Law, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Applicable Law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8.

(d) Spreading. In determining whether the interest hereunder is in excess of the amount or rate permitted under or consistent with any Applicable Law, the total amount of interest shall be spread throughout the entire term of this Agreement until its payment in full.

(e) Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess

of the maximum permitted by any Applicable Law, then the Borrower shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

SECTION 6. Conditions Precedent to Effectiveness.

The effectiveness of this Agreement and the obligation of each Lender to make Loans on the Closing Date is subject to the satisfaction (or waiver) of the conditions precedent set forth in this Section 6.

6.1. Credit Documents. Except as set forth on Schedule 8.4, there are no actions, suits or proceedings pending or, to the knowledge of the Borrower, threatened in writing with respect to the Borrower or any of the Restricted Subsidiaries that have a reasonable likelihood of adverse determination and such determination would reasonably be expected to result in a Material Adverse Effect.

8.5. Margin Regulations. Neither the making of any Loan hereunder nor the use of the proceeds thereof will violate the provisions of Regulation T, U or X of the Board.

8.6. Governmental Approvals. The execution, delivery and performance of the Credit Documents by the Credit Parties does not require, on behalf of any Credit Party, any consent or approval of, registration or filing with, or other action by, any Governmental Authority, except for (i) such as have been obtained or made and are in full force and effect, (ii) filings and recordings in respect of the Liens created pursuant to the Security Documents, (iii) such FERC and Nuclear Regulatory Commission approvals and filings as may be required in connection with an exercise of remedies and (iv) such licenses, authorizations, consents, approvals, registrations, filings or other actions the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

or statements regarding future condition or operations, or information of a general economic or general industry nature.

(b) As of the Closing Date, the projections contained in the Lender Presentation are based upon good faith estimates and assumptions believed by the Borrower to be reasonable at the time made, it being recognized by the Agents, Joint Lead Arrangers and the Lenders that such projections, forward-looking statements, estimates and pro forma financial information are not to be viewed as facts or a guarantee of performance, and are subject to material contingencies and assumptions, many of which are beyond the control of the Credit Parties, and that actual results during the period or periods covered by any such projections, forward-looking statements, estimates and pro forma financial information may differ materially from the projected results.

There has been no Material Adverse Effect since December 31, 2022.

8.10. Tax Matters. Except where the failure of which would not be reasonably expected to have a Material Adverse Effect, (a) each of the Borrower and each of the Restricted Subsidiaries has filed all federal income Tax returns and all other Tax returns, domestic and foreign, required to be filed by it (after giving effect to all applicable extensions) and has paid all material Taxes payable by it that have become due (whether or not shown on such Tax return), other than those (i) not yet delinquent or (ii) contested in good faith as to which adequate reserves have been provided to the extent required by law and in accordance with GAAP, (b) each of the Borrower and each of the Restricted Subsidiaries has provided adequate reserves in accordance with GAAP for the payment of, all federal, state, provincial and foreign Taxes not yet due and payable, and (c) each of the Borrower and each of the Restricted Subsidiaries has satisfied all of its Tax withholding obligations.

12.3. Exculpatory Provisions.

(a) No Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the Lenders or any participant for any recitals, statements, representations or warranties made by the Borrower, any Guarantor, any other Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of the Borrower, any Guarantor or any other Credit Party to perform its obligations hereunder or thereunder. (iii) determining compliance or non-compliance with any condition hereunder to the making of a Loan or the issuance of a Letter of Credit and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition; and

(iv) the adequacy, accuracy and/or completeness of any information delivered by the Administrative Agent, the Collateral Agent, any other Lender or by any of their respective Related Parties under or in connection with this Agreement or any other Credit Document, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Credit Document.

(d) The Collateral Agent shall not be responsible for and makes no representation as to the existence, genuineness, value or protection of any Collateral, for the legality, effectiveness or sufficiency of any Security Document, or for the creation, perfection, priority, sufficiency or protection of any liens securing the Loans.

(f) Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction, reasonable satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Agreement if it shall not have received such written instruction, advice or concurrence of the Administrative Agent, as it deems appropriate. This provision is intended solely for the benefit of the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

(g) In no event shall the Collateral Agent be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

12.4. Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex, electronic mail, or teletype message, statement, order or other document or instruction believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent and shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans;

provided that none of the Administrative Agent or the Collateral Agent shall be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or Applicable Law. In the event that the Administrative Agent or the Collateral Agent receives such a notice, it shall give notice thereof to the Lenders, the Collateral Representative and either the Administrative Agent or the Collateral Agent, as applicable. The Administrative Agent, the Collateral Agent and the Collateral Trustee shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until the Administrative Agent, the Collateral Agent or the Collateral Trustee, as applicable, shall have received such directions, the Administrative Agent, the Collateral Agent or the Collateral Trustee, as applicable, may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as is within its authority to take under this Agreement and otherwise as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.

Each Lender and the L/C Issuer represents to Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, each Guarantor and each other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own

credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, each Guarantor and each other Credit Party. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, none of the Administrative Agent or the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower, any Guarantor or any other Credit Party that may come into the possession of the Administrative Agent, the Collateral Agent or any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.7. Indemnification. The Lenders agree to indemnify each Agent, each in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against such Agent, including all fees, disbursements and other charges of counsel to the extent required to be reimbursed by the Credit Parties pursuant to Section 13.5, in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing **(SUBJECT TO THE PROVISO BELOW, WHETHER OR NOT CAUSED BY OR ARISING IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE ORDINARY NEGLIGENCE OF THE INDEMNIFIED PERSON)**; provided that no Lender shall be liable to any Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction; provided, further, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur, be imposed upon, incurred by or asserted against the Administrative Agent or the Collateral Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing (including at any time following the payment of the Loans), this Section 12.7 applies

whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse such Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's *pro rata* portion thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct (as determined by a final judgment of court of competent jurisdiction). The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder and the resignation or removal of any Agent.

12.8. Agents in their Individual Capacities. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower, any Guarantor, and any other Credit Party as though such Agent were not an Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, each Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

12.9. Successor Agents. (a) Each of the Administrative Agent and Collateral Agent may resign at any time by notifying the other Agent, the Lenders, the L/C Issuers and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may (i) on behalf of the Lenders and the L/C Issuers, appoint a successor Agent meeting the qualifications set forth above (including receipt of the Borrower's consent) or (ii) petition a court of competent jurisdiction for the appointment of a successor; provided that if such Agent shall notify the Borrower and the Lenders that no qualifying Person (including as a result of the absence of consent of the Borrower) has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (x) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case

of any collateral security held by the Collateral Agent on behalf of any of the Secured Parties under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (y) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time as the Required Lenders with (except after the occurrence and during the continuation of an Event of Default under Section 11.1 or 11.5) the consent of the Borrower (not to be unreasonably withheld) appoint successor Agents as provided for above in this paragraph. Upon the acceptance of a successor's appointment as the Administrative Agent or Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

(b) Without limitation to Section 3.6(a) or 13.9, any resignation by Citibank, N.A. as Administrative Agent pursuant to this Section 12.9 shall also constitute its resignation as a L/C Issuer. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, (b) the retiring L/C Issuer shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents, and (c) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

12.10. Withholding Tax. To the extent required by any Applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or any other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate documentation was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has

not already been reimbursed by the Borrower (solely to the extent required by this Agreement) and without limiting the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement, any other Credit Document or otherwise against any amount due to the Administrative Agent under this Section 12.10. For purposes of this Section 12.10, the term "Lender" includes any L/C Issuer. The agreements in this Section 8.13 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

12.11. Trust Indenture Act. In the event that Citibank, N.A. or any of its Affiliates shall be or become an indenture trustee under the Trust Indenture Act of 1939 (as amended, the "**Trust Indenture Act**") in respect of any securities issued or guaranteed by any Credit Party, each Credit Party and each Lender agrees that any payment or property received in satisfaction of or in respect of any Obligation of such Credit Party hereunder or under any other Credit Document by or on behalf of Citibank, N.A., in its capacity as the Administrative Agent or the Collateral Agent for the benefit of any Lender or Secured Party under any Credit Document (other than Citibank, N.A. or an Affiliate of Citibank, N.A.) and which is applied in accordance with the Credit Documents shall be deemed to be exempt from the requirements of Section 311 of the Trust Indenture Act pursuant to Section 311(b)(3) of the Trust Indenture Act.

12.12. Collateral Trust Agreement; Intercreditor Agreements. Each of the Collateral Agent, the Collateral Trustee and the Administrative Agent is hereby authorized to enter into the Collateral Trust Agreement and any other intercreditor agreement contemplated hereby, and the parties hereto acknowledge that the Collateral Trust Agreement and any other intercreditor agreement to which the Collateral Agent, the Collateral Trustee and/or the Administrative Agent is a party are each binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Collateral Trust Agreement and any such other intercreditor agreement and (b) hereby authorizes and instructs the Collateral Agent, the Collateral Trustee and the Administrative Agent to enter into any First Lien Intercreditor Agreement and any Junior Lien Intercreditor Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. In addition, each Lender hereby authorizes the Collateral Agent, the Collateral Trustee and the Administrative Agent to enter into (i) any amendments to the Collateral Trust Agreement and (ii) any other intercreditor arrangements, in the case of clauses (i) and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required by Section 10.2 of this Agreement.

12.13. Security Documents and Guarantee; Agents under Security Documents and Guarantee. (a) Each Secured Bank Party hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Bank Parties, to be the agent for and representative of the Secured Bank Parties with respect to the Guarantee, the Collateral and the Security Documents, as applicable. Subject to Section 13.1, without further written consent or authorization from any Secured Bank Party, the Administrative Agent or the

Collateral Agent, as applicable, may (or may otherwise instruct the Collateral Representative to) execute any documents or instruments necessary to (a) release any Lien on any property granted to or held by the Administrative Agent, the Collateral Agent (acting at the direction of the Administrative Agent) or the Collateral Trustee (or any sub-agent thereof) under any Credit Document (i) upon the payment in full (or Cash Collateralization) of all Obligations (except for Hedging Obligations in respect of any Secured CA Hedging Agreement, Cash Management Obligations in respect of Secured CA Cash Management Agreements and contingent obligations in respect of which a claim has not yet been made and Cash Collateralized Letters of Credit), (ii) if the property subject to such Lien is sold or to be sold or transferred as part of or in connection with any sale or other transfer permitted hereunder and the other Credit Documents to a Person that is not a Credit Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary or an Excluded Project Subsidiary in compliance with this Agreement, (iii) if the property subject to such Lien is owned by a Credit Party, upon the release of such Credit Party from its Guarantee otherwise in accordance with the Credit Documents, (iv) as and to the extent provided in the Security Documents, (v) if the property subject to such Lien constitutes Excluded Collateral or Excluded Stock and Stock Equivalents, or (vi) if approved, authorized or ratified in writing in accordance with Section 13.1; (b) release any Guarantor that is a Subsidiary from its obligations under the Guarantee if such Person ceases to be a Restricted Subsidiary (or otherwise becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder; provided, that the release of any Guarantor from its obligations under this Agreement, if such Guarantor becomes an Excluded Subsidiary of the type described in clause (b) of the definition thereof, shall only be permitted if such Guarantor becomes an Excluded Subsidiary of such type solely as a result of a permitted transaction with a Person that is not an Affiliate of Borrower (other than to the extent such Person becomes a non-Affiliate of Borrower as a result of such transaction) that is not solely for the purpose of releasing such Guarantor from its Guarantee; (c) subordinate any Lien on any property granted to or held by the Administrative Agent, the Collateral Agent or the Collateral Trustee under any Credit Document to the holder of any Lien permitted under clauses (d), (f) (to the extent representing a refinancing Lien in respect of Section 10.2(g)), (g), (s), (u), and (ff) of Section 10.2 and clause (o) of the definition of "Permitted Liens"; or (d) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent, the Collateral Agent or the Collateral Trustee is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including the Collateral Trust Agreement.

(b) Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Credit Documents to the contrary notwithstanding, the Borrower, the Agents, the Joint Lead Arrangers and each Secured Bank Party hereby agree that (i) no Secured Bank Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder and under the Guaranty may be exercised solely by the Administrative Agent or Collateral Agent, on behalf of the Secured Bank Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Trustee and the Collateral Agent, in each case, on behalf of the Secured Bank Parties, and (ii) in the event of a foreclosure by the Collateral Representative on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Representative or any Secured Bank

Party may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and each of the Collateral Trustee and the Collateral Agent, as agent for and representative of the Secured Bank Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Representative at such sale or other disposition. No holder of Hedging Obligations under Secured CA Hedging Agreements or Cash Management Obligations under Secured CA Cash Management Agreements shall have any rights in connection with the management or release of any Collateral or of the obligations of any Credit Party under this Agreement. No holder of Hedging Obligations under Secured CA Hedging Agreements or Cash Management Obligations under Secured CA Cash Management Agreements that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any other Credit Document shall have any right to notice of any action or to consent to or vote on, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender, L/C Issuer or Agent and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Agreement to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured CA Hedging Agreements and Secured CA Cash Management Agreements, unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

12.14. Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, L/C Issuer or Secured Bank Party, or any Person who has received funds on behalf of a Lender, L/C Issuer or Secured Bank Party (any such Lender, L/C Issuer, Secured Bank Party or other recipient (other than a Credit Party), a "**Payment Recipient**") that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, L/C Issuer, Secured Bank Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, L/C Issuer or Secured Bank Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such

Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error. If a Payment Recipient receives any payment, prepayment or repayment of principal, interest, fees, distribution or otherwise and does not receive a corresponding payment notice or payment advice, such payment, prepayment or repayment shall be presumed to be in error absent written confirmation from the Administrative Agent to the contrary.

(b) Each Lender, L/C Issuer or Secured Bank Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, L/C Issuer or Secured Bank Party under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such Lender, L/C Issuer or Secured Bank Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(c) For so long as an Erroneous Payment (or portion thereof) has not been returned by any Payment Recipient who received such Erroneous Payment (or portion thereof) (such unrecovered amount, an "**Erroneous Payment Return Deficiency**") to the Administrative Agent after demand therefor in accordance with immediately preceding clause (a), (i) the Administrative Agent may elect, in its sole discretion on written notice to such Lender, L/C Issuer or Secured Bank Party, that all rights and claims of such Lender, L/C Issuer or Secured Bank Party with respect to the Loans or other Obligations owed to such Person up to the amount of the corresponding Erroneous Payment Return Deficiency in respect of such Erroneous Payment (the "**Corresponding Loan Amount**") shall immediately vest in the Administrative Agent upon such election; after such election, the Administrative Agent (x) may reflect its ownership interest in Loans in a principal amount equal to the Corresponding Loan Amount in the Register, and (y) upon five business days' written notice to such Lender, L/C Issuer or Secured Bank Party, may sell such Loan (or portion thereof) in respect of the Corresponding Loan Amount, and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by such Lender, L/C Issuer or Secured Bank Party shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender, L/C Issuer or Secured Bank Party (and/or against any Payment Recipient that receives funds on its behalf), and (ii) each party hereto agrees that, except to the extent that the Administrative Agent has sold such Loan, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of such Lender, L/C Issuer or Secured Bank Party with respect to the Erroneous Payment Return Deficiency. For the avoidance of doubt, no vesting or sale pursuant to the foregoing clause (i) will reduce the Commitments of any Lender or L/C Issuer and such Commitments shall remain available in accordance with the terms of this Agreement.

(d) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Credit

Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Credit Party for the purpose of making such Erroneous Payment.

(e) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(f) Each party's obligations, agreements and waivers under this Section 12.14 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Credit Document.

12.15. Certain ERISA Matters.

(a) Each Lender and Term L/C Issuer (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a party hereto to the date such Person ceases being a party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender or Term L/C Issuer, as applicable, is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plan Investors with respect to such Person's entrance into, participation in, administration of and performance of the Loans, the Term Letters of Credit, the Incremental Commitments, the Incremental Loans, the Refinancing Commitments, the Refinancing Loans or this Agreement,

(iii) (A) such Person is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Person to enter into,

participate in, administer and perform the Initial Term B Loans, the Initial Term C Loans, the Initial Revolving Loans, the Incremental Commitments, the Incremental Loans, the Refinancing Commitments, the Refinancing Loans or this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Term Letters of Credit , the Incremental Commitments, the Incremental Loans, the Refinancing Commitments, the Refinancing Loans or this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Person, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Person's entrance into, participation in, administration of and performance of the Loans, the Term Letters of Credit, the Incremental Commitments, the Incremental Loans, the Refinancing Commitments, the Refinancing Loans or this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender or Term L/C Issuer.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Initial Term B Loans, the Initial Term C Loans, the Initial Revolving Loans, the Incremental Commitments, the Incremental Loans, the Refinancing Commitments, the Refinancing Loans or this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Documents or any documents related hereto or thereto).

SECTION 13. Miscellaneous.

13.1. Amendments, Waivers and Releases. Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof, may be amended, supplemented or modified except in accordance with the provisions of this Section 13.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent may, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of the Credit Parties hereunder or thereunder or (b) waive in writing, on such terms and conditions as the Required Lenders or the Administrative Agent and/or Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that each such waiver and each such amendment, supplement or modification shall be effective only in the specific instance and for

the specific purpose for which given; and provided, further, that no such waiver and no such amendment, supplement or modification shall:

(i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate, or forgive any portion, or extend the date for the payment, of any interest or Fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or extend the final expiration date of any Lender's Commitment or extend the final expiration date of any Revolving Letter of Credit beyond the applicable Revolving L/C Maturity Date or extend the final expiration date of any Term Letter of Credit beyond the Term L/C Termination Date, or increase the aggregate amount of the Commitments of any Lender, in each case without the written consent of each Lender directly and adversely affected thereby; provided that, in each case for purposes of this clause (i), a waiver of any condition precedent in Section 6 or Section 7 of this Agreement, the waiver of any Default, Event of Default, default interest, mandatory prepayment or reductions, any modification, waiver or amendment to the financial definitions or financial ratios or any component thereof or the waiver of any other covenant shall not constitute an increase of any Commitment of a Lender, a reduction or forgiveness of any portion of any Loan or in the interest rates or the fees or premiums or a postponement of any date scheduled for the payment of principal or interest or an extension of the final maturity of any Loan, or the scheduled termination date of any Commitment; or

(ii) amend, modify or waive any provision of this Section 13.1 or reduce the percentages specified in the definition of "Required Lenders", "Required Revolving Lenders", "Required Term B Lenders" or "Required Term C Lenders", consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3) or alter the order of application set forth in Section 5.2(c) or Section 11.13 or Section 3.4 of the Collateral Trust Agreement, in each case without the written consent of each Lender directly and adversely affected thereby, or

(iii) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and Collateral Agent or any other former or current Agent to whom Section 12 then applies in a manner that directly and adversely affects such Person, or

(iv) amend, modify or waive any provision of Section 3 with respect to any Letter of Credit in a manner that directly and adversely affects a L/C Issuer without the written consent of the such L/C Issuer,

(v) release all or substantially all of the value of the Guarantors under the Guarantee (except as expressly permitted by the Guarantee or this Agreement) or, subject to the Collateral Trust Agreement, release all or substantially all of the Collateral under the Security Documents (except as expressly permitted by the Security Documents or this Agreement), in either case without the prior written consent of each Lender;

(vi) amend, modify or waive any provision of any Credit Document that would have the effect of subordinating (x) the Liens securing any of the Loans on all or

substantially all of the Collateral to the Liens securing any other Indebtedness or other obligations or (y) any Loans in contractual right of payment to any other Indebtedness; *provided*, that any subordination expressly permitted by the Collateral Trust Agreement or other intercreditor agreement as permitted to be entered into under this Agreement or any other Credit Document shall not be restricted by subclauses (x) and (y) above; or

(vii) amend, modify or waive any provision relating to a Susquehanna Event of Default or the last paragraph of Section 10.3, in each case, without the written consent of the Required Lenders and the Required Revolving Lenders.

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon the Borrower, the applicable Credit Parties, such Lenders, the Administrative Agent and all future holders of the affected Loans.

In the case of any waiver, the Borrower, the applicable Credit Parties, the Lenders, the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In connection with the foregoing provisions, the Administrative Agent may, but shall have no obligations to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, modification, supplement, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended without the consent of such Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders, except as expressly provided for by this Agreement).

Notwithstanding the foregoing, (i) only the Required Revolving Lenders under the Revolving Credit Facility shall have the ability to waive, amend, supplement or modify the covenant set forth in Section 10.9 (or the defined terms to the extent used therein but not as used in any other provision of this Agreement or any other Credit Document), Section 11 (solely as it directly relates to Section 10.9), or Section 9.1 (solely as it directly relates to a qualification resulting from an actual Event of Default under Section 10.9), (ii) the written consent of the Required Revolving Lenders, each Revolving L/C Issuer and the Administrative Agent shall be required to amend the sublimit for Revolving Letters of Credit and the definition of "Revolving L/C Commitment" and (iii) Section 4.2 may not be waived or amended in a manner that affects the making of any Revolving Loan without the consent of the Required Revolving Lenders.

Notwithstanding the foregoing, in addition to any credit extensions and related Incremental Amendment(s) effectuated without the consent of Lenders in accordance with Section 2.14, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or

more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Loans and Commitments and the accrued interest and Fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new Loans and Commitments.

In addition, notwithstanding the foregoing, the Administrative Agent, the Collateral Agent, the relevant L/C Issuer(s) and the relevant Credit Parties may amend, supplement or modify any provision of Section 3 (or any defined term as used in such Section 3, or any underlying definition thereto as used in Section 3, or any underlying definition thereto as used in Section 3) to make technical, ministerial or operational changes (or any other amendments, supplements or modifications which impact such consenting L/C Issuer) without the consent of any Lender so long as such amendments do not adversely affect the Lenders.

In addition, any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders stating that would be required to consent thereto under this Section 13.1 if such Class of Lenders were the only Class of Lenders hereunder at the time.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term B Loans to permit the refinancing of all outstanding Term B Loans of a given Class ("**Refinanced Term B Loans**") with a replacement term loan tranche ("**Replacement Term B Loans**") hereunder; provided that (a) except as otherwise permitted hereby, the aggregate principal amount of such Replacement Term B Loans shall not exceed the aggregate principal amount of such Refinanced Term B Loans plus (i) an amount equal to all accrued but unpaid interest, fees, premium, and expenses incurred in connection therewith (including original issue discount, upfront fees and similar items) and (ii) unused commitment amounts, (b) the Weighted Average Life to Maturity of such Replacement Term B Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term B Loans at the time of such refinancing ((without giving effect to any previous amortization payments or prepayments of the Term B Loans), and (c) the covenants, defaults, guaranties, security and mandatory repayment provisions applicable to such Replacement Term B Loans shall be substantially identical to, or less favorable (taken as a whole) to the Lenders providing such Replacement Term B Loans than those applicable to such Refinanced Term B Loans, except to the extent necessary to provide for covenants and other provisions applicable only to periods after the Latest Maturity Date in effect immediately prior to such refinancing.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term C Loans (as defined below) to permit the refinancing of all

outstanding Term C Loans of a given Class ("**Refinanced Term C Loans**") with a replacement term loan tranche ("**Replacement Term C Loans**") hereunder; provided that (a) except as otherwise permitted hereby, the aggregate principal amount of such Replacement Term C Loans shall not exceed the aggregate principal amount of such Refinanced Term C Loans plus (i) an amount equal to all accrued but unpaid interest, fees, premium, and expenses incurred in connection therewith (including original issue discount, upfront fees and similar items) and (ii) unused commitment amounts, (b) the Weighted Average Life to Maturity of such Replacement Term C Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term C Loans at the time of such refinancing (without giving effect to any previous amortization payments or prepayments of the Term C Loans) and (c) the covenants, defaults, guaranties, security and mandatory repayment provisions applicable to such Replacement Term C Loans shall be substantially identical to, or less favorable (taken as a whole) to the Lenders providing such Replacement Term C Loans than those applicable to such Refinanced Term C Loans, except to the extent necessary to provide for covenants and other provisions applicable only to periods after the Latest Maturity Date in effect immediately prior to such refinancing.

In addition, notwithstanding the foregoing, this Agreement and the other Credit Documents may be amended with the written consent of the Administrative Agent, the Borrower, the Term L/C Issuers and the Lenders providing the relevant Replacement Facility to permit the replacement of all outstanding Term C Loans of a given Class ("**Replaced Term C Loans**") or all outstanding Revolving Loans of a given Class ("**Replaced Revolving Loans**") with a replacement revolving credit loan facility (solely, with respect to the Replaced Term C loans, for the purpose of supporting the issuance of letters of credit), or a facility designed to provide the Borrower with access to letters of credit ("**Replacement Facility**") hereunder; provided that (a) except as otherwise permitted hereby, the aggregate amount of such Replacement Facility shall not exceed the aggregate principal amount of such Replaced Term C Loans plus (i) an amount equal to all accrued but unpaid interest, fees, premium, and expenses incurred in connection therewith (including original issue discount, upfront fees and similar items) and (ii) unused commitment amounts, (b) such Replacement Facility does not mature (or require any mandatory commitment reductions) prior to the maturity date of such Replaced Term C Loans or Replaced Revolving Loans, as applicable, and (d) the covenants, defaults, guaranties, security and mandatory repayment provisions applicable to such Replacement Facility shall be substantially identical to, or less (taken as a whole) favorable to the Lenders providing such Replacement Facility than those applicable to such Replaced Term C Loans or Replaced Revolving Loans, except to the extent necessary to provide for covenants and other provisions applicable only to periods after the Latest Maturity Date in effect immediately prior to such refinancing.

The Lenders hereby irrevocably agree that the Liens granted to the Collateral Representative by the Credit Parties on any Collateral shall be automatically released (and the Collateral Agent shall (at the direction of the Administrative Agent) instruct the Collateral Representative to release), subject to the Collateral Trust Agreement, (i) in full, upon the termination of this Agreement and the payment of all Obligations hereunder (except for Hedging Obligations in respect of any Secured CA Hedging Agreement, Cash Management Obligations in respect of Secured CA Cash Management Agreements and contingent obligations in respect of which a claim has not yet been made and Cash Collateralized Letters of Credit), (ii) upon the sale

or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee (in accordance with the following sentence), (vi) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Representative pursuant to the Security Documents and/or (vii) if such assets constitute Excluded Collateral. Any such release shall not in any manner discharge, affect or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. Additionally, the Lenders hereby irrevocably agree that the Subsidiary Guarantors shall be automatically released from the Guarantee upon consummation of any transaction resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary or upon becoming an Excluded Subsidiary; provided that the release of any Guarantor from its obligations under this Agreement, if such Guarantor becomes an Excluded Subsidiary of the type described in clause (b) of the definition thereof, shall only be permitted if such Guarantor becomes an Excluded Subsidiary of such type solely as a result of a permitted transaction with a Person that is not an Affiliate of Borrower (other than to the extent such Person becomes a non-Affiliate of Borrower as a result of such transaction) that is not solely for the purpose of releasing such Guarantor from its Guarantee. The Lenders hereby authorize the Administrative Agent, the Collateral Agent and the Collateral Trustee, as applicable, and the Administrative Agent and the Collateral Agent agree to (and agree to instruct the Collateral Trustee to), execute and deliver any instruments, documents, and agreements necessary or desirable or reasonably requested by the Borrower to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender.

Notwithstanding anything herein to the contrary, the Credit Documents may be amended to (i) add syndication or documentation agents and make customary changes and references related thereto and (ii) if applicable, add or modify "parallel debt" language in any jurisdiction in favor of the Collateral Agent or Collateral Trustee or add Collateral Agents, in each case under clauses (i) and (ii), with the consent of only the Borrower and the Administrative Agent, and in the case of clause (ii), the Collateral Agent.

Notwithstanding anything in this Agreement (including, without limitation, this Section 13.1) or any other Credit Document to the contrary, (i) this Agreement and the other Credit Documents may be amended to effect an incremental facility, refinancing facility or extension facility pursuant to Section 2.14 (and the Administrative Agent and the Borrower may

effect (and instruct the Collateral Representative to effect) such amendments to this Agreement and the other Credit Documents without the consent of any other party as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any such incremental facility, refinancing facility or extension facility); (ii) no Lender consent is required to effect any amendment or supplement to the Collateral Trust Agreement (and the Administrative Agent shall instruct the Collateral Representative to effect such amendment or supplement) or other intercreditor agreement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of the Collateral Trust Agreement or such other intercreditor agreement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the Collateral Trust Agreement or applicable intercreditor agreement as, in the good faith determination of the Administrative Agent in consultation with the Borrower, are required to effectuate the foregoing; provided that such other changes are not adverse, in any material respect, to the interests of the Lenders taken as a whole); provided, further, that no such agreement shall amend, modify or otherwise directly and adversely affect the rights or duties of the Administrative Agent hereunder or under any other Credit Document without the prior written consent of the Administrative Agent; (iii) any provision of this Agreement or any other Credit Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Credit Document) may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent (or, if applicable, the Collateral Representative, at the direction of the Administrative Agent) to (x) cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower) and (y) effect administrative changes of a technical or immaterial nature (as reasonably determined by the Administrative Agent and the Borrower); (iv) guarantees, collateral documents and related documents executed by the Credit Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with any other Credit Document, entered into, amended, supplemented or waived, without the consent of any other Person, by the applicable Credit Party or Credit Parties and the Administrative Agent or the Collateral Agent (at the direction of the Administrative Agent) in its or their respective sole discretion if applicable (or the Collateral Representative, at the direction of the Administrative Agent), (A) to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Bank Parties, (B) as required by local law or advice of counsel to give effect to, or protect any security interest for the benefit of the Secured Bank Parties, in any property or so that the security interests therein comply with applicable requirements of law, (C) to cure ambiguities, omissions, mistakes or defects (as reasonably determined by the Administrative Agent and the Borrower) or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents or (D) to provide for the termination of the Collateral Trust Agreement and related arrangements (including the continuation of the Liens securing the Obligations); (v) the Credit Parties, the Collateral Agent and Collateral Representative, without the consent of any other Secured Bank Party, shall be permitted to enter into amendments and/or supplements to the Collateral Trust Agreement and any Security Documents in order to (i) include customary provisions permitting the Collateral Representative to appoint sub-collateral agents or representatives to act with respect to Collateral matters thereunder in its stead

(including the Collateral Agent and sub-collateral agent with control over the Term C Collateral Accounts pursuant to the applicable account control agreements) and (ii) expand the indemnification provisions contained therein to provide that holders of Additional First Lien Debt (as defined in the Collateral Trust Agreement) indemnify the Collateral Agent, in its capacity as Controlling First Lien Representative (as defined in the Collateral Trust Agreement) and/or the Collateral Trustee, on a pro rata basis with the Lenders; and (vi) this Agreement and the other Credit Documents may be amended by the Administrative Agent as set forth in Section 2.10(f) (including to implement any Benchmark Replacement Conforming Changes) without the consent of any other Person.

Notwithstanding anything in this Agreement or any Security Document to the contrary, the Administrative Agent may, in its sole discretion, grant extensions of time (and direct the Collateral Representative to grant such extensions) for the satisfaction of any of the requirements under Sections 9.11, 9.12 and 9.14 or any Security Documents in respect of any particular Collateral or any particular Subsidiary if it determines that the satisfaction thereof with respect to such Collateral or such Subsidiary cannot be accomplished without undue expense or unreasonable effort or due to factors beyond the control of the Borrower and the Restricted Subsidiaries by the time or times at which it would otherwise be required to be satisfied under this Agreement or any Security Document.

13.2. Notices. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile or other electronic transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

13.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent, the Collateral Trustee or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

13.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5. Payment of Expenses; Indemnification. The Borrower agrees, within thirty (30) days after written demand therefor (including documentation reasonably supporting such request), or, in the case of expenses of the type described in clause (a) below incurred prior to the Closing Date, on the Closing Date, (a) to pay or reimburse the Agents and the Joint Lead Arrangers and their permitted successors and assigns for all their reasonable documented and invoiced out-of-pocket costs and expenses incurred (i) in connection with the syndication, preparation, execution, delivery, negotiation and administration of this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable and documented fees, disbursements and other charges of Cahill Gordon & Reindel LLP, and (ii) upon the occurrence and during the continuation of an Event of Default, in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable documented and invoiced out-of-pocket fees, disbursements and other charges of Advisors (limited, in the case of Advisors, as set forth in the definition thereof), (b) to pay, indemnify, and hold harmless each Lender, the L/C Issuers and each Agent from, any and all recording and filing fees and (c) to pay, indemnify, and hold harmless each Lender, the L/C Issuers and each Agent and their respective Affiliates, directors, officers, partners, employees and agents (other than, in each case, Excluded Affiliates) from and against any and all other liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, including reasonable and documented out-of-pocket fees, disbursements and other charges of Advisors related to the Transactions or, with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Credit Documents and any such other documents, including, any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law (other than by such indemnified person or any of its Related Parties (other than trustees and advisors)) or to any actual or alleged presence, release or threatened release into the environment of Hazardous Materials attributable to the operations of the Borrower, any of the Borrower's Subsidiaries or any of the Real Estate (all the foregoing in this clause (c), collectively, the "**indemnified liabilities**") **(SUBJECT TO THE PROVISO BELOW, WHETHER OR NOT CAUSED BY OR ARISING IN WHOLE OR IN PART, OUT OF THE COMPARATIVE,**

CONTRIBUTORY OR SOLE ORDINARY NEGLIGENCE OF THE INDEMNIFIED PERSON); provided that neither the Borrower nor any other Credit Party shall have any obligation hereunder to any Agent, any L/C Issuer or any Lender or any of their respective Related Parties with respect to indemnified liabilities to the extent they result from (A) the gross negligence, bad faith or willful misconduct of such indemnified Person or any of its Related Parties as determined by a final non-appealable judgment of a court of competent jurisdiction, (B) a material breach of the obligations of such indemnified Person or any of its Related Parties under the Credit Documents as determined by a final non-appealable judgment of a court of competent jurisdiction, (C) disputes not involving an act or omission of the Borrower or any other Credit Party and that is brought by an indemnified Person against any other indemnified Person, other than any claims against any indemnified Person in its capacity or in fulfilling its role as an Agent or any similar role under the Credit Facilities, (D) such indemnified Person's capacity as a financial advisor of the Borrower or its Subsidiaries in connection with the Transactions, (E) such indemnified Person's capacity as a co-investor in any potential acquisition of the Borrower or its Subsidiaries or (F) any settlement effected without the Borrower's prior written consent, but if settled with the Borrower's prior written consent (not to be unreasonably withheld, delayed, conditioned or denied) or if there is a final non-appealable judgment against an indemnified Person in any such proceeding, the Borrower will indemnify and hold harmless such indemnified Person from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this Section 13.5. All amounts payable under this Section 13.5 shall be paid within 30 days of receipt by the Borrower of an invoice relating thereto setting forth such expense in reasonable detail. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder.

No Credit Party nor any indemnified Person or their respective Affiliates or the respective directors, officers, employees, advisors and agents of the foregoing shall have any liability for any special, punitive, indirect or consequential damages resulting from this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (except, in the case of the Borrower's obligation hereunder to indemnify and hold harmless the indemnified Person, to the extent any indemnified Person is found liable for special, punitive, indirect or consequential damages to a third party). No Credit Party nor any indemnified Person or their respective Affiliates or the respective directors, officers, employees, advisors and agents of the foregoing shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any indemnified Person or any of its Related Parties (as determined by a final non-appealable judgment of a court of competent jurisdiction). This Section 13.5 shall not apply to Taxes.

Each indemnified Person, by its acceptance of the benefits of this Section 13.5, agrees to refund and return any and all amounts paid by the Borrower (or on its behalf) to it if, pursuant to limitations on indemnification set forth in this Section 13.5, such indemnified Person was not entitled to receipt of such amounts.

13.6. Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of a L/C Issuer that issues any Letter of Credit), except that (i) except as expressly permitted by Section 10.3, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of a L/C Issuer that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 13.6), to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders and each other Person entitled to indemnification under Section 12.7) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in clause (b)(ii) and (h) below, any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments (including any Existing Revolving Commitments or Extended Revolving Commitments) and the Loans (including participations in Revolving L/C Obligations) at the time owing to it) with the prior written consent (such consent not be unreasonably withheld or delayed, provided, that, if the Borrower shall have received a request for such consent and has not responded for a period of 15 Business Days, such consent shall be deemed to have been provided; it being understood that, without limitation, the Borrower shall have the right to withhold or delay its consent to any assignment if in order for such assignment to comply with Applicable Law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority) of:

(A) the Borrower; provided that no consent of the Borrower shall be required for an assignment (1) to a Lender (limited in the case of any assignment of Revolving Commitments and Revolving Loans, to a Revolving Lender) or an Affiliate of a Lender (limited in the case of any assignment of Revolving Commitments and Revolving Loans, to an affiliate of a Revolving Lender) or an Approved Fund (other than in respect of an assignment of a Revolving Commitment and Revolving Loans), (2) if a Specified Default has occurred and is continuing with respect to the Borrower, to any other assignee or (3) such assignment is between Goldman Sachs Bank USA and Goldman Sachs Lending Partners LLC; and

(B) the Administrative Agent, and in the case of Revolving Commitments or Revolving Loans, each Revolving L/C Issuer; provided that no consent of the Administrative Agent shall be required for any assignment of (a) any Term B Loan or Term C Loan to a Lender, an Affiliate of a Lender, an Approved Fund, the Borrower, a

Restricted Subsidiary of the Borrower or an Affiliated Parent Company otherwise in accordance with clause (b) below or (b) a Revolving Commitment and Revolving Loans to a Revolving Lender or an Affiliate of a Revolving Lender.

Notwithstanding the foregoing, no such assignment shall be made to (x) a natural person or (y) a Disqualified Institution, and any attempted assignment to a Disqualified Institution after the applicable Person became a Disqualified Institution shall be null and void. For the avoidance of doubt, (i) the Administrative Agent shall have no obligation with respect to, and shall bear no responsibility or liability for, the monitoring or enforcing of the list of Persons who are Disqualified Institutions (or any provisions relating thereto) at any time and (ii) the Administrative Agent may share a list of Persons who are Disqualified Institutions with any Lender upon request.

(ii) Assignments shall be subject to the following additional conditions:

(A) except (i) in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, (ii) an assignment to a Federal Reserve Bank or (iii) in connection with the initial syndication of the Commitments or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent), shall not be less than, (x) in the case of Revolving Loans and Revolving Commitments, $5,000,000 and (y) in the case of Term B Loans and Term C Loans, $1,000,000, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if a Specified Default has occurred and is continuing with respect to the Borrower; provided, further, that contemporaneous assignments to a single assignee made by Affiliates of Lenders and related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance, together with a processing and recordation fee in the amount of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; and

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "**Administrative Questionnaire**").

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) of this Section 13.6, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 3.5, 5.4 and 13.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 13.6 (other than attempted assignments or transfers to Disqualified Institutions, which shall be null and void as provided above).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and any payment made by any L/C Issuer under any Letter of Credit owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). Further, each Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, the L/C Issuers and any Lender, at any reasonable time and from time to time upon reasonable prior notice; provided, that no Lender shall, in such capacity, have access to, or be otherwise permitted to review any information in the Register other than information with respect to such Lender.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section 13.6 (unless waived) and any written consent to such assignment required by clause (b) of this Section 13.6, the Administrative Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register.

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any L/C Issuer, sell participations to one or more banks or other entities that are not Disqualified Institutions (each, a "**Participant**") (and any such attempted sales to Disqualified Institutions after such Person became a Disqualified Institution shall be null and void) in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments (including any Existing Revolving Commitments or Extended Revolving Commitments) and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) the Borrower, the Administrative Agent, the L/C Issuers and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, the Administrative Agent shall have no obligation with respect to, and shall bear no responsibility or liability for, the monitoring or enforcing of the list of Disqualified Institutions Lenders with respect to the sales of participations at any time. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any consent, amendment, modification, supplement or waiver described in clauses (i) or (vii) of the second proviso of the first paragraph of Section 13.1 that directly and adversely affects such Participant. Subject to clause (c)(ii) of this Section 13.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 (it being understood that the documentation required under Section 5.4 shall be delivered to the participating Lender) to the same extent as if it were a Lender, and provided that such Participant agrees to be subject to the requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6. To the extent permitted by Applicable Law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant shall be subject to Section 13.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11, or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld or delayed).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest in the Loans (or other rights or obligations) held by it (the "**Participant Register**"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's

interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or Section 1.163-5(b) of the United States Proposed Treasury Regulations (or any amended or successor version). This Section is intended such that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 13.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment or for any other reason, the Borrower hereby agrees that, promptly following the reasonable request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit K-1, K-2, or K-3, evidencing the Revolving Loans, Term B Loans and Term C Loans, respectively, owing to such Lender.

(e) Subject to Section 13.16, the Borrower authorizes each Lender to disclose (other than to any Disqualified Institutions) to any Participant, secured creditor of such Lender or assignee (each, a "**Transferee**"), any prospective Transferee and any prospective direct or indirect contractual counterparties to any swap or derivative transactions to be entered into in connection with or relating to Loans made hereunder any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(g) SPV Lender. Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (a "**SPV**"), identified as such in writing from time to time by the Granting Lender to the Administrative

Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it shall not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 13.6, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. This Section 13.6(g) may not be amended without the written consent of the SPV. Notwithstanding anything to the contrary in this Agreement, (x) no SPV shall be entitled to any greater rights under Sections 2.10, 2.11, and 5.4 than its Granting Lender would have been entitled to absent the use of such SPV and (y) each SPV agrees to be subject to the requirements of Sections 2.10, 2.11, and 5.4 (it being understood that the documentation required under Section 5.4 shall be delivered to the Granting Lender) as though it were a Lender and has acquired its interest by assignment pursuant to clause (b) of this Section 13.6.

(h) (x) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term B Loans and Term C Loans to any Affiliated Parent Company, the Borrower or any Subsidiary thereof and (y) any Affiliated Parent Company, the Borrower and any Subsidiary may, from time to time, purchase or prepay Term B Loans and Term C Loans, in each case, on a non *pro rata* basis through (1) Dutch auction procedures open to all applicable Lenders on a *pro rata* basis in accordance with customary procedures to be mutually agreed between the Borrower and the Auction Agent or (2) open market purchases; provided that:

(i) any Loans or Commitments acquired by the Borrower or any Restricted Subsidiary shall be retired and cancelled promptly upon acquisition thereof;

(ii) no assignment of Term B Loans or Term C Loans to the Borrower or any Restricted Subsidiary (x) may be purchased with the proceeds of any Revolving Loans or (y) may occur while an Event of Default has occurred and is continuing hereunder;

(iii) in connection with each assignment pursuant to this Section 13.6(h), none of any Affiliated Parent Company, the Borrower or any Subsidiary purchasing any Lender's Term B Loans or Term C Loans shall be required to make a representation that it is not in possession of MNPI with respect to the Borrower and its Subsidiaries or their respective securities, and all parties to such transaction may render customary "big boy" letters to each other (or to the Auction Agent, if applicable);

(iv) (A) the aggregate outstanding principal amount of the Term B Loans or Term C Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of such Term B Loans or Term C Loans acquired by, or contributed to, any Affiliated Parent Company, the Borrower or such Subsidiary and (B) any scheduled principal repayment installments with respect to the Term B Loans or Term C Loans of such Class occurring pursuant to Sections 2.5(b) and (c), as applicable, prior to the final maturity date for Term B Loans or Term C Loans of such Class, shall be reduced *pro rata* by the par value of the aggregate principal amount of Term B Loans so purchased or contributed (and subsequently cancelled and retired), with such reduction being applied solely to the remaining Term B Loans or Term C Loans of the Lenders which sold or contributed such Term B Loans or Term C Loans;

(v) no Affiliated Lender shall have any right to (x) attend or participate in (including, in each case, by telephone) any meeting (including "Lender only" meetings) or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower are not then present or invited thereto, (y) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders or any other material which is "Lender only", except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or receive any advice of counsel to the Administrative Agent or (z) make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender;

(vi) except with respect to any amendment, modification, waiver, consent or other action (a) that pursuant to Section 13.1 requires the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (b) that alters the applicable Affiliated Lender's *pro rata* share of any payments given to all Lenders, or (c) affects the applicable Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by the applicable Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and, in the case of a plan of reorganization that does not affect the applicable Affiliated Lender in a manner that is adverse to such Affiliated Lender relative to other Lenders, such Affiliated

Lender shall be deemed to have voted its interest in the Term B Loans and Term C Loans in the same proportion as the other Lenders in the same Class) (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph) (but, in any event, in connection with any amendment, modification, waiver, consent or other action, shall be entitled to any consent fee, calculated as if all of the applicable Affiliated Lender's Term B Loans and Term C Loans had voted in favor of any matter for which a consent fee or similar payment is offered); and

(vii) no such acquisition by an Affiliated Lender shall be permitted if, after giving effect to such acquisition, the aggregate principal amount of Term B Loans or Term C Loans of any Class held by Affiliated Lenders would exceed 25% of the aggregate principal amount of all Term B Loans or Term C Loans, as applicable, of such Class outstanding at the time of such purchase; provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of the applicable Loans held by Affiliated Lenders exceeding such 25% threshold at the time of such purchase, the purchase of such excess amount will be void *ab* initio.

Each Lender that sells its Term B Loans or Term C Loans pursuant to this Section 13.6 acknowledges and agrees that (i) the Borrower and its Subsidiaries may come into possession of additional information regarding the Loans or the Credit Parties at any time after a repurchase has been consummated pursuant to an auction or open market purchase hereunder that was not known to such Lender at the time such repurchase was consummated and may be information that would have been material to such Lender's decision to enter into an assignment of such Term B Loans or Term C Loans hereunder ("**Excluded Information**"), (ii) such Lender will independently make its own analysis and determination to enter into an assignment of its Loans and to consummate the transactions contemplated by an auction notwithstanding such Lender's lack of knowledge of Excluded Information and (iii) none of the direct or indirect equityholders of the Borrower or any of its respective Affiliates, or any other Person, shall have any liability to such Lender with respect to the nondisclosure of the Excluded Information.

13.7. Replacements of Lenders under Certain Circumstances.

(a) The Borrower shall be permitted to (x) to replace any Lender with a replacement bank or other financial institution or (y) terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in the case of a Lender (other than a L/C Issuer), repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of a L/C Issuer only, repay all Obligations of the Borrower owing to such L/C Issuer relating to the Loans and participations held by the L/C Issuer as of such termination date and cancel or Cash Collateralize any Letters of Credit issued by it, in each case, that (a) requests reimbursement for amounts owing pursuant to Section 2.10, 3.5 or 5.4, (b) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken, (c) becomes a Defaulting Lender or (d) refuses to make an Extension Election pursuant to Section 2.15; provided that, solely in the case of the foregoing clause (x), (i) no Specified Default shall have occurred and be continuing at the time of such replacement, (ii) the Borrower shall

repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts (other than any disputed amounts), pursuant to Section 2.10, 2.11, 3.5 or 5.4, as the case may be) owing to such replaced Lender prior to the date of replacement, (iii) the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent (solely to the extent such consent would be required under Section 13.6), (iv) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein unless otherwise agreed) and (v) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "**Non-Consenting Lender**") has failed to consent to a proposed amendment, modification, supplement, waiver, discharge or termination that pursuant to the terms of Section 13.1 requires the consent of either (i) all of the Lenders of the applicable Class or Classes directly and adversely affected or (ii) all of the Lenders of the applicable Class or Classes, and, in each case, with respect to which the Required Lenders (or Required Revolving Lenders, Required Term B Lenders or Lenders holding the majority of outstanding loans or commitments in respect of the applicable Class or Classes, as applicable) or a majority (in principal amount) of the directly and adversely affected Lenders shall, in each such case, have granted their consent, then provided no Event of Default then exists, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to (x) replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans and its Commitments hereunder (in respect of any applicable Class only, at the election of the Borrower) to one or more assignees reasonably acceptable to the Administrative Agent (to the extent such consent would be required under Section 13.6) or (y) terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in the case of a Lender (other than the L/C Issuer), repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of the L/C Issuer only, repay all Obligations of the Borrower owing to such L/C Issuer relating to the Loans and participations held by the L/C Issuer as of such termination date and cancel or Cash Collateralize any Letters of Credit issued by it; provided that: (a) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment, and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon. In connection with any such assignment, the Borrower, Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6; provided, however, that if such Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance reflecting such assignment, then (i) the failure of such Non-Consenting Lender to execute an Assignment and Acceptance shall not render such assignment invalid and such assignment shall be deemed effective upon satisfaction of the other applicable conditions of Section 13.6 and this Section 13.7(b) and (ii) the Administrative Agent shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance on behalf of such Non-Consenting Lender and may record such assignment in the Register. Each Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled

with an interest) as such Lender's attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, to take any action and to execute any Assignment and Acceptance or other instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Section 13.7(b).

(c) If any assignment or participation under Section 13.6 is made to any Disqualified Institution without the Borrower's prior written consent, such assignment or participation shall be void. Nothing in this Section 13.7(c) shall be deemed to prejudice any right or remedy that the Borrower may otherwise have at law or at equity.

13.8. Adjustments; Set-off.

(a) Except as contemplated in Section 13.6 or elsewhere herein or in any other Credit Document, if any Lender (a "**Benefited Lender**") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), in a greater proportion than any such payment to or Collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by Applicable Law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by Applicable Law but with the prior written consent of the Administrative Agent, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust, tax, fiduciary, employee health and benefits, pension, 401(k) and petty cash accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

13.9. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall

be lodged with the Borrower and the Administrative Agent. This Agreement, any Credit Document and each Communication, including Communications required to be in writing, may be in the form of an Electronic Record (as defined below) and may be executed using Electronic Signatures (as defined below). Each of the Credit Parties and each of the Secured Parties agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on such Person to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature will constitute the legal, valid and binding obligation of such Person enforceable against such Person in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Secured Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is not under any obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by such Person pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Secured Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Credit Party and/or any Secured Party without further verification and (ii) upon the request of the Administrative Agent or any Secured Party, any Electronic Signature shall be promptly followed by a manually executed, original counterpart. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

13.10. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.11. INTEGRATION. THIS WRITTEN AGREEMENT AND THE OTHER CREDIT DOCUMENTS REPRESENT THE FINAL AGREEMENT OF PARENT, THE BORROWER, THE COLLATERAL AGENT, THE ADMINISTRATIVE AGENT, THE L/C ISSUERS AND THE LENDERS WITH RESPECT TO THE SUBJECT MATTER HEREOF, AND (1) THERE ARE NO PROMISES, UNDERTAKINGS, REPRESENTATIONS OR WARRANTIES BY THE BORROWER, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, THE L/C ISSUERS OR ANY LENDER RELATIVE TO SUBJECT MATTER HEREOF NOT

EXPRESSLY SET FORTH OR REFERRED TO HEREIN OR IN THE OTHER CREDIT DOCUMENTS, (2) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES AND (3) THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES; PROVIDED THAT THE SYNDICATION PROVISIONS AND THE BORROWER'S CONFIDENTIALITY OBLIGATIONS IN THE ENGAGEMENT AND COMMITMENT LETTER SHALL REMAIN IN FULL FORCE AND EFFECT. IT IS SPECIFICALLY AGREED THAT THE PROVISION OF THE CREDIT FACILITIES HEREUNDER BY THE LENDERS SUPERSEDES AND IS IN SATISFACTION OF THE OBLIGATIONS OF THE AGENTS (AS DEFINED IN THE ENGAGEMENT AND COMMITMENT LETTER) TO PROVIDE THE COMMITMENTS SET FORTH IN THE ENGAGEMENT AND COMMITMENT LETTER.

13.12. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (WHETHER IN TORT, CONTRACT OR OTHERWISE AND WHETHER AT LAW OR IN EQUITY).

13.13. Submission to Jurisdiction; Waivers. Each party hereto irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, in each case, in the City of New York, Borough of Manhattan and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 13.2 at such other address of which the Administrative Agent shall have been notified pursuant to Section 13.2;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction;

(e) subject to the last paragraph of Section 13.5, waives, to the maximum extent not prohibited by Applicable Law, any right it may have to claim or recover in any legal

action or proceeding referred to in this Section 13.13 any special, exemplary, punitive or consequential damages; and

(f) agrees that a final judgment in any action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law.

13.14. Acknowledgments. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Credit Documents;

(b) (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Borrower, on the one hand, and the Administrative Agent, the L/C Issuer, the Lenders, the Joint Lead Arrangers and the other Agents on the other hand, and the Borrower and the other Credit Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each of the Administrative Agent, the Joint Lead Arrangers and the other Agents, is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary for any of the Borrower, any other Credit Parties or any of their respective Affiliates, stockholders, creditors or employees or any other Person; (iii) neither the Administrative Agent nor any other Agent has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower or any other Credit Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent or any other Agent has advised or is currently advising the Borrower, the other Credit Parties or their respective Affiliates on other matters) and neither the Administrative Agent or other Agent has any obligation to the Borrower, the other Credit Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents; (iv) the Administrative Agent, each other Agent and each Affiliate of the foregoing may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any other Agent has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) neither the Administrative Agent nor any other Agent has provided and none will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. The Borrower agrees not to claim that the Administrative Agent or any other Agent has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower or

any other Affiliates, in connection with the transactions contemplated hereby or the process leading hereto.

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or the Borrower, on the one hand, and any Lender, on the other hand.

13.15. WAIVERS OF JURY TRIAL. THE BORROWER, EACH AGENT AND EACH LENDER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

13.16. Confidentiality. The Administrative Agent, each L/C Issuer, each other Agent and each Lender shall hold all non-public information furnished by or on behalf of the Borrower or any Subsidiary of the Borrower in connection with such Lender's evaluation of whether to become a Lender hereunder or obtained by such Lender, the Administrative Agent, L/C Issuer or such other Agent pursuant to the requirements of this Agreement or in connection with any amendment, supplement, modification or waiver or proposed amendment, supplement, modification or waiver hereto (including any Extension Amendment) or the other Credit Documents ("**Confidential Information**"), confidential; provided that the Administrative Agent, each L/C Issuer, each other Agent and each Lender may make disclosure (a) as required by the order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, or otherwise as required by Applicable Law, regulation or compulsory legal process (in which case such Lender, the Administrative Agent, L/C Issuer or such other Agent shall use commercially reasonable efforts to inform the Borrower promptly thereof to the extent lawfully permitted to do so (except with respect to any audit or examination conducted by bank accountants or any self-regulatory authority or governmental or regulatory authority exercising examination or regulatory authority)), (b) to such Lender's or the Administrative Agent's or such L/C Issuer's or such other Agent's attorneys, professional advisors, independent auditors, trustees or Affiliates involved in the Transactions (other than Excluded Affiliates) on a "need to know" basis and who are made aware of and agree to comply with the provisions of this Section 13.16, in each case on a confidential basis (with such Lender, the Administrative Agent, L/C Issuer or such other Agent responsible for such persons' compliance with this Section 13.16), (c) to any bona fide investor or prospective bona investor in a Securitization that agrees its access to information regarding the Credit Parties, the Loans and the Credit Documents is solely for purposes of evaluating an investment in a Securitization and who agrees to treat such information as confidential in accordance with this Section 13.16, (d) on a confidential basis to any bona fide prospective Lender, prospective participant, swap counterparty or other counterparty party to another transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder (in each case, other than a Disqualified Institution or a Person who the Borrower has affirmatively denied assignment thereto in accordance with Section 13.6), (e) to the extent requested by any bank regulatory authority having jurisdiction over a Lender or its Affiliates (including in any audit or examination conducted by bank accountants or any self-regulatory authority or governmental or regulatory

In addition, the Administrative Agent, the L/C Issuers and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent or any L/C Issuer or Lender in connection with the administration of this Agreement, the other Credit Documents and the Commitments. In addition, the Administrative Agent, each L/C Issuer, each other Agent and each Lender may disclose the existence of and information about this Agreement as part of a "case study" incorporated into promotional materials. Each Lender, the Administrative Agent, each other L/C Issuer and each other Agent agrees that it will not provide to prospective Transferees or to any pledgee referred to in Section 13.6 or to prospective direct, indirect contractual counterparties or other counterparty to any swap, derivative transactions or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder any of the Confidential Information unless such Person is advised of and agrees to be bound by the provisions of this Section 13.16 or confidentiality provisions at least as restrictive as those set forth in this Section 13.16.

13.17. Direct Website Communications.

(a) The Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that they are obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or Interest Period relating thereto), (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any Default or Event of Default under this Agreement, or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any Borrowing or other extension of

credit thereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at the electronic mail address specified for the Administrative Agent in Schedule 13.2 (or such other electronic mail address provided by the Administrative Agent); provided that: (i) upon written request by the Administrative Agent or the Borrower shall deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 13.17 shall prejudice the right of the Borrower, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

(b) The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(c) The Borrower further agrees that the Agents and the Joint Lead Arrangers may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "**Platform**"), so long as the access to such Platform is limited (i) to the Agents, the Joint Lead Arrangers, the L/C Issuers, the Lenders or any bona fide potential Transferee and (ii) remains subject the confidentiality requirements set forth in Section 13.16.

(d) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. In no event shall any Agent or their Related Parties (collectively, the " **Agent Parties**" and each an "**Agent Party**") have any liability to the

Borrower, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or any Agent's transmission of Communications through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties' (other than trustees or advisors)) gross negligence, bad faith or willful misconduct or material breach of the Credit Documents (as determined in a final non-appealable judgment of a court of competent jurisdiction).

(e) The Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to the Borrower, the Subsidiaries of the Borrower or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that the Borrower has indicated contains only publicly available information with respect to the Borrower and the Subsidiaries of the Borrower and their securities may be posted on that portion of the Platform designated for such public-side Lenders. If the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to the Borrower, the Subsidiaries of the Borrower and their securities. Notwithstanding the foregoing, the Borrower shall use commercially reasonable efforts to indicate whether any document or notice contains only publicly available information.

13.18. USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Patriot Act**") and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender to identify each Credit Party in accordance with the Patriot Act and the Beneficial Ownership Regulation.

13.19. Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

13.20. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or other Obligation owing under this Agreement, together with all fees, charges and other amounts that are treated as interest on such Loan or other Obligation under Applicable Law (collectively, "charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender or other Person holding such Loan or other Obligation in accordance with Applicable Law, the rate of interest payable in respect of such Loan or other Obligation hereunder, together with all charges payable in respect thereof, shall be limited to the Maximum Rate. To the extent lawful, the interest and charges that would have been paid in respect of such Loan or other Obligation but were not paid as a result of the operation of this Section 13.20 shall be cumulated and the interest and charges payable to such Lender or other Person in respect of other Loans or Obligations or periods shall be increased (but not above the amount collectible at the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate for each day to the date of repayment, shall have been received by such Lender or other Person. Any amount collected by such Lender or other Person that exceeds the maximum amount collectible at the Maximum Rate shall be applied to the reduction of the principal balance of such Loan or other Obligation or refunded to the Borrower so that at no time shall the interest and charges paid or payable in respect of such Loan or other Obligation exceed the maximum amount collectible at the Maximum Rate.

13.21. Keepwell. Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Guarantor to honor all of its obligations under this Guarantee in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 13.21, or otherwise under this Agreement, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). Each Qualified ECP Guarantor intends that this Section 13.21 constitute, and this Section 13.21 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

13.22. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

13.23. Acknowledgement Regarding Any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for any Secured CA Hedging Agreement or any other agreement or instrument that is a QFC (as defined below) (such support, "***QFC Credit Support***", and each such QFC, a "***Supported QFC***"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "***U.S. Special Resolution Regimes***") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity (as defined below) that is party to a Supported QFC (each, a "***Covered Party***") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate (as defined below) of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights (as defined below) under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 13.23, the following terms have the following meanings:

"***BHC Act Affiliate***" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"***Covered Entity***" shall mean any of the following: (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"***Default Right***" shall have the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"*QFC*" shall have the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

The waiver granted herein (the "Waiver") is limited solely to the matters set forth in the prior sentence and nothing contained herein shall be deemed a consent to, or waiver of, any other action or inaction of the Borrower which constitutes (or would constitute) a violation of any provision of the Credit Agreement or any other Credit Document.

D. Amendment No. 2 Effective Date.

This Amendment No. 2 shall become effective as of the first date on which each of the conditions set forth in this Section D shall have been satisfied (or waived) (such date, the "Amendment No. 2 Effective Date"):

9. no event has occurred and is continuing or would result from the consummation of the proposed transactions contemplated hereby that would constitute an Event of Default.

For purposes of determining compliance with the conditions specified in this Section D, by signing this Amendment No. 2, each Lender party hereto shall be deemed to have consented to, approved or accepted or to be satisfied with or waived (as applicable), each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to such Lender unless the Borrower and the Administrative Agent shall have received notice from such Lender prior to the Amendment No. 2 Effective Date specifying its objection thereto.

E. Other Terms.

1. Amendment, Modification and Waiver. This Amendment No. 2 may not be amended, modified or waived except by an instrument or instruments in writing signed and delivered on behalf of each of the parties hereto in accordance with the provisions of Section 13.1 of the Credit Agreement.

2. Entire Agreement. This Amendment No. 2, the Amended Credit Agreement and the other Credit Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties or any of them with respect to the subject matter hereof.

3. No Novation. This Amendment No. 2 shall not extinguish the obligations for the payment of money outstanding under the Credit Agreement or any other Credit Document or discharge or release any Lien or priority of or under any Security Document or any other security therefor. Nothing herein contained shall be construed as a substitution or novation of the obligations outstanding under the Credit Agreement or any other Credit Document or instruments securing the same, which shall remain in full force and effect, except to any extent modified hereby or by instruments executed concurrently herewith and except to the extent repaid as provided herein. Nothing implied in this Amendment No. 2 or in any other document contemplated hereby shall be construed as a release or other discharge of any of the Credit Parties under any Credit Document from any of its obligations and liabilities as a borrower, guarantor or pledgor under any of the Credit Documents.

4. GOVERNING LAW. THIS AMENDMENT NO. 2 AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER (WHETHER IN CONTRACT, TORT OR OTHERWISE AND IN LAW OR EQUITY) SHALL BE GOVERNED BY, CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

5. **Severability**. Any term or provision of this Amendment No. 2 which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Amendment No. 2 or affecting the validity or enforceability of any of the terms or provisions of this Amendment No. 2 in any other jurisdiction. If any provision of this Amendment No. 2 is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as would be enforceable.

6. **Counterparts**. This Amendment No. 2 may be executed in counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. This Amendment No. 2 may be executed using Electronic Signatures (as defined below). (m) The term "fair market value" is by way of example and not limitation and means fair market value as determined by the Borrower in good faith.

1.3. Accounting Terms.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP.

(b) Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to any election under the Financial Accounting Standards Board's Accounting Standards Codification No. 825—Financial Instruments, or any successor thereto (including pursuant to the Accounting Standards Codification), to value any Indebtedness of the Borrower or any Subsidiary at "fair value" as defined therein.

(c) Notwithstanding anything to the contrary herein, (i) for purposes of determining compliance with any test or covenant contained in this Agreement with respect to any period during which any Specified Transaction occurs (or, for purposes of determining compliance with any test or covenant governing the permissibility of any transaction hereunder, during such period and thereafter and on or prior to such date of determination), Consolidated Adjusted EBITDA, Consolidated Total Assets, the Consolidated Total Net Leverage Ratio, the Consolidated First Lien Net Leverage Ratio, and the Consolidated Secured Net Leverage Ratio shall each be calculated with respect to such period and such Specified Transaction on a Pro Forma Basis and (ii) for purposes of determining compliance with any ratio governing the permissibility of any transaction to be consummated on a Pro Forma Basis hereunder, (A) the cash proceeds of any incurrence of debt then being incurred in connection with such transaction shall not be netted from Consolidated Total Debt and (B) Consolidated Total Debt shall be calculated after giving effect to

any prepayment of Indebtedness, in each case, for purposes of calculating the Consolidated First Lien Net Leverage Ratio, Consolidated Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio, as applicable. If since the beginning of any applicable Test Period, any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any of the Restricted Subsidiaries, in each case, since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this definition, then such financial ratio or test (or Consolidated Adjusted EBITDA or Consolidated Total Assets) shall be calculated to give *pro forma* effect thereto in accordance with this definition.

(d) Notwithstanding anything to the contrary, (i) notwithstanding any change in GAAP after December 31, 2018 that would require lease obligations that would be treated as operating leases as of December 31, 2018 to be classified and accounted for as Capital Leases or finance leases or otherwise reflected on the Borrower's consolidated balance sheet, such obligations shall continue to be excluded from the definition of Indebtedness and (ii) any lease that would have been considered an operating lease under GAAP in effect as of December 31, 2018 shall be treated as an operating lease for all purposes under this Agreement and the other Credit Documents, and obligations in respect thereof shall be excluded from the definition of Indebtedness.

(e) With respect to the determination of Consolidated Adjusted EBITDA, Consolidated Total Assets, the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio, the Consolidated Secured Net Leverage Ratio or any determination under any other applicable provision of the Credit Documents (including the definition of Immaterial Subsidiary) made on or prior to the date on which financial statements for the fiscal quarter ending June 30, 2023 described in Section 9.1(b) have been delivered (or were required to have been delivered), such calculation will be determined for the period of four consecutive fiscal quarters ended March 31, 2023.

1.4. Rounding. Any financial ratios required to be maintained by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

1.5. References to Agreements, Laws, Etc. Unless otherwise expressly provided herein, (a) references to organizational documents, agreements (including the Credit Documents) and other Contractual Requirements shall be deemed to include all subsequent amendments, restatements, amendment and restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, amendment and restatements, extensions, supplements and other modifications are permitted by any Credit Document and (b) references to any Requirement of Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Requirement of Law.

1.6. Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

1.7. Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

1.8. Currency Equivalents Generally. For purposes of determining compliance under Sections 10.4, 10.5 and 10.6 with respect to any amount denominated in any currency other than Dollars (other than with respect to (a) any amount derived from the financial statements of the Borrower and the Subsidiaries of the Borrower or (b) any Indebtedness denominated in a currency other than Dollars), such amount shall be deemed to equal the Dollar equivalent thereof based on the average Exchange Rate for such other currency for the most recent twelve-month period immediately prior to the date of determination determined in a manner consistent with that used in calculating Consolidated Adjusted EBITDA for the related period. For purposes of determining compliance with Sections 10.1, 10.2 and 10.5, with respect to any amount of Indebtedness in a currency other than Dollars, compliance will be determined at the time of incurrence or advancing thereof using the Dollar equivalent thereof at the Exchange Rate in effect at the time of such incurrence or advancement.

1.9. Hedging Agreements. It is understood, acknowledged and agreed (without limitation) that the following Hedging Agreements and/or Commodity Hedging Agreements shall be deemed to be entered into in the ordinary course of business and not be deemed speculative or entered into for speculative purposes for any purpose of this Agreement and all other Credit Documents: (a) any Commodity Hedging Agreement intended, at trading, inception or execution, to hedge, mitigate or manage any risks related to (i) existing and/or forecasted power generation, capacity or load of the Borrower or the Restricted Subsidiaries (whether owned or contracted) or (ii) any fuel or other inputs related to, or in connection with, any of the items listed in sub-clause (a)(i), (b) any Hedging Agreement intended, at trading, inception or execution, (i) to hedge, mitigate or manage the interest rate exposure associated of the Borrower or the Restricted Subsidiaries (including those arising under any debt securities, debt facilities or leases (existing or forecasted)), (ii) for foreign exchange or currency exchange risk mitigation or management, (iii) to manage commodity portfolio exposure associated with changes in interest rates or (iv) to hedge any exposure that the Borrower or any Restricted Subsidiary may have to counterparties under other Hedging Agreements such that the combination of such Hedging Agreements is not speculative taken as a whole and (c) any Hedging Agreement and/or Commodity Hedging Agreement, as applicable, entered into by the Borrower or any Restricted Subsidiary that was intended, at trading, inception or execution, to unwind or offset (in whole or in part) any Hedging Agreement and/or Commodity Hedging Agreement, as applicable, described in clauses (a) and (b) of this Section 1.9.

1.10. Limited Condition Transactions. In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of (i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test, (ii) determining the accuracy of representations and warranties in Section 8 and/or whether a Default or Event of Default shall have occurred and be continuing under Section 11 or (iii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated Adjusted EBITDA or Consolidated Total Assets), in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited

Condition Transaction, an "**LCT Election**"), the date of determination of whether any such action is permitted hereunder shall be deemed to be at the option of the Borrower, (i) the date the definitive agreement for such Limited Condition Transaction is entered into (or the date of the effectiveness of any documentation or agreement with a substantially similar effect as a binding acquisition agreement), (ii) at the time that binding commitments to provide any debt contemplated or incurred in connection therewith are provided or at the time such debt is incurred or (iii) at the time of the consummation of the relevant Limited Condition Acquisition (the "**LCT Test Date**"), and if, after giving Pro Forma Effect to the Limited Condition Transaction, the Borrower or any of its Restricted Subsidiaries could have been permitted to take such action on the relevant LCT Test Date in compliance with such ratio, test or basket, such ratio, test or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and, following the LCT Test Date, any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date could have failed to have been satisfied as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated Adjusted EBITDA, Consolidated Interest Expense or Consolidated Total Assets following the LCT Test Date but at or prior to the consummation of the relevant Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have failed to have been satisfied as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any event or transaction occurring after the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, repurchase, defeasance, satisfaction and discharge or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction (a "**Subsequent Transaction**") in connection with which a ratio, test or basket availability calculation must be made on a Pro Forma Basis or giving Pro Forma Effect to such Subsequent Transaction, for purposes of determining whether such ratio, test or basket availability has been complied with under this Agreement, any such ratio, test or basket shall be required to be satisfied on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated.

1.11. Divisions. For all purposes under the Credit Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Stock at such time.

1.12. Compliance with Certain Sections. Notwithstanding anything in this Agreement or any Credit Document to the contrary herein, with respect to any amounts incurred (including any baskets, thresholds, exceptions and any related builder or grower component) or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (any such amounts, the "**Fixed Amounts**") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with any such financial ratio or test (any

such amounts, the "**Incurrence-Based Amounts**"), it is understood and agreed that any Fixed Amount (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the relevant Incurrence-Based Amount in connection with such substantially concurrent incurrence and amounts incurred, or transactions entered into or consummated, in reliance on a Fixed Amount (including clause (1)(x) of the definition of Maximum Incremental Facilities Amount (as defined in the First Lien Credit Agreement as in effect on the Closing Date)) in a concurrent transaction, a single transaction or a series of related transactions with the amount incurred, or transaction entered into or consummated, under the applicable Incurrence-Based Amount, shall not be given effect in calculating the applicable Incurrence-Based Amount (but giving pro forma effect to all applicable and related transactions (including the use of proceeds of all Indebtedness to be incurred and any repayments, repurchases and redemptions of Indebtedness) and all other Pro Forma Adjustments).

SECTION 2. [Reserved]

SECTION 3. Letters of Credit

3.1. Issuance of Letters of Credit.

(a) (i) Subject to and upon the terms and conditions herein set forth, at any time and from time to time on and after the Closing Date and prior to the L/C Termination Date, each L/C Issuer agrees to issue upon the request of the Borrower and (x) for the direct or indirect benefit of the Borrower and its direct or indirect Subsidiaries and (y) for the direct or indirect benefit of any direct or indirect parent of the Borrower or any Subsidiaries of such direct or indirect parent so long as the aggregate Stated Amount of all Letters of Credit issued for such parent and its other Subsidiaries' benefit (excluding Letters of Credit issued to support the obligations of such direct or indirect parent or its other Subsidiaries which obligations were entered into primarily to benefit the business of Borrower and its Subsidiaries) does not exceed the Available RP/Investment Capacity Amount at any time, a letter of credit or letters of credit (the "**Letters of Credit**" and each, a "**Letter of Credit**") in such form and with such Issuer Documents as may be approved by such L/C Issuer in its reasonable discretion; provided that the Borrower shall be a co-applicant, and jointly and severally liable with respect to each Letter of Credit issued for the account of such Subsidiary or such direct or indirect parent and its other Subsidiaries; provided further that Letters of Credit issued for the direct or indirect benefit of such direct or indirect parent and its other Subsidiaries other than the Borrower and its Restricted Subsidiaries shall be subject to Sections 10.5 and 10.6 hereof. Notwithstanding anything to the contrary contained herein, each L/C Issuer shall only be required to issue standby Letters of Credit under this Agreement.

(ii) Notwithstanding the foregoing, (A) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letters of Credit Outstanding in respect of all Letters of Credit at such time, would exceed the L/C Commitment then in effect and (B) subject to Section 3.2(b), each Letter of Credit shall have an expiration date occurring no later than the earlier of (x) one year after the date of issuance thereof, unless otherwise agreed upon by the Administrative Agent and the applicable L/C Issuer, or if issued to replace existing Letters of Credit with a maturity of longer than one year, or as provided under Section 3.2(b) and (y) the L/C Termination Date; (C) each Letter of Credit shall be denominated in Dollars; (D) no Letter of Credit shall be issued if (i) it would be

illegal under any Applicable Law for the beneficiary of the Letter of Credit to have a Letter of Credit issued in its favor or (ii) the issuance of such Letter of Credit would violate any laws binding upon the applicable L/C Issuer; and (E) no Letter of Credit shall be issued after the applicable L/C Issuer has received a written notice from the Borrower, the Administrative Agent or the Required L/C Issuers stating that a Default or an Event of Default has occurred and is continuing until such time as the applicable L/C Issuer shall have received a written notice (x) of rescission of such notice from the party or parties originally delivering such notice, (y) of the waiver of such Default or Event of Default in accordance with the provisions of Section 13.1 or (z) that such Default or Event of Default is no longer continuing.

3.2. Letter of Credit Requests.

(a) Whenever the Borrower desires that a Letter of Credit (other than an Existing Letter of Credit) be issued, the Borrower shall give the Administrative Agent and the applicable L/C Issuer a Letter of Credit Request by no later than 1:00 p.m. at least three (or such shorter time as may be agreed upon by the Administrative Agent and such L/C Issuer) Business Days prior to the proposed date of issuance. Each notice shall be executed by the Borrower and shall be in the form of Exhibit D, or such other form (including by electronic or fax transmission) as agreed between the Borrower, the Administrative Agent and the applicable L/C Issuer (each a " **Letter of Credit Request**").

(b) If the Borrower so requests in any applicable Letter of Credit Request, any L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); provided that any such Auto-Extension Letter of Credit must permit such L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Non-Extension Notice Date**") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by a L/C Issuer, the Borrower shall not be required to make a specific request to such L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Borrower shall be deemed to have authorized (but may not require) such L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Termination Date; provided, however, that such L/C Issuer shall not permit any such extension if (A) such L/C Issuer has determined that it would not be permitted at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) of Section 3.1(a), or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is five Business Days before the Non-Extension Notice Date from the Administrative Agent or the Borrower that one or more of the applicable conditions specified in Section 7 are not then satisfied (or waived), and in each such case directing such L/C Issuer not to permit such extension.

(c) Each L/C Issuer shall, at least once each month, provide the Administrative Agent a list of all Letters of Credit (including any Existing Letter of Credit) issued by it that are outstanding at such time; provided that (i) upon written request from the Administrative Agent, such L/C Issuer shall thereafter notify the Administrative Agent in writing on each Business Day of all Letters of Credit issued on the prior Business Day by such L/C Issuer and (ii) the failure of

a L/C Issuer to provide such list (A) shall not result in any liability of such L/C Issuer to any Person and (B) shall not impair or otherwise affect the liability or obligation of any Credit Party in respect of any Letter of Credit.

(d) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower that the Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.1(a)(ii).

3.3. Agreement to Repay Letter of Credit Drawings.

(a) The Borrower hereby agrees to reimburse the applicable L/C Issuer, by making payment in Dollars to the Administrative Agent in immediately available funds, for any payment or disbursement made by such L/C Issuer under any Letter of Credit (each such amount so paid until reimbursed, an "**Unpaid Drawing**") on the first Business Day following the date that such L/C Issuer provides written notice to the Borrower of such payment or disbursement (such required date for reimbursement, the "**Reimbursement Date**"), with interest on the amount so paid or disbursed by such L/C Issuer, from and including the date of such payment or disbursement to but excluding the Reimbursement Date, at the per annum rate for each day equal to the Prime Rate.

(b) The obligations of the Borrower under this Section 3.3 to reimburse the L/C Issuers with respect to Unpaid Drawings (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any set-off, counterclaim or defense to payment that the Borrower or any other Person may have or have had against any L/C Issuer or the Administrative Agent, including any defense based upon the failure of any drawing under a Letter of Credit (each a "**Drawing**") to conform to the terms of the Letter of Credit or any non-application or misapplication by the beneficiary of the proceeds of such Drawing; provided that the Borrower shall not be obligated to reimburse any L/C Issuer for any wrongful payment made by such L/C Issuer under the Letter of Credit issued by it as a result of acts or omissions constituting gross negligence, bad faith, willful misconduct or a material breach by such L/C Issuer (or any of its Related Parties) of any Credit Document, in each case, as determined in a final non- appealable judgement of a court of competent jurisdiction; further provided that if the Borrower fails to reimburse any L/C Issuer with respect to any Unpaid Drawings as required by this Section 3.3(b), the Administrative Agent shall be irrevocably authorized hereunder to instruct the Collateral Agent to release Cash Collateral to the Borrower to satisfy the applicable reimbursement obligations.

3.4. Increased Costs. If after the Closing Date, the adoption of any Applicable Law, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or actual compliance by a L/C Issuer with any request or directive made or adopted after the Closing Date (whether or not having the force of law), by any such authority, central bank or comparable agency shall either (a) impose, modify or make applicable any reserve, deposit, compulsory loan, insurance charge, capital adequacy, liquidity or similar requirement against letters of credit issued by any L/C Issuer, or (b) impose on any L/C Issuer any other conditions or liabilities affecting its obligations under this Agreement in respect of any Letter of Credit, and the result of any of the foregoing is to increase the cost to such L/C Issuer of issuing,

maintaining or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by such L/C Issuer (other than any such increase or reduction attributable to (i) Indemnified Taxes and Taxes indemnifiable under Section 5.2, (ii) Other Connection Taxes that are imposed on or measured by net income (however denominated) or that are franchise or branch profits Taxes imposed on any L/C Issuer or (iii) Taxes included under clauses (b) through (d) of the definition of "**Excluded Taxes**") in respect of Letters of Credit, then, promptly after receipt of written demand to the Borrower by such L/C Issuer (a copy of which notice shall be sent by such L/C Issuer to the Administrative Agent), the Borrower shall pay to such L/C Issuer such additional amount or amounts as will compensate such L/C Issuer for such increased cost or reduction, it being understood and agreed, however, that any L/C Issuer shall not be entitled to such compensation as a result of such Person's compliance with, or pursuant to any request or directive to comply with, any such Applicable Law as in effect on the Closing Date. A certificate submitted to the Borrower by the relevant L/C Issuer (a copy of which certificate shall be sent by such L/C Issuer to the Administrative Agent), setting forth in reasonable detail the basis for the determination of such additional amount or amounts necessary to compensate such L/C Issuer as aforesaid shall be conclusive and binding on the Borrower absent clearly demonstrable error. Notwithstanding the foregoing, no L/C Issuer shall demand compensation pursuant to this Section 3.4 if it shall not at the time be the general policy or practice of such L/C Issuer to demand such compensation in substantially the same manner as applied to other similarly situated borrowers under comparable letter of credit facilities.

3.5. New or Successor L/C Issuer.

(a) Subject to the appointment and acceptance of a successor L/C Issuer as provided in this paragraph (which is subject to the consent of the Borrower (such consent not to be unreasonably withheld or delayed)), any L/C Issuer may resign as a L/C Issuer upon 30 days' prior written notice to the Administrative Agent and the Borrower. The Borrower may add L/C Issuers at any time upon notice to the Administrative Agent. If a L/C Issuer shall resign or be replaced, or if the Borrower shall decide to add a new L/C Issuer under this Agreement, then the Borrower may appoint, with the consent of the Administrative Agent (such consent not to be unreasonably withheld, denied, conditioned or delayed), another successor or new issuer of Letters of Credit, whereupon such successor issuer shall succeed to the rights, powers and duties of the replaced or resigning L/C Issuer under this Agreement and the other Credit Documents, or such new issuer of Letters of Credit shall be granted the rights, powers and duties of a L/C Issuer, as applicable, hereunder, and the term "L/C Issuer," as applicable, shall mean such successor or include such new issuer of Letters of Credit effective upon such appointment. At the time such resignation or replacement shall become effective, the Borrower shall pay to the resigning or replaced L/C Issuer all accrued and unpaid fees owing to such L/C Issuer pursuant to Section 4.1(c). The acceptance of any appointment as a L/C Issuer hereunder whether as a successor issuer or new issuer of Letters of Credit in accordance with this Agreement, shall be evidenced by an agreement entered into by such new or successor issuer of Letters of Credit, in a form satisfactory to the Borrower and the Administrative Agent and, from and after the effective date of such agreement, such new or successor issuer of Letters of Credit shall become a "L/C Issuer," as applicable, hereunder. After the resignation or replacement of a L/C Issuer hereunder, the resigning or replaced L/C Issuer shall remain a party hereto and shall continue to have all the rights and obligations of a L/C Issuer under this Agreement and the other Credit Documents with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to

issue additional Letters of Credit. In connection with any resignation or replacement pursuant to this clause (a) (but, in case of any such resignation, only to the extent that a successor issuer of Letters of Credit shall have been appointed), either (i) the Borrower, the resigning or replaced L/C Issuer and the successor issuer of Letters of Credit shall arrange to have any outstanding Letters of Credit issued by the resigning or replaced L/C Issuer replaced with Letters of Credit issued by the successor issuer of Letters of Credit or (ii) the Borrower shall cause the successor issuer of Revolving Letters of Credit, if such successor issuer is reasonably satisfactory to the replaced or resigning L/C Issuer, to issue "backstop" Letters of Credit naming the resigning or replaced L/C Issuer as beneficiary for each outstanding Letter of Credit issued by the resigning or replaced L/C Issuer, which new Letters of Credit shall have an amount equal to the Letters of Credit being back-stopped. After any resigning or replaced L/C Issuer's resignation or replacement as L/C Issuer, the provisions of this Agreement relating to a L/C Issuer shall inure to its benefit as to any actions taken or omitted to be taken by it (A) while it was a L/C Issuer under this Agreement or (B) at any time with respect to Letters of Credit issued by such L/C Issuer.

(b) To the extent that there are, at the time of any resignation or replacement as set forth in clause (a) above, any outstanding Letters of Credit, nothing herein shall be deemed to impact or impair any rights and obligations of any of the parties hereto with respect to such outstanding Letters of Credit (including, without limitation, any obligations related to the payment of Fees or the reimbursement or funding of amounts drawn), except that the Borrower, the resigning or replaced L/C Issuer and the successor issuer of Letters of Credit shall have the obligations regarding outstanding Letters of Credit described in clause (a) above.

3.6. Role of the L/C Issuers. Each L/C Issuer and the Borrower agree that, in paying any Drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. Notwithstanding anything to the contrary in this Agreement, the Borrower may have a claim against a L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such L/C Issuer's willful misconduct, gross negligence, bad faith or a material breach by such L/C Issuer of any Credit Document (as determined in a final non-appealable judgment of a court of competent jurisdiction) or such L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of documents strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

3.7. Cash Collateral.

(a) Upon the written request of any L/C Issuer if, as of the Maturity Date, there are any Letters of Credit Outstanding, the Borrower shall promptly Cash Collateralize the applicable Letters of Credit Outstanding.

(b) If any Event of Default shall occur and be continuing, the Required L/C Issuers may require that the L/C Obligations be Cash Collateralized.

(c) For purposes of this Agreement, "**Cash Collateralize**" means (i) in all cases, to the extent reasonably acceptable to the applicable L/C Issuer, to issue "back-stop" Letters of Credit naming the relevant L/C Issuer as beneficiary for each outstanding Letter of Credit issued by the relevant L/C Issuer, which new Letters of Credit shall have an amount equal to the Letters of Credit being back-stopped and/or (ii) to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the L/C Issuers as collateral for the L/C Obligations, cash or deposit account balances (such items in clauses (i) and (ii), "**Cash Collateral**") in an amount equal to 100% of the amount of the Letters of Credit Outstanding required to be Cash Collateralized pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent, the L/C Issuers and the Borrower. Derivatives of such terms have corresponding meanings. The Borrower hereby grants to the Collateral Agent, for the benefit of the L/C Issuers, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the documentation in form and substance reasonably satisfactory to the Collateral Agent and the L/C Issuers. Such cash collateral shall be maintained in blocked, interest bearing deposit accounts established by and in the name of the relevant L/C Issuer (with the interest accruing for the benefit of the Borrower).

3.8. Certain Letters of Credit. Subject to the terms and conditions hereof, each Existing Letter of Credit that is outstanding on the Closing Date, listed on Schedule 1.1(b) shall, effective as of the Closing Date and without any further action by the Borrower, be continued (and deemed issued) as a Letter of Credit, hereunder and from and after the Closing Date shall be deemed a Letter of Credit, for all purposes hereof and shall be subject to and governed by the terms and conditions hereof.

3.9. Applicability of ISP and UCP. Unless otherwise expressly agreed by the relevant L/C Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall be stated therein to apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall be stated therein to apply to each commercial letter of credit, and in each case to the extent not inconsistent with the above referred rules, the laws of the State of New York shall be stated therein to apply to each Letter of Credit.

3.10. Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control and any security granted pursuant to any Issuer Document shall be void.

3.11. Letters of Credit Issued for Others. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, the Borrower's

Subsidiaries or the direct or indirect parent of Borrower or its other Subsidiaries, the Borrower shall be obligated to reimburse the relevant L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of its Subsidiaries or the direct or indirect parent of the Borrower or its other Subsidiaries, inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of its Subsidiaries or its direct or indirect parent and its other Subsidiaries.

SECTION 4. Fees; Commitments.

4.1. Fees.

(a) The Borrower agrees to pay to the Administrative Agent, for the account of each L/C Issuer (in each case *pro rata* according to the respective L/C Commitments of all L/C Issuers) in Dollars, a commitment fee (the "**Commitment Fee**") for each day from the Closing Date to, but excluding, termination of this Agreement. The Commitment Fee shall be earned, due and payable by the Borrower (x) quarterly in arrears on the last Business Day of each March, June, September and December (for the three-month period (or portion thereof) ended on such day for which no payment has been received) and (y) on the Maturity Date (for the period ended on such date for which no payment has been received pursuant to clause (x) above). The Commitment Fee shall be computed for each day during such period at a rate *per annum* equal to the applicable Commitment Fee Rate in effect on such day on the applicable portion of the Available L/C Commitment in effect on such day.

(b) The Borrower agrees to pay to the Administrative Agent in Dollars for the account of each L/C Issuer *pro rata* on the basis of their respective L/C Commitments, a fee in respect of each Letter of Credit (the "**L/C Fee**"), for the period from the date of issuance of such Letter of Credit to the termination or expiration date of such Letter of Credit computed at the *per annum* rate for each day equal to the product of (x) 3.50% and (y) the average daily Stated Amount of such Letter of Credit. The L/C Fee shall be due and payable (x) quarterly in arrears on the last Business Day of each March, June, September and December and (y) on the Maturity Date (for the period ended on such date for which no payment has been received pursuant to clause (x) above).

(c) The Borrower agrees to pay to each L/C Issuer a fee in respect of each Letter of Credit issued by it (the "**Issuance Fee**"), for the period from the date of issuance of such Letter of Credit to the termination date of such Letter of Credit, computed at a rate per annum equal to 0.125%. Such Issuance Fees shall be earned, due and payable by the Borrower (x) quarterly in arrears on the last Business Day of each March, June, September and December and (y) on the later of (A) the Maturity Date and (B) the day on which the Letters of Credit Outstanding shall have been reduced to zero.

(d) The Borrower agrees to pay directly to each L/C Issuer upon each issuance of, drawing under, and/or amendment of, a Letter of Credit issued by it such amount as such L/C Issuer and the Borrower shall have agreed upon for issuances of, drawings under or amendments of, letters of credit issued by it.

(e) If all or a portion of any amount hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), and an Event of Default under Sections 11.1 or 11.5 shall have occurred and be continuing, then, upon the giving of written notice by the Administrative Agent to the Borrower (except in the case of an Event of Default under Section 11.5, for which no notice is required), such overdue amount shall bear interest at a rate *per annum* (the "**Default Rate**") equal to 5.50% from the date of written notice to the date on which such amount is paid in full (after as well as before judgment) (or if an Event of Default under Section 11.5 shall have occurred and be continuing, the date of the occurrence of such Event of Default). All computations of interest hereunder shall be made in accordance with Section 5.3.

4.2. Reduction of L/C Commitments.

(a) *Voluntary.* Upon at least one Business Day's prior revocable written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent (which notice the Administrative Agent shall promptly transmit to the L/C Issuers), the Borrower shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the L/C Commitment in whole or in part; provided that, after giving effect to such termination or reduction, the Letters of Credit Outstanding with respect to all Letters of Credit, after giving effect to Cash Collateralization of Letters of Credit, shall not exceed the L/C Commitment.

(b) *Mandatory.* The L/C Commitment of each L/C Issuer shall terminate on the Maturity Date.

SECTION 5. Payments.

5.1. Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower without set-off, counterclaim or deduction of any kind, to the Administrative Agent, for the ratable account of the L/C Issuers entitled thereto or the L/C Issuer entitled thereto, as the case may be, not later than 3:00 p.m., in each case, on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by written notice to the Borrower, it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. All payments under this Agreement and each Credit Document shall be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 3:00 p.m. or, otherwise, on the next Business Day) like funds relating to the payment of principal or interest or fees ratably to L/C Issuers entitled thereto.

(b) Any payments under this Agreement that are made later than 3:00 p.m. shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal,

interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.2. Net Payments.

(a) Any and all payments made by, on behalf of, or on an account of any obligation of, the Borrower or any Guarantor under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes; provided that if any applicable withholding agent shall be required by Applicable Law to deduct or withhold any Taxes from such payments, then (i) if such Tax is an Indemnified Tax, the sum payable by the Borrower or any Guarantor shall be increased as necessary so that after making all such required deductions and withholdings (including such deductions or withholdings applicable to additional sums payable under this Section 5.2), the applicable L/C Issuer (or in the case of payments made to an Agent for its own account, such Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such deductions or withholdings and (iii) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with Applicable Law. Whenever any Taxes are payable by the Borrower or any Guarantor, as promptly as possible thereafter, the Borrower or Guarantor shall send to the Administrative Agent for its own account or for the account of such Recipient, as the case may be, a certified copy of an original official receipt (or other evidence acceptable to the Administrative Agent, acting reasonably) received by the Borrower or such Guarantor evidencing payment thereof.

(b) The Borrower shall timely pay to the relevant Governmental Authority, or at the option of the Administrative Agent reimburse the Administrative Agent for the payment of, any Other Taxes (whether or not such Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority).

(c) The Borrower shall indemnify and hold harmless each Recipient within fifteen Business Days after written demand therefor, for the full amount of any Indemnified Taxes imposed on such Recipient on or with respect to any payment by or on account of any obligation of the Borrower or any Guarantor hereunder or under any other Credit Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.2) and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth reasonable detail as to the amount of such payment or liability delivered to the Borrower by the applicable Recipient (in the case of an Agent, on its own behalf or on behalf of a Recipient) shall be conclusive absent manifest error.

(d) Any Recipient that is entitled to an exemption from or reduction of withholding Tax with respect to payments hereunder or under any other Credit Document shall, to the extent it is legally able to do so, deliver to the Borrower (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. A Recipient's obligation under the prior

sentence shall apply only if the Borrower or the Administrative Agent has made a request for such documentation. In addition, any Recipient, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Recipient is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in this Section 5.2(d), the completion, execution and submission of such documentation (other than such documentation set forth in Sections 5.2(e), 5.2(h) and 5.2(i) below) shall not be required if in the Recipient's reasonable judgment such completion, execution or submission would subject such Recipient to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Recipient. Each Recipient hereby authorizes the Administrative Agent to deliver to the Credit Parties and to any successor Administrative Agent any documentation provided by such Recipient to the Administrative Agent pursuant to Sections 5.2(d), 5.2(e), 5.2(h) and 5.2(i).

(e) Each Non-U.S. Recipient with respect to any Letter of Credit issued under any Credit Document shall, to the extent it is legally eligible to do so:

(i) deliver to the Borrower and the Administrative Agent, prior to the date on which the first payment to the Non-U.S. Recipient is due hereunder, two copies of (x) in the case of a Non-U.S. Recipient claiming exemption from U.S. federal withholding Tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," United States Internal Revenue Service Form W-8BEN or W-8BEN-E (together with a certificate substantially in the form of Exhibit H certifying that (1) such Non-U.S. Recipient is not a bank for purposes of Section 881(c) of the Code, (2) such Non-U.S. Recipient is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower, (3) any interest payment received by such Non-U.S. Recipient under this Agreement or any other Credit Document is not effectively connected with the Non-U.S. Recipient's conduct of a trade or business in the United States and (4) such Non-U.S. Recipient is not a controlled foreign corporation related to the Borrower (within the meaning of Section 881(c)(3)(C) of the Code)), (y)(1) Internal Revenue Service Form W-8BEN or Form W-8BEN-E, in each case properly completed and duly executed by such Non-U.S. Recipient claiming complete exemption from, or reduced rate of, U.S. federal withholding Tax on payments by the Borrower or any Guarantor under an applicable income tax treaty to which the United States is a party or (2) properly completed and duly executed Internal Revenue Service Form W-8ECI, or (z) if a Non-U.S. Recipient does not act or ceases to act for its own account with respect to any portion of any sums paid or payable to such Non-U.S. Recipient under any of the Credit Documents (for example, in the case of a typical participation or where Non-U.S. Recipient is a pass through entity), Internal Revenue Service Form W-8IMY and all necessary attachments (including the forms described in clauses (x) and (y) above, as required), provided that if the Non-U.S. Recipient is a partnership (and not a participating L/C Issuer) and one or more of the partners is claiming portfolio interest treatment, the certificate substantially in the form of Exhibit H may be provided by such Non-U.S. Recipient on behalf of such partner(s), in each case, properly completed and duly executed; and

(ii) deliver to the Borrower and the Administrative Agent two further copies of any such form or certification (or any applicable successor form) in each case properly completed and duly executed on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower or the Administrative Agent, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so.

If in any such case any Change in Law has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Non-U.S. Recipient from duly completing and delivering any such form with respect to it, such Non-U.S. Recipient shall promptly so advise the Borrower and the Administrative Agent.

(f) If any Recipient determines, in its sole discretion exercised in good faith, that it had received and retained a refund of an Indemnified Tax (including an Other Tax) for which a payment of additional amounts or indemnification payments has been made by the Borrower pursuant to Section 5.2, which refund in the good faith judgment of such Recipient is attributable to such payment made by the Borrower, then the Recipient shall reimburse the Borrower for such amount (net of all out-of-pocket expenses of such Recipient, and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Recipient determines in its sole discretion exercised in good faith to be the proportion of the refund as will leave such Person, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid; provided that the Borrower, upon the request of the Recipient, agrees to repay the amount paid over to the Borrower pursuant to this Section 5.2(f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Upon reasonable request by the Borrower, a Recipient shall claim any refund in respect of any Indemnified Tax or Other Tax for which a payment of additional amounts or indemnification payments has been made by the Borrower pursuant to this Section 5.2 that such Recipient determines is available to it, unless it concludes in its sole discretion that it would be adversely affected by making such a claim. None of the Recipients shall be obliged to disclose any information regarding its tax affairs or computations to any Credit Party in connection with this clause (f) or any other provision of this Section 5.2.

(g) If the Borrower determines that a reasonable basis exists for contesting a Tax, each Recipient, as the case may be, shall use reasonable efforts to cooperate with the Borrower as the Borrower may reasonably request in challenging such Tax. Each Recipient agrees to use reasonable efforts to cooperate with the Borrower as the Borrower may reasonably request to minimize any amount payable by the Borrower or any Guarantor pursuant to this Section 5.2. The Borrower shall indemnify and hold each Recipient harmless against any reasonable out-of-pocket expenses incurred by such Person in connection with any request made by the Borrower pursuant to this Section 5.2(g). Nothing in this Section 5.2(g) shall obligate any Recipient to take

any action that such Recipient, in its reasonable judgment, determines would result in a material detriment to such Recipient.

(h) Each U.S. Recipient shall deliver to the Borrower and the Administrative Agent two copies of United States Internal Revenue Service Forms W-9 (or substitute or successor form), properly completed and duly executed, certifying that such Recipient is exempt from United States backup withholding (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before the date that such form expires or becomes obsolete, (iii) promptly after the occurrence of a change in such U.S. Recipient's circumstances requiring a change in the most recent form previously delivered by it to the Borrower and the Administrative Agent and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent.

(i) If a payment made to any Recipient under any Credit Document would be subj ect to U.S. federal withholding Tax imposed under FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by Applicable Law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such other documentation reasonably requested by the Borrower and the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Recipient has or has not complied with such Recipient's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 5.2(i), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(j) The agreements in this Section 5.2 shall survive the termination of this Agreement and the payment of all amounts payable hereunder.

5.3. Computations of Interest and Fees.

(a) The Default Rate and any other interest rate hereunder shall be calculated on the basis of a 360-day year for the actual days elapsed.

(b) Fees shall be calculated on the basis of a 360-day year for the actual days elapsed.

5.4. Limitation on Amounts.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obligated to pay any interest or other amounts under or in connection with this Agreement or otherwise in respect of the Obligations in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment that it would otherwise be required to make, as a result of Section 5.4(a), the Borrower

shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any L/C Issuer in an amount or calculated at a rate that would be prohibited by any Applicable Law, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Applicable Law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected L/C Issuer under Section 4.1.

(d) Spreading. In determining whether the interest hereunder is in excess of the amount or rate permitted under or consistent with any Applicable Law, the total amount of interest shall be spread throughout the entire term of this Agreement until its payment in full.

(e) Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any L/C Issuer shall have received from the Borrower an amount in excess of the maximum permitted by any Applicable Law, then the Borrower shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from the Administrative Agent in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that L/C Issuer to the Borrower.

SECTION 6. Conditions Precedent to Effectiveness.

The effectiveness of this Agreement and the obligation of each L/C Issuer to make Letters of Credit available on the Closing Date is subject to the satisfaction or waiver of the conditions precedent set forth in this Section 6.

6 . 1 . Credit Documents. The Administrative Agent shall have received (a) this Agreement, executed and delivered by an Authorized Officer of each Credit Party as of the Closing Date, (b) the Guarantee, executed and delivered by an Authorized Officer of each Guarantor as of the Closing Date, (c) the Pledge Agreement, executed and delivered by an Authorized Officer of each pledgor party thereto as of the Closing Date, (d) the Security Agreement, executed and delivered by an Authorized Officer of each grantor party thereto as of the Closing Date, (e) the Collateral Trust Agreement, executed and delivered by an Authorized Officer of each of the parties thereto and (f) each other customary security document duly authorized, executed and delivered by the applicable parties thereto and related items to the extent necessary to create and perfect the security interests in the Collateral.

6.2. Collateral.

(a) All outstanding Stock of each Subsidiary of the Borrower directly owned by the Borrower or any Subsidiary Guarantor, in each case, as of the Closing Date, shall have been pledged pursuant to the Pledge Agreement (except that such Credit Parties shall not be required to pledge any Excluded Stock and Stock Equivalents) and the Collateral Representative shall have received all certificates, if any, representing such securities pledged under the Pledge Agreement, accompanied by instruments of transfer and undated stock powers endorsed in blank.

(b) All Indebtedness of the Borrower and each Subsidiary of the Borrower that is owing to the Borrower or a Subsidiary Guarantor shall, to the extent exceeding $10,000,000 in aggregate principal amount, be evidenced by one or more global promissory notes and shall have been pledged pursuant to the Pledge Agreement, and the Collateral Representative shall have received all such promissory notes, together with instruments of transfer with respect thereto endorsed in blank.

(c) All documents and instruments, including Uniform Commercial Code or other applicable personal property and financing statements, reasonably requested by the Collateral Agent (at the direction of the Administrative Agent acting reasonably) to be filed, registered or recorded to create the Liens intended to be created by any Security Document to be executed on the Closing Date and to perfect such Liens to the extent required by, and with the priority required by, such Security Document, unless otherwise agreed by the Collateral Agent (acting at the direction of the Administrative Agent), shall have been delivered to the Collateral Representative in proper form for filing, registration or recording and none of the Collateral shall be subject to any other pledges, security interests or mortgages, except for Liens permitted hereunder.

(d) The Borrower shall deliver to the Collateral Agent a completed Perfection Certificate, executed and delivered by an Authorized Officer of the Borrower, together with all attachments contemplated thereby.

Notwithstanding anything to the contrary herein, with respect to any security documents relating to real property to the extent constituting Collateral, the Borrower agrees to deliver or cause to be delivered such documents and instruments, and take or cause to be taken such other actions as may be required to grant and perfect such security interests, on or prior to the date that is 120 days after the Closing Date or such longer period of time as may be agreed to by the Administrative Agent in its reasonable discretion.

6.5. Authorization of Proceedings of Each Credit Party. The Administrative Agent shall have received (a) a copy of the resolutions of the board of directors, other managers or general partner of each Credit Party (or a duly authorized committee thereof) authorizing (i) the execution, delivery and performance of the Credit Documents referred to in Section 6.1 (and any agreements relating thereto) to which it is a party and (ii) in the case of the Borrower, the extensions of credit contemplated hereunder, (b) true and complete copies of the Organizational Documents of each Credit Party as of the Closing Date, and (c) good standing certificates (to the extent such concept exists in the relevant jurisdiction of organization) of the Borrower and the Guarantors.

SECTION 8. Representations, Warranties and Agreements.

In order to induce the L/C Issuers to enter into this Agreement and to issue Letters of Credit as provided for herein, the Borrower makes the following representations and warranties to the L/C Issuers and the Agents, all of which shall survive the execution and delivery of this Agreement and the issuance of the Letters of Credit:

8.1. Corporate Status; Compliance with Laws. Each Credit Party has the corporate or other organizational power and authority to execute, deliver and carry out the terms and provisions of the Credit Documents to which it is a party and has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Credit Documents to which it is a party. Each Credit Party has duly executed and delivered each Credit Document to which it is a party and each such Credit Document, assuming due authorization, execution and delivery by the other parties thereto constitutes the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms, subject to (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity (whether considered in a proceeding in equity or law) and (ii) the need for filings and registrations necessary to create or perfect the Liens on the Collateral granted by the Credit Parties in favor of the Collateral Trustee (provided that, with respect to the creation and perfection of security interests with respect to Indebtedness, Stock and Stock Equivalents of Foreign Subsidiaries, only to the extent the creation and perfection of such obligation is governed by the Uniform Commercial Code).

8.3. No Violation. Neither the execution, delivery or performance by any Credit Party of the Credit Documents to which it is a party, nor the compliance with the terms and provisions thereof, nor the consummation of the financing transactions contemplated hereby and thereby, will (a) contravene any applicable provision of any Applicable Law other than any contravention which would not reasonably be expected to result in a Material Adverse Effect and assuming the receipt of any FERC and Nuclear Regulatory Commission approvals required in connection with an exercise of remedies, (b) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any Lien upon any of the property or assets of the Borrower or any Restricted Subsidiary (other than Liens created under the Credit Documents, Permitted Liens or Liens subject to an intercreditor agreement permitted hereby or the Collateral Trust Agreement) pursuant to the terms of any material indenture, loan agreement, lease agreement, mortgage, deed of trust or other material debt agreement or instrument to which the Borrower or any Restricted Subsidiary is a party or by which it or any of its property or assets is bound (any such term, covenant, condition or provision, a "**Contractual Requirement**") other than any such breach, default or Lien that would not reasonably be expected to result in a Material Adverse Effect, or (c) violate any provision of the Organizational Documents of any Credit Party.

8.4. Litigation. Except as set forth on Schedule 8.4, there are no actions, suits or proceedings pending or, to the knowledge of the Borrower, threatened in writing with respect to the Borrower or any of the Restricted Subsidiaries that have a reasonable likelihood of adverse determination and such determination would reasonably be expected to result in a Material Adverse Effect.

8.5. Margin Regulations. Neither the making of any Loan hereunder nor the use of the proceeds thereof will violate the provisions of Regulation T, U or X of the Board.

8.6. Governmental Approvals. The execution, delivery and performance of the Credit Documents by the Credit Parties does not require, on behalf of any Credit Party, any consent or approval of, registration or filing with, or other action by, any Governmental Authority, except for (i) such as have been obtained or made and are in full force and effect, (ii) filings and recordings in respect of the Liens created pursuant to the Security Documents, (iii) such FERC and Nuclear Regulatory Commission approvals and filings as may be required in connection with an exercise of remedies and (iv) such licenses, authorizations, consents, approvals, registrations, filings or other actions the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

8.8. True and Complete Disclosure.

(b) As of the Closing Date, the projections contained in the Lender Presentation are based upon good faith estimates and assumptions believed by the Borrower to be reasonable at the time made, it being recognized by the Agents and the L/C Issuers that such projections, forward-looking statements, estimates and pro forma financial information are not to be viewed as facts or a guarantee of performance, and are subject to material contingencies and assumptions, many of which are beyond the control of the Credit Parties, and that actual results during the period or periods covered by any such projections, forward-looking statements, estimates and pro forma financial information may differ materially from the projected results.

8.9. Financial Condition; Financial Statements. The financial statements described in Section 6.10 present fairly, in all material respects, the financial position and results of operations and cash flows of the Borrower and its consolidated Subsidiaries, in each case, as of the dates

thereof and for such period covered thereby in accordance with GAAP, consistently applied throughout the periods covered thereby, except as otherwise noted therein, and subject, in the case of any unaudited financial statements, to changes resulting from normal year-end adjustments and the absence of footnotes. There has been no Material Adverse Effect since December 31, 2022.

8.10. Tax Matters. Except where the failure of which would not be reasonably expected to have a Material Adverse Effect, (a) each of the Borrower and each of the Restricted Subsidiaries has filed all federal income Tax returns and all other Tax returns, domestic and foreign, required to be filed by it (after giving effect to all applicable extensions) and has paid all material Taxes payable by it that have become due (whether or not shown on such Tax return), other than those (i) not yet delinquent or (ii) contested in good faith as to which adequate reserves have been provided to the extent required by law and in accordance with GAAP, (b) each of the Borrower and each of the Restricted Subsidiaries has provided adequate reserves in accordance with GAAP for the payment of, all federal, state, provincial and foreign Taxes not yet due and payable, and (c) each of the Borrower and each of the Restricted Subsidiaries has satisfied all of its Tax withholding obligations.

No Benefit Plan has an Unfunded Current Liability that would, individually or when taken together with any other liabilities referenced in this Section 8.11(a), be reasonably likely to have a Material Adverse Effect. With respect to Multiemployer Plans, the representations and warranties in this Section 8.11(a), other than any made with respect to (i) liability under Section 4201 or 4204 of ERISA or (ii) liability for termination of such Multiemployer Plans under ERISA, are made to the knowledge of the Borrower.

With reasonable promptness, following the reasonable request of the Administrative Agent, such other information (financial or otherwise) as the Administrative Agent on its own behalf or on behalf of any L/C Issuer (acting through the Administrative Agent) may reasonably request in writing from time to time; provided that, notwithstanding anything to the contrary in this Section 9.1(f), none of the Borrower or any of its Restricted Subsidiaries will be required to provide any such other information pursuant to this Section 9.1(f) to the extent that (i) the provision thereof would violate any attorney client privilege (as reasonably determined by counsel (internal or external) to the Credit Parties), law, rule or regulation, or any contractual obligation of confidentiality binding on the Credit Parties or their respective affiliates (so long as not entered into in contemplation hereof) or (ii) such information constitutes attorney work product (as reasonably determined by counsel (internal or external) to the Credit Parties).

(g) Projections. (h) Reconciliations. Simultaneously with the delivery of each set of consolidated financial statements referred to in Sections 9.1(a) and (b) above, reconciliations for such consolidated financial statements or other consolidating information reflecting the adjustments necessary to eliminate the accounts of Unrestricted Subsidiaries and Excluded Project Subsidiaries (if any) from such consolidated financial statements; provided that the Borrower shall be under no obligation to deliver the reconciliations or other information described in this clause

(h) if the Consolidated Total Assets and the Consolidated Adjusted EBITDA of the Borrower and its consolidated Subsidiaries (which Consolidated Total Assets and Consolidated Adjusted EBITDA shall be calculated in accordance with the definitions of such terms, but determined based on the financial information of the Borrower and its consolidated Subsidiaries, and not the financial information of the Borrower and its Restricted Subsidiaries) do not differ from the Consolidated Total Assets and the Consolidated Adjusted EBITDA, respectively, of the Borrower and its Restricted Subsidiaries by more than 2.5%.

Notwithstanding the foregoing, the obligations in clauses (a), (b) and (e) of this Section 9.1 may be satisfied with respect to financial information of the Borrower and the Restricted Subsidiaries by furnishing (A) the applicable financial statements of any direct or indirect parent of the Borrower (B) the Borrower's (or any direct or indirect parent thereof), as applicable, Form 8-K, 10-K or 10-Q, as applicable, filed with the SEC; provided that, with respect to each of subclauses (A) and (B) of this paragraph, to the extent such information relates to a direct or indirect parent of the Borrower, such information is accompanied by consolidating or other information that explains in reasonable detail the differences between the information relating to such parent, on the one hand, and the information relating to the Borrower and its consolidated Restricted Subsidiaries on a standalone basis, on the other hand (provided, however, that the Borrower shall be under no obligation to deliver such consolidating or other explanatory information if the Consolidated Total Assets and the Consolidated Adjusted EBITDA of the Borrower and its consolidated Restricted Subsidiaries do not differ from the Consolidated Total Assets and the Consolidated Adjusted EBITDA, respectively, of any direct or indirect parent of Borrower and its consolidated Subsidiaries by more than 2.5%). Documents required to be delivered pursuant to clauses (a), (b) and (e) of this Section 9.1 (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically and if so delivered, shall be deemed to have been delivered on the date (i) on which the Borrower posts such documents, or provides a link thereto on the Borrower's website as notified to the Administrative Agent; or (ii) on which such documents are posted on the Borrower's behalf on an Internet or intranet website, if any, or filed with the SEC, and available in EDGAR (or any successor) to which each L/C Issuer and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent).

9.2. Books, Records and Inspections.

(a) The Borrower will, and will cause each Restricted Subsidiary to, permit officers and designated representatives of the Administrative Agent or the Required L/C Issuers (as accompanied by the Administrative Agent) to visit and inspect any of the properties or assets of the Borrower or such Restricted Subsidiary in whomsoever's possession to the extent that it is within such party's control to permit such inspection (and shall use commercially reasonable efforts to cause such inspection to be permitted to the extent that it is not within such party's control to permit such inspection), and to examine the books and records of the Borrower and any such Restricted Subsidiary and discuss the affairs, finances and accounts of the Borrower and of any such Restricted Subsidiary with, and be advised as to the same by, its and their officers and independent accountants, all at such reasonable times and intervals and to such reasonable extent as the Administrative Agent or Required L/C Issuers may desire (and subject, in the case of any such meetings or advice from such independent accountants, to such accountants' customary policies and procedures); provided that, excluding any such visits and inspections during the

continuation of an Event of Default, (a) only the Administrative Agent, whether on its own or in conjunction with the Required L/C Issuers, may exercise rights of the Administrative Agent and the L/C Issuers under this Section 9.2, (b) the Administrative Agent shall not exercise such rights more than one time in any calendar year and (b) only one such visit shall be at the Borrower's expense; provided further that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) or any representative of any L/C Issuer may do any of the foregoing at the expense of the Borrower at any time during normal business hours and upon reasonable advance notice. The Administrative Agent and the Required L/C Issuers shall give the Borrower the opportunity to participate in any discussions with the Borrower's independent public accountants. Notwithstanding anything to the contrary in this Section 9.2, neither the Borrower nor any Restricted Subsidiary will be required under this Section 9.2 to disclose or permit the inspection or discussion of any document, information or other matter to the extent that such action would violate any attorney-client privilege (as reasonably determined by counsel (internal or external) to the Credit Parties), law, rule or regulation, or any contractual obligation of confidentiality (not created in contemplation thereof) binding on the Credit Parties or their respective affiliates or constituting attorney work product (as reasonably determined by counsel (internal or external) to the Credit Parties).

(b) The Borrower will, and will cause each Restricted Subsidiary to, maintain proper books of record and account, in which entries that are full, true and correct in all material respects and are in conformity, in all material respects, with GAAP shall be made of all material financial transactions and matters involving the assets of the business of the Borrower or such Restricted Subsidiary, as the case may be (it being understood and agreed that any Restricted Subsidiary may maintain its individual books and records in conformity with local standards or customs and that such maintenance shall not constitute a breach of the representations, warranties or covenants hereunder).

With respect to each Mortgaged Property, obtain flood insurance in such total amount as is required under the Flood Laws, if at any time the area in which any improvements located on any Mortgaged Property is

9.5. Consolidated Corporate Franchises. The Borrower will do, and will cause each Material Subsidiary that is a Restricted Subsidiary to do, or cause to be done, all things necessary to preserve and keep in full force and effect its existence, corporate rights and authority, except to the extent that the failure to do so would not reasonably be expected to have a Material Adverse Effect; provided, however, that the Borrower and the Restricted Subsidiaries may consummate any transaction otherwise permitted hereby, including under Section 10.2, 10.3, 10.4 or 10.5.

9.6. Compliance with Statutes, Regulations, Etc. The Borrower will, and will cause each Restricted Subsidiary to, comply with all Applicable Laws applicable to it or its property, including all governmental approvals or authorizations required to conduct its business, and to maintain all such governmental approvals or authorizations in full force and effect, in each case except where the failure to do so would not reasonably be expected to have a Material Adverse Effect.

9.8. Maintenance of Properties. The Borrower will, and will cause the Restricted Subsidiaries to, keep and maintain all property material to the conduct of its business in good working order and condition (ordinary wear and tear, casualty and condemnation excepted), except to the extent that the failure to do so would reasonably be expected to have a Material Adverse Effect.

9.9. Transactions with Affiliates. The Borrower will conduct, and cause the Restricted Subsidiaries to conduct, all transactions with any of its or their respective Affiliates (other than (x) any transaction or series of related transactions with an aggregate value that is equal to or less than the greater of (i) $65,000,000 and (ii) solely on or after the Q2 2024 Financials Date, 15% of

(b) Subject to any applicable limitations set forth in the Security Documents (including in any Mortgage), if any assets (including any Real Estate owned in fee or improvements thereto constituting Collateral with a fair market value equal to or in excess of $20,000,000 (determined at the time of acquisition or contribution thereof)) are acquired by, or contributed to, the Borrower or any Subsidiary Guarantor after the Closing Date (other than assets constituting Collateral under the Security Documents that become subject to the Lien of any Security Document upon acquisition thereof or assets subject to a Lien granted pursuant to Section 10.2(d) or 10.2(g)) that are of the nature secured by any Security Document, the Borrower will promptly notify the Collateral Agent (who shall thereafter notify the L/C Issuers) thereof and, if requested by the Collateral Agent, will cause such assets to be subjected to a Lien securing the applicable Obligations and will take, and cause the other Credit Parties to take, such actions as shall be necessary or reasonably requested by the Collateral Agent (acting at the direction of the First Lien Administrative Agent), as soon as commercially reasonable but in no event later than 120 days after the date of such acquisition or contribution, unless extended by the Administrative Agent in its reasonable discretion, to grant and perfect such Liens consistent with the applicable requirements of the Security Documents, including actions described in paragraph (a) of this Section, all at the expense of the Credit Parties.

(c) Any Mortgage delivered to the Collateral Representative in accordance with the preceding clause (b) shall be accompanied by those items set forth in clause (d) that are customary for the type of assets covered by such Mortgage.

The Borrower, prior to delivery of the Mortgages, will deliver, or cause to be delivered, (i) a completed Federal Emergency Management Agency Standard Flood Determination with respect to each Mortgaged Property, in each case in form and substance reasonably satisfactory to the Collateral Agent (acting at the direction of the First Lien Administrative Agent) and (ii) to the extent such Mortgaged Property is located in a special flood hazard area, an executed borrower notice and evidence of flood insurance with respect to such Mortgaged Property, to the extent and in amounts required by the Flood Laws, in each case in form and substance reasonably satisfactory to the Collateral Agent (acting at the direction of the First Lien Administrative Agent).

(e) Notwithstanding anything herein to the contrary, if the Borrower and the Collateral Agent (acting at the direction of the Administrative Agent) mutually agree in their reasonable judgment (confirmed in writing to the Borrower and the Administrative Agent) that the cost or other consequences (including adverse tax, regulatory and accounting consequences) of creating or perfecting any Lien on any property is excessive in relation to the benefits afforded to the Secured Parties thereby, then such property may be excluded from the Collateral for all purposes of the Credit Documents.

(f) Notwithstanding anything herein to the contrary, the Borrower and the Guarantors shall not be required, nor shall the Collateral Agent or Collateral Representative be authorized, (i) to perfect the above-described pledges, security interests and mortgages by any means other than by (A) filings pursuant to the Uniform Commercial Code in the office of the secretary of state (or similar central filing office) of the relevant State(s), (B) intellectual property security agreement "short-form" filings in United States government offices with respect to intellectual property as expressly required herein and under the other Credit Documents, (C) delivery to the Collateral Agent or Collateral Representative, for its possession, of all Collateral consisting of instruments, intercompany notes, stock certificates of the Borrower and its Restricted Subsidiaries, subject to the limitations set forth in the Security Documents or (D) Mortgages required to be delivered pursuant to this Section 9.14, (ii) to enter into any control agreement with respect to any deposit account, securities account or commodities account or contract (other than in respect of the Term C Collateral Accounts), (iii) to take any action in any non-U.S. jurisdiction or pursuant to the requirements of the laws of any non-U.S. jurisdiction in order to create any security interests or to perfect any security interests, including with respect to any intellectual property registered outside of the United States (it being understood that there shall be no security agreements or pledge agreements governed by the laws of any non-U.S. jurisdiction), (iv) except as expressly set forth above or in any Security Document, to take any other action with respect to any Collateral to perfect through control agreements or to otherwise perfect by "control," (v) to

9.15. Changes in Business. The Borrower and the Restricted Subsidiaries, taken as a whole, will not fundamentally and substantively alter the character of their business, taken as a whole, from the business conducted by the Borrower and the Restricted Subsidiaries, taken as a whole, on the Closing Date and other business activities which are extensions thereof or otherwise similar, incidental, complementary, synergistic, reasonably related or ancillary to any of the foregoing (and noncore incidental businesses acquired in connection with any Permitted Acquisition or permitted Investment), in each case as determined by the Borrower in good faith.

9.16. Spin Out. (c) Notwithstanding anything to the contrary contained herein, at the option of the Borrower, in the event there is a breach (or potential breach) of both the covenant set forth in Section 10.9 and the Revolving Credit Facility Financial Covenant and the required lenders under the Revolving Credit Facility (the "**Revolving Lenders**") elect to waive or forbear from a breach (or potential breach) of the RCF Financial Covenant, or otherwise modify the RCF Financial Covenant that results in such RCF Financial Covenant being in compliance or not tested for such period, the covenant set forth in Section 10.9 shall be deemed to have been complied with for such period for all purposes and the L/C Issuers will not be entitled to terminate the commitments or

exercise any remedies under the Credit Documents in respect of such breach; provided that (x) any consent fee paid to the Revolving Lenders in exchange for such waiver, forbearance or amendment is paid to each L/C Issuer on the same percentage basis based on its L/C Commitments at such time, (y) any terms that are added to the Revolving Credit Facility for the benefit of the Revolving Lenders in exchange for such waiver, forbearance or amendment are added to this Agreement for the benefit of the L/C Issuers (which may be effected by an amendment to this Agreement signed solely by the Borrower) and (z) the percentage of Revolving Lenders consenting to such waiver under the Revolving Credit Facility exceeds 50% of the sum of the commitments under the Revolving Credit Facility at such time *plus* the L/C Commitments (collectively, an "**L/C Covenant Cure**").

11.13. Application of Proceeds.

(a) Subject to clauses (b) and (c) below, any amount received by the Administrative Agent, the Collateral Trustee, the Collateral Agent or any L/C Issuer from any Credit Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement or any Event of Default with respect to the Borrower under Section 11.5 shall be applied in accordance with the Collateral Trust Agreement and any other applicable intercreditor agreement.

(b) In the event that either (x) the Collateral Trust Agreement or any applicable intercreditor agreement directs the application with respect to any Collateral be made with reference to this Agreement or the other Credit Documents or (y) the Collateral Trust Agreement has been terminated and no intercreditor agreement is then in effect, any amount received by the Administrative Agent, the Collateral Trustee, the Collateral Agent or any L/C Issuer from any Credit Party (or from proceeds of any Collateral), in each case following any acceleration of the Obligations under this Agreement or any Event of Default with respect to the Borrower under Section 11.5 shall be applied:

(i) First, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Administrative Agent, the Collateral Agent, the L/C Issuers and their agents and counsel, and all expenses, liabilities and advances made or incurred by the Administrative Agent, the Collateral Agent and the L/C Issuers in connection therewith and all amounts for which the Administrative Agent, the Collateral Agent and the L/C Issuers are entitled to indemnification pursuant to the provisions of any Credit Document, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(ii) Second, to the payment of all other reasonable costs and expenses of such sale, collection or other realization including all costs, liabilities and advances made or incurred by the other Secured Parties in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(iii) Third, without duplication of amounts applied pursuant to clauses (i) and (ii) above, to the indefeasible payment in full in cash, pro rata, of interest and other

similar amounts constituting Obligations (other than principal, reimbursement obligations in respect of Letters of Credit and obligations to cash collateralize Letters of Credit), in each case equally and ratably in accordance with the respective amounts thereof then due and owing;

(iv) Fourth, to the payment in full in cash, pro rata, of principal amount of the Obligations (including reimbursement obligations in respect of Letters of Credit and obligations to cash collateralize Letters of Credit) and any premium thereon; and

(v) Fifth, the balance, if any, to the person lawfully entitled thereto (including the applicable Credit Party or its successors or assigns) or as a court of competent jurisdiction may direct.

11.14. Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 11.3(a), in the event that the Borrower fails to comply with the requirement of the covenant set forth in Section 10.9, after the beginning of the applicable fiscal quarter until the expiration of the fifteenth Business Day after the date on which the compliance certificate relating to Section 9.1 Financials with respect to the Test Period in which the covenant set forth in such Section is being measured are required to be delivered pursuant to Section 9.1 (the "**Cure Period**"), a direct or indirect parent entity of the Borrower or any other Person shall have the right to make a direct or indirect equity investment (in the form of cash common equity or otherwise in a form reasonably acceptable to the Administrative Agent) in the Borrower (the "**Cure Right**"), and upon receipt by the Borrower of the net cash proceeds pursuant to the exercise of the Cure Right (including through the capital contribution of any such net cash proceeds to the Borrower, the "**Cure Amount**"), the covenant set forth in such Section shall be recalculated, giving effect to the pro forma increase to Consolidated Adjusted EBITDA for such Test Period in an amount equal to such Cure Amount; provided that (i) such pro forma adjustment to Consolidated Adjusted EBITDA shall be given solely for the purpose of calculating the covenant set forth in such Section with respect to any Test Period that includes the fiscal quarter for which such Cure Right was exercised and not for any other purpose under any Credit Document, (ii) unless actually applied to Indebtedness, there shall be no pro forma reduction in Indebtedness with the proceeds of any Cure Right for determining compliance with Section 10.9 for the fiscal quarter in respect of which such Cure Right is exercised (either directly through prepayment or indirectly as a result of the netting of Unrestricted Cash for purposes of the definitions of Consolidated Total Debt) and (iii) subject to clause (ii), no other adjustment under any other financial definition shall be made as a result of the exercise of any Cure Right.

(b) If, after the exercise of the Cure Right and the recalculations pursuant to clause (a) above, the Borrower shall then be in compliance with the requirements of the covenant set forth in Section 10.9 during such Test Period (including for the purposes of Section 7), the Borrower shall be deemed to have satisfied the requirements of such covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default or Event of Default under Section 11.3 that had occurred shall be deemed cured for purposes of this Agreement; provided that (i) in each Test Period there shall be at least two fiscal quarters for which no Cure Right is exercised, (ii) no more than five

Cure Rights may be exercised during the term of the Revolving Credit Facility and (iii) with respect to any exercise of the Cure Right, the Cure Amount shall be no greater than the amount required to cause the Borrower to be in compliance with the covenant set forth in Section 10.9.

(c) Neither the Administrative Agent nor any L/C Issuer shall exercise any right to accelerate the Obligations and none of the Administrative Agent, any L/C Issuer or any other Secured Party shall exercise any right to foreclose on or take possession of the Collateral or exercise any other remedy prior to the expiration of the Cure Period solely on the basis of an Event of Default having occurred and being continuing with respect to a failure to comply with the requirement of the covenant set forth in Section 10.9.

(d) In addition to the Cure Right, the Borrower will have the option to cure (the "**Cash Collateralization Cure**") a breach of the covenant set forth in Section 10.9, and neither the Administrative Agent nor any L/C Issuer shall exercise any right to accelerate the Obligations and none of the Administrative Agent, any L/C Issuer or any other Secured Party shall exercise any right to foreclose on or take possession of the Collateral or exercise any other remedy solely on the basis of an Event of Default having occurred and being continuing with respect to a failure to comply with the requirement of the covenant set forth in Section 10.9, on or prior to the day that is 7 Business Days after the date on which the compliance certificate relating to Section 9.1 Financials with respect to the Test Period in which the covenant set forth in such Section is being measured are required to be delivered pursuant to Section 9.1 by Cash Collateralizing at such time and until the next date on which the covenant set forth in Section 10.9 is tested and the Borrower is in compliance therewith (such period, the "**Cash Collateralization Period**") at least the maximum amount available to be drawn by a beneficiary (the "**L/C Maximum Amount**") of the outstanding Letters of Credit at such time (and throughout the Cash Collateralization Period) to result in the remaining L/C Maximum Amount of outstanding Letters of Credit that are not so Cash Collateralized at such time (and throughout the Cash Collateralization Period) to equal 50% or less of the L/C Commitments or amount available to be drawn under issued Letters of Credit (the "**Financial Covenant Cash Collateralization**") (e.g., if the L/C Maximum Amount of outstanding Letters of Credit at such time is $40.0 million (assuming the aggregate L/C Commitments are $75.0 million), the Cash Collateralization Cure would be equal to $2.51 million) (it being understood that (x) the L/C Issuers shall not be required to issue, continue or otherwise extend new credit in respect of Letters of Credit during any such 7 business day period prior to such Financial Covenant Cash Collateralization and (y) after such Financial Covenant Cash Collateralization and during the Cash Collateralization Period, the Financial Covenant Cash Collateralization requirement above shall be applicable to any Letters of Credit issued, continued or otherwise extended during such Cash Collateralization Period)). To the extent the Borrower utilizes the Cash Collateralization Cure, any amendments, consents, waivers or other modifications to the Revolving Credit Facility resulting directly or indirectly from a breach or potential breach of the Revolving Credit Facility Financial Covenant under the Revolving Credit Facility shall, to the extent favorable to Revolving Lenders, be added to this Agreement for the benefit of the L/C Issuers.

SECTION 12. The Agents.

12.1. Appointment.

(a) Each Secured Party (other than the Administrative Agent) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Secured Party under this Agreement and the other Credit Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 12 (other than this Section 12.1 and Sections 12.9, 12.12 and 12.13 with respect to the Borrower) are solely for the benefit of the Agents and the other Secured Parties, and the Borrower shall not have any rights as a third party beneficiary of such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Agent shall have any duties or responsibilities, except those expressly set forth herein or in any other Credit Document, any fiduciary relationship with any other Secured Party or any agency or trust obligations with respect to any Credit Party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against such Agent.

(b) The Secured Parties hereby irrevocably designate and appoint the Collateral Representative as the agent with respect to the Collateral, and each of the Secured Parties hereby irrevocably authorizes the Collateral Representative, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Representative by the terms of this Agreement, the Collateral Trust Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. In addition, the Secured Parties hereby irrevocably designate and appoint the Collateral Agent as an additional agent with respect to the Collateral, and each Secured Party hereby irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall have no duties or responsibilities except those expressly set forth herein or in any other Credit Document, any fiduciary relationship with any of the other Secured Parties or any agency or trust obligations with respect to any Credit Party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.

12.2. Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Credit Documents by or through agents, sub-agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents, sub-agents

or attorneys-in-fact selected by it in the absence of gross negligence or willful misconduct (as determined in the final judgment of a court of competent jurisdiction).

12.3. Exculpatory Provisions.

(a) No Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the L/C Issuers or any participant for any recitals, statements, representations or warranties made by the Borrower, any Guarantor, any other Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of the Borrower, any Guarantor or any other Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any other Secured Party to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party or any Affiliate thereof.

(b) Each L/C Issuer confirms to the Administrative Agent, the Collateral Agent, each other L/C Issuer and each of their respective Related Parties that it (i) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on the Administrative Agent, the Collateral Agent, any other L/C Issuer or any of their respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement, (y) making extensions of credit hereunder and under the other Credit Documents and (z) in taking or not taking actions hereunder and thereunder, (ii) is financially able to bear such risks and (iii) has determined that entering into this Agreement and making extensions of credit hereunder and under the other Credit Documents is suitable and appropriate for it.

(c) Each L/C Issuer acknowledges that (i) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Credit Documents, (ii) that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent, any other L/C Issuer or any of their respective Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement based on such documents and information, as it has deemed appropriate and (iii) it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any other L/C Issuer or any of their respective Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the other Credit Documents based

on such documents and information as it shall from time to time deem appropriate, which may include, in each case:

(i) the financial condition, status and capitalization of the Borrower and each other Credit Party;

(ii) the legality, validity, effectiveness, adequacy or enforceability of this Agreement and each other Credit Document and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Credit Document;

(iii) determining compliance or non-compliance with any condition hereunder to the issuance of a Letter of Credit and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition; and

(iv) the adequacy, accuracy and/or completeness of any information delivered by the Administrative Agent, the Collateral Agent, any other L/C Issuer or by any of their respective Related Parties under or in connection with this Agreement or any other Credit Document, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Credit Document.

(d) The Collateral Agent shall not be responsible for and makes no representation as to the existence, genuineness, value or protection of any Collateral, for the legality, effectiveness or sufficiency of any Security Document, or for the creation, perfection, priority, sufficiency or protection of any liens securing the Letters of Credit.

(e) For the avoidance of doubt, nothing herein shall require the Collateral Agent to file financing statements or continuation statements, or be responsible for maintaining the security interests purported to be created as described herein (except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder or under any other Credit Document) and such responsibility shall be solely that of the Credit Parties.

(f) Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction, reasonable satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action under this Agreement if it shall not have received such written instruction, advice or concurrence of the Administrative Agent, as it deems appropriate. This provision is intended solely for the benefit of the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

(g) In no event shall the Collateral Agent be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not

limited to, loss of profit) irrespective of whether the Collateral Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

12.4. Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex, electronic mail, or teletype message, statement, order or other document or instruction believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the L/C Issuer specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent and shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required L/C Issuers as it deems appropriate or it shall first be indemnified to its satisfaction by the L/C Issuers against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required L/C Issuers, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the L/C Issuers and all future holders of the L/C Commitments; provided that none of the Administrative Agent or the Collateral Agent shall be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or Applicable Law. For purposes of determining compliance with the conditions specified in Sections 6 and 7 on the Closing Date, each L/C Issuer that has signed or authorized the signing of this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a L/C Issuer unless the Administrative Agent shall have received notice from such L/C Issuer prior to the proposed Closing Date specifying its objection thereto.

12.5. Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless an officer of the Administrative Agent or the Collateral Agent having direct responsibility for the administration of this Agreement, as applicable, has received notice from a L/C Issuer or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent or the Collateral Agent receives such a notice, it shall give notice thereof to the L/C Issuers and the Collateral Representative and either the Administrative Agent or the Collateral Agent, as applicable. The Administrative Agent, the Collateral Agent and the Collateral Trustee shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required L/C Issuers; provided that unless and until the Administrative Agent, the Collateral Agent or the Collateral Trustee, as applicable, shall have received such directions, the Administrative Agent, the Collateral Agent or the Collateral Trustee, as applicable, may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as is within its authority to take under this Agreement and otherwise as it shall deem advisable in the best interests of the L/C Issuers except to the extent that this

Agreement requires that such action be taken only with the approval of the Required L/C Issuers or each of the L/C Issuers, as applicable.

12.6. Non-Reliance on Administrative Agent, Collateral Agent and Other L/C Issuers. Each L/C Issuer expressly acknowledges that none of the Administrative Agent, the Collateral Agent or any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of the Borrower, any Guarantor or any other Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent, the Collateral Agent to any L/C Issuer. Each L/C Issuer represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other L/C Issuer, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, each Guarantor and each other Credit Party and made its own decision to issue its Letters of Credit hereunder and enter into this Agreement. Each L/C Issuer also represents that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other L/C Issuer, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, each Guarantor and each other Credit Party. Except for notices, reports and other documents expressly required to be furnished to the L/C Issuers by the Administrative Agent hereunder, none of the Administrative Agent or the Collateral Agent shall have any duty or responsibility to provide any L/C Issuer with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower, any Guarantor or any other Credit Party that may come into the possession of the Administrative Agent, the Collateral Agent or any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.7. Indemnification. The L/C Issuers agree to indemnify each Agent, in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the L/C Commitments in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the L/C Commitments shall have terminated and all amounts payable hereunder shall have been paid in full, ratably in accordance with their respective portions of the L/C Commitments in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of all amounts payable hereunder), be imposed on, incurred by or asserted against such Agent, including all fees, disbursements and other charges of counsel to the extent required to be reimbursed by the Credit Parties pursuant to Section 13.5, in any way relating to or arising out of the L/C Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing **(SUBJECT TO THE PROVISO BELOW, WHETHER OR NOT CAUSED BY OR**

ARISING IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE ORDINARY NEGLIGENCE OF THE INDEMNIFIED PERSON); provided that no L/C Issuer shall be liable to any Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final judgment of a court of competent jurisdiction; provided, further, that no action taken in accordance with the directions of the Required L/C Issuers (or such other number or percentage of the L/C Issuers as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur, be imposed upon, incurred by or asserted against the Administrative Agent or the Collateral Agent in any way relating to or arising out of the L/C Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing (including at any time following the payment of all amounts payable hereunder), this Section 12.7 applies whether any such investigation, litigation or proceeding is brought by any L/C Issuer or any other Person. Without limitation of the foregoing, each L/C Issuer shall reimburse such Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of the Borrower; provided that such reimbursement by the L/C Issuers shall not affect the Borrower's continuing reimbursement obligations with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided in no event shall this sentence require any L/C Issuer to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such L/C Issuer's *pro rata* portion thereof; and provided further, this sentence shall not be deemed to require any L/C Issuer to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct (as determined by a final judgment of court of competent jurisdiction). The agreements in this Section 12.7 shall survive the payment of all amounts payable hereunder and the resignation or removal of any Agent.

12.8. Agents in their Individual Capacities. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower, any Guarantor, and any other Credit Party as though such Agent were not an Agent hereunder and under the other Credit Documents. With respect to the extensions of credit made by it hereunder, the Administrative Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any L/C Issuer and may exercise the same as though it were not Administrative Agent, and the terms "L/C Issuer" and "L/C Issuers" shall include the Administrative Agent in its individual capacity.

12.9. Successor Agents. Each of the Administrative Agent and Collateral Agent may resign at any time by notifying the other Agent, the L/C Issuers and the Borrower. Upon receipt of any such notice of resignation, the Required L/C Issuers shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required L/C Issuers and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation, then the retiring Agent may (i) on behalf of the L/C Issuers, appoint a successor Agent meeting the qualifications set forth above (including receipt of the Borrower's consent) or (ii) petition a court of competent jurisdiction for the appointment of a successor; provided that if such Agent shall notify the Borrower and the L/C Issuers that no qualifying Person (including as a result of the absence of consent of the Borrower) has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (x) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of any of the Secured Parties under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (y) all payments, communications and determinations provided to be made by, to or through such Agent shall instead be made by or to each L/C Issuer directly, until such time as the Required L/C Issuers with (except after the occurrence and during the continuation of an Event of Default under Section 11.1 or 11.5) the consent of the Borrower (not to be unreasonably withheld) appoint successor Agents as provided for above in this paragraph. Upon the acceptance of a successor's appointment as the Administrative Agent or the Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required L/C Issuers may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent's resignation hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as an Agent.

12.10. Withholding Tax. To the extent required by any Applicable Law, the Administrative Agent may withhold from any payment to any L/C Issuer an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or any other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any L/C Issuer for any reason (including because the appropriate documentation was not delivered, was not properly executed, or because such L/C Issuer failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective, or for any other reason), such L/C Issuer shall indemnify the Administrative Agent (to the extent that the

Administrative Agent has not already been reimbursed by the Borrower (solely to the extent required by this Agreement) and without limiting the obligation of the Borrower to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each L/C Issuer hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such L/C Issuer under this Agreement, any other Credit Document or otherwise against any amount due to the Administrative Agent under this Section 12.10. The agreements in this Section 12.10 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder

12.11. Trust Indenture Act. In the event that Citibank, N.A., Barclays Bank PLC or any of their respective Affiliates shall be or become an indenture trustee under the Trust Indenture Act of 1939 (as amended, the "**Trust Indenture Act**") in respect of any securities issued or guaranteed by any Credit Party, each Credit Party and each L/C Issuer agrees that any payment or property received in satisfaction of or in respect of any Obligation of such Credit Party hereunder or under any other Credit Document by or on behalf of Citibank, N.A. or Barclays Bank PLC, in its capacity as the Collateral Agent or the Administrative Agent, as applicable, for the benefit of any L/C Issuer or Secured Party under any Credit Document (other than Citibank, N.A. or Barclays Bank PLC, as applicable, or an Affiliate of Citibank, N.A. or Barclays Bank PLC, as applicable) and which is applied in accordance with the Credit Documents shall be deemed to be exempt from the requirements of Section 311 of the Trust Indenture Act pursuant to Section 311(b)(3) of the Trust Indenture Act.

12.12. Collateral Trust Agreement; Intercreditor Agreements. Each of the Collateral Agent, the Collateral Trustee and the Administrative Agent is hereby authorized to enter into the Collateral Trust Agreement and any other intercreditor agreement contemplated hereby, and the parties hereto acknowledge that the Collateral Trust Agreement and any other intercreditor agreement to which the Collateral Agent, the Collateral Trustee and/or the Administrative Agent is a party are each binding upon them. Each L/C Issuer (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Collateral Trust Agreement and any such other intercreditor agreement and (b) hereby authorizes and instructs the Collateral Agent, the Collateral Trustee and the Administrative Agent to enter into any First Lien Intercreditor Agreement and any Junior Lien Intercreditor Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. In addition, each L/C Issuer hereby authorizes the Collateral Agent, the Collateral Trustee and the Administrative Agent to enter into (i) any amendments to the Collateral Trust Agreement and (ii) any other intercreditor arrangements, in the case of clauses (i) and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required by Section 10.2 of this Agreement.

12.13. Security Documents and Guarantee; Agents under Security Documents and Guarantee. (a) Each Secured Party hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Guarantee, the Collateral and the Security Documents, as applicable. Subject to Section 13.1, without further written consent or authorization from any Secured Party, the Administrative Agent or the Collateral Agent, as applicable, may (or may otherwise instruct the Collateral Representative to) execute any documents or instruments necessary to (a) release any Lien on any property granted to or held by

the Administrative Agent, the Collateral Agent (acting at the direction of the First Lien Administrative Agent) or the Collateral Trustee (or any sub-agent thereof) under any Credit Document (i) upon the payment in full (or Cash Collateralization) of all Obligations (except contingent obligations in respect of which a claim has not yet been made) and the termination of the L/C Commitments, (ii) if the property subject to such Lien is sold or to be sold or transferred as part of or in connection with any sale or other transfer permitted hereunder and the other Credit Documents to a Person that is not a Credit Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary or an Excluded Project Subsidiary in compliance with this Agreement, (iii) if the property subject to such Lien is owned by a Credit Party, upon the release of such Credit Party from its Guarantee otherwise in accordance with the Credit Documents, (iv) as and to the extent provided in the Security Documents, (v) if the property subject to such Lien constitutes Excluded Collateral or Excluded Stock and Stock Equivalents, or (vi) if approved, authorized or ratified in writing in accordance with Section 13.1; (b) release any Guarantor that is a Subsidiary from its obligations under the Guarantee if such Person ceases to be a Restricted Subsidiary (or otherwise becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder; provided, that the release of any Guarantor from its obligations under this Agreement, if such Guarantor becomes an Excluded Subsidiary of the type described in clause (b) of the definition thereof, shall only be permitted if such Guarantor becomes an Excluded Subsidiary of such type solely as a result of a permitted transaction with a Person that is not an Affiliate of Borrower (other than to the extent such Person becomes a non-Affiliate of Borrower as a result of such transaction) that is not solely for the purpose of releasing such Guarantor from its Guarantee; (c) subordinate any Lien on any property granted to or held by the Administrative Agent, the Collateral Agent or the Collateral Trustee under any Credit Document to the holder of any Lien permitted under clauses (d), (f) (to the extent representing a refinancing Lien in respect of Section 10.2(g)), (g), (s), (u), and (ff) of Section 10.2 and clause (o) of the definition of "Permitted Liens"; or (d) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent, the Collateral Agent or the Collateral Trustee is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including the Collateral Trust Agreement.

(b) Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Credit Documents to the contrary notwithstanding, the Borrower, the Agents and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder and under the Guarantee may be exercised solely by the Administrative Agent or Collateral Agent, on behalf of the Secured Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Trustee and the Collateral Agent, in each case, on behalf of the Secured Parties, and (ii) in the event of a foreclosure by the Collateral Representative on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Representative or any Secured Party may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and each of the Collateral Trustee and the Collateral Agent, as agent for and representative of the Secured Parties (but not any L/C Issuer or L/C Issuers in its or their respective individual capacities unless the Required L/C Issuers shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply

any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Representative at such sale or other disposition.

12.14. Erroneous Payments.

(a) If the Administrative Agent notifies a L/C Issuer or Secured Party, or any Person who has received funds on behalf of a L/C Issuer or Secured Party (any such L/C Issuer, Secured Party or other recipient (other than a Credit Party), a "**Payment Recipient**") that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such L/C Issuer, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such L/C Issuer or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error. If a Payment Recipient receives any payment, prepayment or repayment of principal, interest, fees, distribution or otherwise and does not receive a corresponding payment notice or payment advice, such payment, prepayment or repayment shall be presumed to be in error absent written confirmation from the Administrative Agent to the contrary.

(b) Each L/C Issuer or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such L/C Issuer or Secured Party under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such L/C Issuer or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(c) For so long as an Erroneous Payment (or portion thereof) has not been returned by any Payment Recipient who received such Erroneous Payment (or portion thereof) (such unrecovered amount, an "**Erroneous Payment Return Deficiency**") to the Administrative Agent after demand therefor in accordance with immediately preceding clause (a), (i) the Administrative Agent may elect, in its sole discretion on written notice to such L/C Issuer or Secured Party, that all rights and claims of such L/C Issuer or Secured Party with respect to the Obligations owed to such Person up to the amount of the corresponding Erroneous Payment Return Deficiency in respect of such Erroneous Payment (the "**Corresponding Loan Amount**") shall

immediately vest in the Administrative Agent upon such election; after such election, the Administrative Agent (x) may reflect its ownership interest in Obligations owed to such person in a principal amount equal to the Corresponding Loan Amount in the Register, and (y) upon five business days' written notice to such L/C Issuer or Secured Party, may sell such Obligations owed to such person (or portion thereof) in respect of the Corresponding Loan Amount, and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by such L/C Issuer or Secured Party shall be reduced by the net proceeds of the sale of such Obligations owed to such person (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such L/C Issuer or Secured Party (and/or against any Payment Recipient that receives funds on its behalf), and (ii) each party hereto agrees that, except to the extent that the Administrative Agent has sold such Obligations owed to such person, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of such L/C Issuer or Secured Party with respect to the Erroneous Payment Return Deficiency. For the avoidance of doubt, no vesting or sale pursuant to the foregoing clause (i) will reduce the Commitments of any L/C Issuer and such Commitments shall remain available in accordance with the terms of this Agreement.

(d) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Credit Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Credit Party for the purpose of making such Erroneous Payment.

(e) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(f) Each party's obligations, agreements and waivers under this Section 12.14 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a L/C Issuer, the termination of the L/C Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Credit Document.

12.15. Certain ERISA Matters.

(a) Each L/C Issuer (x) represents and warrants, as of the date such Person became a L/C Issuer party hereto, to, and (y) covenants, from the date such Person became a party hereto to the date such Person ceases being a party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such L/C Issuer is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plan Investors with respect

to such Person's entrance into, participation in, administration of and performance of the Letters of Credit or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 8414 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Person's entrance into, participation in, administration of and performance of the Letters of Credit or this Agreement,

(iii) (A) such Person is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Person to enter into, participate in, administer and perform this Agreement, (C) the entrance into, participation in, administration of and performance of the Letters of Credit or this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Person, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Person's entrance into, participation in, administration of and performance of the Letters of Credit or this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such L/C Issuer.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a L/C Issuer or (2) a L/C Issuer has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such L/C Issuer further (x) represents and warrants, as of the date such Person became a L/C Issuer party hereto, to, and (y) covenants, from the date such Person became a L/C Issuer party hereto to the date such Person ceases being a L/C Issuer party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such L/C Issuer involved in such L/C Issuer's entrance into, participation in, administration of and performance of this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Credit Documents or any documents related hereto or thereto).

SECTION 13. Miscellaneous.

13.1. Amendments, Waivers and Releases. Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof, may be amended, supplemented or modified except in accordance with the provisions of this Section 13.1. The Required L/C Issuers may, or, with the written consent of the Required L/C Issuers, the Administrative Agent and/or the Collateral Agent may, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the

purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the L/C Issuers or of the Credit Parties hereunder or thereunder or (b) waive in writing, on such terms and conditions as the Required L/C Issuers or the Administrative Agent and/or Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that each such waiver and each such amendment, supplement or modification shall be effective only in the specific instance and for the specific purpose for which given; and provided, further, that no such waiver and no such amendment, supplement or modification shall:

(i) reduce the stated rate, or forgive any portion, or extend the date for the payment, of any interest or Fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or extend the final expiration date of any Letter of Credit beyond the L/C Termination Date, or increase the aggregate amount of the L/C Commitments of any L/C Issuer, in each case without the written consent of each L/C Issuer directly and adversely affected thereby; provided that, in each case for purposes of this clause (i), a waiver of any condition precedent in Section 6 or Section 7 of this Agreement, the waiver of any Default, Event of Default, default interest, mandatory reductions, any modification, waiver or amendment to the financial definitions or financial ratios or any component thereof or the waiver of any other covenant shall not constitute an increase of any L/C Commitment of a L/C Issuer, a reduction or forgiveness of any portion of the interest rates or the fees or premiums or a postponement of any date scheduled for the payment of principal or interest or an extension of the scheduled termination date of any L/C Commitment; or

(ii) amend, modify or waive any provision of this Section 13.1 or reduce the percentages specified in the definition of "Required L/C Issuers," consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3) or alter the order of application set forth in Section 11.13 hereof or Section 3.4 of the Collateral Trust Agreement, in each case without the written consent of each L/C Issuer directly and adversely affected thereby, or

(iii) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and Collateral Agent or any other former or current Agent to whom Section 12 then applies in a manner that directly and adversely affects such Person, or

(iv) amend, modify or waive any provision of Section 3 with respect to any Letter of Credit in a manner that directly and adversely affects a L/C Issuer without the written consent of the such L/C Issuer,

(v) release all or substantially all of the value of the Guarantors under the Guarantee (except as expressly permitted by the Guarantee or this Agreement) or, subject to the Collateral Trust Agreement, release all or substantially all of the Collateral under the Security Documents (except as expressly permitted by the Security Documents or this Agreement), in either case without the prior written consent of each L/C Issuer; or

(vi) amend, modify or waive any provision of any Credit Document that would have the effect of subordinating (x) the Liens securing any of the Letters of Credit on all or substantially all of the Collateral to the Liens securing any other Indebtedness or other obligations or (y) any Letters of Credit in contractual right of payment to any other Indebtedness; provided, that any subordination expressly permitted by the Collateral Trust Agreement or other intercreditor agreement as permitted to be entered into under this Agreement or any other Credit Document shall not be restricted by subclauses (x) and (y) above.

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected L/C Issuers and shall be binding upon the Borrower, the applicable Credit Parties, such L/C Issuers, the Administrative Agent and all future holders of the affected Letters of Credit.

In the case of any waiver, the Borrower, the applicable Credit Parties, the L/C Issuers and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In connection with the foregoing provisions, the Administrative Agent may, but shall have no obligations to, with the concurrence of any L/C Issuer, execute amendments, modifications, waivers or consents on behalf of such L/C Issuer.

The L/C Issuers hereby irrevocably agree that the Liens granted to the Collateral Representative by the Credit Parties on any Collateral shall be automatically released (and the Collateral Agent shall (acting at the direction of the First Lien Administrative Agent) instruct the Collateral Representative to release), subject to the Collateral Trust Agreement, (i) in full, upon the termination of commitments under this Agreement and the payment (or Cash Collateralization) of all Obligations hereunder (except for contingent obligations in respect of which a claim has not yet been made), (ii) upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required L/C Issuers (or such other percentage of the L/C Issuers whose consent may be required in accordance with this Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee (in accordance with the following sentence), (vi) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Representative pursuant to the Security Documents and/or (vii) if such assets constitute Excluded Collateral. Any such release shall not in any manner discharge, affect or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. Additionally, the

L/C Issuers hereby irrevocably agree that the Subsidiary Guarantors shall be automatically released from the Guarantee upon consummation of any transaction resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary or upon becoming an Excluded Subsidiary; provided that the release of any Guarantor from its obligations under this Agreement, if such Guarantor becomes an Excluded Subsidiary of the type described in clause (b) of the definition thereof, shall only be permitted if such Guarantor becomes an Excluded Subsidiary of such type solely as a result of a permitted transaction with a Person that is not an Affiliate of Borrower (other than to the extent such Person becomes a non-Affiliate of Borrower as a result of such transaction) that is not solely for the purpose of releasing such Guarantor from its Guarantee. The L/C Issuers hereby authorize the Administrative Agent, the Collateral Agent and the Collateral Trustee, as applicable, and the Administrative Agent and the Collateral Agent agree to (and agree to instruct the Collateral Trustee to), execute and deliver any instruments, documents, and agreements necessary or desirable or reasonably requested by the Borrower to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any L/C Issuer.

In addition, notwithstanding the foregoing, the Administrative Agent, the Collateral Agent, the relevant L/C Issuer(s) and the relevant Credit Parties may amend, supplement or modify any provision of Section 3 (or any defined term as used in such Section 3, or any underlying definition thereto as used in Section 3, or any underlying definition thereto as used in Section 3) to make technical, ministerial or operational changes (or any other amendments, supplements or modifications which impact such consenting L/C Issuer) without the consent of any other L/C Issuer so long as such amendments do not adversely affect such other L/C Issuers.
